Whole camps of these unfortunates at point on the roads below are broken up, and the octu-rants sent to Rashvilless a "city of reinge." Here a few of them find friends and relatives, but the majority are placed at once in the Con-traband Camp.

TRANCALLA SECURITION OF A SECU to the immediate business of the advertiser. All

iery, arrived home on Sunday evening, and as mustered out on Tuesday, by Capt, Irish, as mustared out on Tuneday, by Capt, Irith, and paid off yeaterday by Major Allison.

This battery was the third raised for Joseph I. Knap's Battary of one bundred days' men, athorised by the Security of Wary mustared in y Lient. Williams on the 25th day of May. It ported 'tar dury at Gen. Acque' is handward for subington, b. C., on the 37th, and was at one signed to duty at York Mahon, on the East ranch of the Potomac, armed with excellent pringdeld ridge, the company, was exceeding rilled both as infanty and heavy arilleary. During that four of five weeks the company spent it this Fort. vory conderable progress was rade, and the company, passed, such creditable precious that it was transferred to Fort Size-na, 2d brigade, when Capt Biddle was assigned to the command of that posts.

On the 4th of July the battery was again transserved to Fort Summar, the fort on the outreen oft, overlocking the Potomac, when its Batalion was for the arist time united. The Battalion was forthe arist time united. The Battalion was located here during the attack under Zarly, on the 13th, 13th, and 14th of July, and its located the rabel attack from the front it Fort Summar to the right, where the principal thack was made and repulsed.

The Battalion has seen a good deal of service, Juring the hundred days in which they have been cut; and had become quite "yeleran" in the delly both as infanty and artillary. The coord of target practice with the heavy gompetent officers, as yeary extraordinary for new roops. D. Gent Sinart, the last of the Battaly to achieve was respected on the more of the proper of the Battalion has been perfected to the Battalion ha

About are thousand men are at present at Camp Reynolds. Yesterday the 205th Pennsylvants Volunteers, Cof: Hugh J. Erady, was organized. This regiment is componed of ten full companies, and is mustered in for the term of one year. John J. Pulion was elected Lieutenant Colonal and Josiah B. Fergunon Major Hispor Trimble's regiment is about till, and will be mustered in a few days. The 264th regiment, or the 5th Heavy, Artillery, Col. Hooge S. Galliope, is nearly full, hineteen companies of 141 menessch having been organized up till last evening.

of these clot's beind up to a to a man a sub-division of its address and its a neredible. One mother lay with the very days and night in a mountain gorge with mothing to eat, or rest upon, while all the courtry round was secured to pursue them. Boldders! Monument.

It is in contemplast in by the citissue of Washington, in commemoration of the
departed soldiers of the county. The estimated
costs \$5,000, and \$5,000 have already been collected. The managers of the Cametary have
donated a large and beautiful lot, in a conspicnous part of their grounds, as is hurlat place for
drocased soldiers, where a number have already
been intered. The monument is designed to
be a kinute to the bollective value and patriotbes kinute to the bollective value and patriotbes kinute to the bollective value and patriotless through gase, and unbour generations,
learning from it, how and for what they died,
may be impired to smalles their example and
reverence their memory.

Excitement in the eixth Ward.

Excitement in the sixth Ward.

Excitement and patrior, the difference of the sixth Ward.

Excitement and the sixth Ward.

Their ground and with all she passed who in the living of the county soldiers, upon the first memory.

The fired poor old woman came with all the passed and one shirt. Many of them have alread who have begreated have passed in the man would have partial and one shirt. Many of them by the Family in camply but for the blankers

applied them by the Family and straining a straining and the ward warm of the days of the ward warm of the county, and the ward ward ward and the sample and the ward and the sample and the sample and the ward and the sample Yesterday afternoon an information was made before Alderman Builar, of the Sixth Ward, against a man named Jessie Price, for committing

light which stream down from the great fountain itseld."

Their present life is one of suffering, rollered, so far as supplies of cirching, &c., go, by the rollef associations, but to quote again, "It is easy to see that, in thinking of their former troubles, and the promises made to some of them of better things when they came here, they are disappointed," and the true policy of the Government & streamons effort to procure employment for them anywhere and everywhere, where their to-tonal safert is secure. It is vary to establish that a tetter location for this camp has soon be obtained. The present sits is not which is a spring of seculent water; but it is without thade, so desirable in a warm olimate, and the chill winds of winter faid nothing to electred their visit to the canwas home of the contraband. against a man named Jessis Price, for committing an assent and battery upon a woman. A short time after the information was made, Price passed the Alderman's office in company with two friends, when far. Builer endeavored to arrest him. Price resisted stouity, and anceseded in breaking; loose from the Alderman. He then started to run, but was followed by a large crowd and at last arrested in the Eighth Ward. After being conducted to far, Builer's office, he requested permission to have a private conversation with the prosecutivity, when he succeeded in settling the case. He was, however, arrested on another charge, and committed in default of bail. Mithin the past few wooks a number of men RECAUTION—The recruiting business was not very brisk yesterday, twenty-eight men only having been salisted at the Girst House and twenty six at Capt Kirker's effice.

Mithin the past few week; a number of men have run away from Camp Reynolds, and are now lotgering around the cities. One of these individuals was discovered in the fallegheny plentoned last wreating, and the police endeavored to arrest him. The deserter noticed the police, and started to run, but was quickly followed by them. After running for a contierable distance, it became apparent to the police that they were being distanced when one of them drew a revolvar and fired two shots at the fuglitive, but neither of them-struck him. He thus slipped laby a private alley, after which A vourie sale of there beautiful Lota a Braddock's Field is advertised to come off 9 Menday, 12th inst, to which we lavite the special attention of those withing to make and in water to money. Trains take persons t and from the sale fase, as hare offers. 1865.—A full assortment of Diaries for next year, for rale at Frank Care's Book and Rews Depot, Chronicle uliding, Fifth street. FOURTH GREAT AUCTION SALE A. MCILWAINE, And'r.

LATEST FROM ATLANTA. Tre Richmond Examiner on Hood's Official Report.

Now is it not here, is it may be so the strongle of eight millions of people, who sacrifice their money and their lives, who groans in the excess, who stroth every muscle till the blood starts with the sweat, should come to aight and should end in the unin of us all, so that the predestions and antipathies of the pittful, personal feelings of a single man, may be indulg-

Again it says:

Again to the loss of A lants, though it may be but tomporary, while great. I wail reader incalculable assistance to the party of lincoln, and obscure the prospects passe late so bright. It may enable them to enable to execute the draft. It will diffuse gloom over the South. The depression may be relieved if the ladministration has a spark of real sense, or unselfab patriotism. The reinstakment of Johnson, or the appointment of Beauregard would ast once return the confidence of the country and army.

at once return the connaunce of the country army.

The Examiner says: Late Dristol papers state that it is all a lie about Wheeler destroying the great bridge over the Tennessee at New London. The same paper says: Heems studiously trying to avoid the enemy sbridges and lines of communications, and devices himself to running about the country picture up small lots of prisoners.

The Examined closes an article on the situation as follows:

fallows:

The only practical moral we can draw from all this is, that the Confederate States never had more argent need of an effective army and dillegent conscription and vigilant leaders, and all men to the front that they have at this hour.

From New Orleans.

From New Oricana.

Raw Yous, Sept. S.—The Ere has arrived from New Oricans. Middling cotton, \$1.50. Produce very firm. Sugar and melasses dall. Nothing later from Mobile. Captain Jowett, of the Metacomest, had exploded a terpide on the erudan Nashville, partially blowing har to pieces. He expected to soon far she har.

The Ere says is has highly important intelligence, but does not print it, being contraband, intermoras addites state that's French force of marines had taken possession of Bagdad, at the menth of the Rio Grande, and it is reported that a force of 1500 landed farther up the river, where it is raid Cortines would attack them. The Vermont Election.

The Vermont Election.

Mostfelies, Vt., Sept. 8.—Sixty-one towns in this State give Smith for Governor 12,903, and Red-field 4,322 Last year the same towns gave Smith 11,000, and Redfield 4,250. Smith gains on the vote of last year, 903, and Redfield 102. These returns indicate that Smith's majority will be frem five to six thousand greater than last year. Of the hundred Representatives, voted for, it is reported that only five Democrats are elsoted.

Naw York, Sept. 8.—Gold opened rather firm t 241; but the desire to sell seemed to prepon-Demecratic Congressional Sominations CRORDWAY, Sept. 8—The Democratic Conven-tion to day nominated George E Pagh to Con-grees from the First District, and Henry C. Lord from the Second District.

RIVER INTELLIGENCE.

again the storm King is in the ascendancy, and ye Again the storm King is in the ascondancy, and yesterday the rain fell all day with but little intermission. It commenced at an early hour in the morning with a private deeping, and last night there was but little, frany prospect of a cereation. The rivers, which had commenced to fall were nucleasly brought to a "halt," and the supposition is that this morning will find than both riving rapidly. From all accounts, the rain has hown riving rapidly. From all accounts, the rain has hown general, extending along the whole range of the Allis, hence in the composition of the riving repetition. The rain has some what checked burdness, but we doubt if the ordering of freshe would be a with more free if the weather was piramit.

The only arrival posterialy was the only solerable fair. She left gain on her retained and the support of fair of the control of th od at the point, and act as a state of mater in the chan-old from. On Theoday there was fifteen feet of water in the chan-al between Lou swills and Gineinnati, and seven feet it the steambest pass over the falls. All the streams between here and Cincinnati are curing out floods of water. At last accounts there as five fived water in the Gumberiand and raings.
