Phocking Case of Child Desertion.

Wheeling, after visiting a sick friend, they heard

Mr. Seward on the Drafe

The misapprehension growing out of the ro-ner its made by Mr. Seward, in his Auburn speech,

are thus corrected:

are thus corrected:

"In a speech I made at Auburn, I said there
showed be no draft because the army is being reinforced by five thoursand to ten thousand volumters per day. The people of Auburn understood
me and cleared their district of the draft by rollters and the property of the draft by rollters of the draft by the draft of the draft by rollters of the draft by the draft of the draft by rollters of the draft by the draft of the draft by rollters of the draft by the draft of the draft by rollters of the draft by the draft of the draft by rollters of the draft by the draft b

me and cleared their instances of the artistic mentaring. Patriotic men in Philadelpi is write me that there they understood me to say that there will be no draft, and therefore, they step volunteering. I avail mysell, therefore, of the occasion to cerrent their mistake by saying that grace can enly show lites! by works; so the draft will surely come!! we do not volunteer, and draft will surely come!! we do not volunteer, and

Arrest of Juvenile Thieves.

Arrest of Juvenile Thieves.

This morning three boys named R-bert Grimes, Jackson Reynolds and Wm. Jehnson entered the shoe shop of Mr. F. Smith, on Fifth street, next door to the Gassies building, and the boys were taken into custody. It was and the boys were taken into custody. The defendants are quite young—the oldest being shout thirteen, and the youngest ten years of rgt. They half from Cochotten, Olio, but they have been in this city before. After a braing they were committed to prison in default of ball, to answer at the next term of Court.

of ball, to answer at the next term of the control of the control

AROTHER STRAW—The following vote, taken at the milliary hospital in this city, shows that the soldiers go in for Old Abe almost six to one:

Denicates.—The new Catholic church in Johnstown is nearly completed, and will be dedicated on Eurolay, the 28th instant. Right Bev. Bishop Domenec, of this city, sed Bev. Wm. Pellard, of Birmingham, will be present and participated in the services.

A PROPOSITION.—In a letter received recently from a soldier in Grant's army, the suggestion is made, in view of the large number of sympathisers with the rebels, now is foliery in support of M Glellan and Pendieton, that the rabel Gevernors have paymission to recruit in States not in insurrection for the rebel armies, with the additional power to conscript all who are arowed Copperheads or Peace-at-any-price mes. This suggestion, if carried out, would not, it is free, add a very desirable element to the rebel army—for grumblers such as there are incurable—this would interest the majority of Lincoln and Johnson, and relieve the loyal communities of agrees nuisance.

MARS MURRING OF SEWING WOMES.—On Monday evening a mass meeting of sewing women was held in Philadelphia, the object being to encourage the formation of Unious for the protection of their interests. Addresses were delivered on the subject of the right and wrongs of sewing women, and measures were adopted to carry cut the object of the meeting.

The state of the most for a framework of hestifice. The state of the sta secure the recognition of foreign puwers, and alther accomplish their independence or give them the ability to fight for it four years longer. Them the ability to fight for it four years longer. We appeal to the people of the United States—We appeal to the people of the United States—Vers of the Union and friends of Freedom—saints i.he, some manton of the four orime realists. The some manton of the four orime realists in the some states and decirration of the Unices Convention. We involve them not to sanction these principles and soutiments by electing the canditisten put forward to represent them. We hinfore them as they lore their country, as they accept the people of the recognition of its figs, and the blessings of its presentation, and the its first the place of the recognition of the first start of the state of the callidate, not to faid those who would add them in overthrowing our Government, in destroying our Union, in plunging lates a chaos of anarchy the great communities of which the Constitution makes one great and glornous Ration, and in great communities of which the Constitution makes one great and g'orious Nation, and in thus extinguishing, finally and forever, the hopes of all who have faith in freedom and the rights of man.

We call upon the peop'e to bear in mind that, we call upon the peop'e to bear in mind that, we call upon the peop'e to bear in mind that, we call upon the peop'e to bear in mind that, and the call of the man and the call of the call of the call of power they have norther bear force, from the seate of power they have norther bear force, from the seate of power they have norther bear force, from the seate of power they have norther bear force, from the seate of power they have norther bear force, from the seate of the call of the cal manual to the content of the both coment that, when the Government of the both coment of the both coment of the both coment of the content of the content of the content of the content of the february. We call upon the onsummation of their plans? We call upon the onsummation of their plans? We call upon the content to the content of th

tions in every State, County and Town, to penfect their organisation; to infure fresh vigor and activity into their operations; to carried and exist the interpretation of the properties of carefully and promphly their respective directive circulate Documents and Newspapers containing just and foreble expositions of the morital of car cames; to combat by arsemblages of the people in public meetings, by public speeches, by conversation, by letters and personal appeals, and in all just and proper modes, the deceptive sophistries of the agents and political silles of the rebellion. Let them be on their guard against the arts of corruption on their guard against the arts of corruption on their guard against the arts of corruption, could well afford against the arts of corruption, could well afford to expend militions in overthrowing this administration, and those foreign Powers most deeply increased in our destruction, could well afford to expend militions in overthrowing this administration, and their off-chiegge Convention.

The shies are bright and full of promise. The licenhearted citisen soldiers of the Republic march with steady step and unfaltering purpose to a speedy and glorious vi: 7. The heart of the people beats ture to the Union. Recry triumph of the Union arms over the Rebell troop; arrayses afresh the courage and condinces of Union men, and chills the heart and docimates of Union men, and chills the heart and docimates of Union and the long and laborious strife. It will baraly se the arm of the Rebellion. It will disperse its armies, destroy the hope by which the deepolism at Richmond now hold its subjects in bondego, release the people of the Southern States from their inferred disloyalty, and give them again the blessings of self-government within the Union and under the protecting Constitution and Hisg of the Union dispose of which a state of war renders unavoidable, to restone to their freededs and their homes, clothed with honors, and to be haid in vertassing remains of unions of the protection o

him 'to the front,' where his boasted loyalty could have availed against armed treason, than to stand upon the Chicago platform,' &c.

"Constantio's" mailes is about on a lavel with his self-developed ignorance and stupidy. When he wrote the above mentioned communication, he did not know that the not of Assembly expressibly armyle from tearding for board purposes the property of the widows and orphans of those brave so diers who died in the service of our country. Possibly "Constantio" refers to widows and orphans in the i' Bull Run Distric" whose husbands and fathers chose the rebut rather than the Union military service. His sympathics, palities and heart lean that way.

The record of the County Tax Convention shows that the idea of the exemption of the property of widows and children of decreased Union soldiers was recommended and adopted by said Convention upon my motion, and the law passed by the Legulature embodied the provision thus first presented and suggested.

He have right well that I put in a substitute for three years, and that not one dollar of the expuse was borne by any one but myself. When he made the charge that I had availed myself of any means except my own money to place a good Union soldier in the serice, as my representative substitutes, heighnew that he was sating a falsehood.

I did put in a substitute, who is now with the gailant Sherman, fighting Constantio's rebel friends in Georgie, and I am proud of having performed that duy. I now propose to fight, in proprie persona, the Northera wing of the Confederate army.

Pituburgh, Sept. 15, 1864. The End of the Circassian Slave Traffic. It has already been announced that the Sultan of Turkey has prohibited the Circussian pheld solely by the hope of political victories be achieved by its allies in the Presidential filton of November next.

It has slready been announced that the Sail factor of November next.

It has already been announced that the Sail factor of November next.

It has already been announced that the Sail factor of November next.

It has already been announced that the Sail factor of Turkey has probibled the Greassian states of the Sail factor of Turkey has probabled the Greassian that the Sail factor of Turkey has probabled the Greassian states for the same in the particular of the sail state for the contrage and prolong the last. Every utterance of their organs and its agents affirm and confirms this position. For the sail was an every Rebel in office, but and sold warry hater of Democratic Freedom in the Rights of man, longs and labors for correting of the administration and the extension of Abraham Lifacola from the Presidentia for the confirm the Convention gives a sitent approval of the bellion itself, and an open condemnation of the sail warry hater for the compitators who plotted the convention gives a sitent approval of the bellion itself, and an open condemnation of the convention gives a sitent approval of the bellion itself, and an open condemnation of the convention gives a sitent approval of the sail warry hater for the compitators who plotted the convention gives a sitent approval of the sails of the various transport, lots being the and departations of the Olicago Convention. Be Convention, gives a sitent approval of the sails of the various transport, who is a sail to be a sail to be a sail to be a sail to be a sail to the passed into t Wheeling, after visitings sick triend, they sear a hoise like the crying of an infant. Upon ap-proaching the spot whence the noise proceeded they were surprised to find a newly born male infant lying upon the cold ground in a perfectly nude state and almost chilled to death. The

An Eligible Opportunity. If any of our ultra peace men, who live the South and have daughters whom they wish thoroughly aducated and indoctripated with Southern principles, we refer them to the follow-ing advertisement in slate Richmond paper: rille, Ve.

JOHF HART, M. A., Principal and Proprietor.

Ecssion for 1864 5 begins deptember 29th, 1864,

ends June 25th, 1865.

Charges for heat session, ending Feb. 7:

Board Statementary school 100 Board at \$72.50 if paid in provisions at anniwar prices.

Boarders must furnish lights, towsis, washing,
me pair sheats, one pair pitiow cases and half
snough heavy covering for a brd.

The terms given above are for a "half session"
of four months. The charge for board is one
throughn four hundred dollars, which looks anormone, mult we find that as an equivalent, seventyn-two dollars and fifty comes will be accepted
win provisions at anti-war prices." This being
considered, ont-Chicago pisatorm incum may find
it advantageous to have their danghters run the
blockade with a supply of provisions, so as to
get a good Copperhead education.—Fhil's Press

The Completion of the Iron-Ciad Dic-The Completion of the Iron-Ciad Dictor.

The ocean iron-elad monitor Dictsor, lying at the foot of 13th street, North River, is very nearly completed. O.ders have been transmitted from the Navy Department, by Capt. Erisson, that the will proceed on a recree and important expedition on the list of Gubbs. It is the excess derive of the Department to at once test per qualities in active steeries; but the services of momentous, that no trial trip can be made either upon the river or upon the ocean, and every thing will be hastened forward as rapidly as possible in order to equip and man the vessi! where the now lies. In all probability the will go to the Navy Yard to be pur in commission. Her complemented officers in nearly completed, and the craw can easily be furnished at a mement's notice. The only test, that will be made prior to her departure is that upon her machinery, which will be tested the second time next week at the dock. All we can say at present as to her future destiny is that the

present as to her future destiny is that she is to go South.

Frem St. Domingo—Ill Success of the Spanish Forces.

By the arrival of the steamer Reauche from Havans, we have news from St. Dmingo. The Spanish treeps do not seem to be making any more beadway in St. Domingo than the French in Maxico. They do not hold dipoint more than ten miles from the coast, and are enfering fearfully from sice ness. A small force lately sent cut to San Oritrobes were attacked on their return within a league of the capital, and Golonel Suares, their commander, was killed. The forces at Monte Cristo were sent to Paerta Piata, and it is reported that the rebels attacked, defeated and drove them from the furtilizations on which had been at work siz months, capturing als guns. But a Spanish efforc states that this univos. Heavys the Spaniarise took one gun; the rebels hold three forts, and keep up a constant from the Spanish camp. fre on the Spanish camp.

A Little Joke.

The pelitical chances "appertaining unto" John C. Fremonthave, strangely enough, been very marierilly dimbribed by the last j.ks of Mr. Lincoln. The joke just now is going the rounds of society, and the object is never named without the inevitable laugh succeeding. Mr. Bremon', it is said, wrots to the Fresider's sagetting that both should withdraw themselves from the cendidacy, for reasons of great import. arThis," remarked Lincoln, "reminds me of a little fable. Some race horses were in a stable onte, in company with a number of fighting cocks. The former growing somewhat restive, one of the latter, hiding his trapplage one sach with much pempous dignity, We must bacareful, with much pempous dignity, We must bacareful, with much pempous dignity, we must bacareful with much pempous dignity, we must be according to the property of the perfect the radical candidate is always pointed at as the fighting cock who was agained of steeping on the rabe-horse. He will not be the first man whose political opportunities have been annihiliated by a witty saying.

The laboring poor in London are being driven out to the environs of the city by the enormous high prices of property in the city censed by railway improvements. This, which the journals seem to regard as a great hardship, will prove a great benefit to the laboring population. There seem to fight a great hardship, will prove great hereally, which seem to regard as a great hardship, will prove great hereally the laboring population. There are hundreds of occupations, especially manufacture and their arithms and allies whenes, and to brand their arithms and allies whenes, and to brand their arithms and allies when the support has deverament, to quest the robbid population. We call upon the setand by the President, who, under circumstances of unparalisted difficulty in the provinces and the supers, if the formalisting courses and fledity, with integrity which seven calcumpt has not deared to impeat, and with wildow and produces upon which stocket health. The city railways of Philader-phila are effecting a change in this respect which word out it stands by the rice and the world the unsiltered and unalizable determined to the scale law and the state that the course of the produces are flecting a change in this respect which pation of the American people to quest the results of the scale states that their only hope of peace lies in abandoning their hottlity to the Government and resuming their allegiance to the Jonatic and laws of the United States.

We call upon the to require the event of the rebet states that their only hope of peace lies are flecting a change in this respect which results of the rebet government, and produced to the scale of the course of the city of the city. Health is a state of the course of the city of th great benefit to the laboring population. There are hundreds of occupations, especially manufacturing, for which a residence in the crowded part of the city is not required. The railways which are being built will afford facilities for keeping up the necessary communication between the producers and the buyers, if the former locate themselves in the environs, and as the laborers get moved out of the crowded city, into the ruberbe, they will enjoy fresh air and better health. The city railways of Philader-bpile are effecting a change in this respect which is beneficial both to the laboring population and the general salurity of the city. Manufactories are put up in the extreme varge of the city, and the laborers for convenience, duster arounds them. The effect is more space, cheaps resit, a more wholesome atmosphers and better health.

THE army of Virginis in Richmond wants corn. The Secretary of War has appealed to the Schik Carolinians to sand them some, that being the Carolinians to sand them some, that being that being that the Richmond papers profess to be jubilant over the Richmond papers profess to be jubilant over the abundant supply of foad. In Richmond. Grant's movements will probably test that abundance very Soch. The farmers of New York State are generally shandoning the manufacture of butter, prefer-ring to make cheers, as more profitable. A now has been captured to Paris for salling catr, which his father killed and sold to the chesp cating house keepers of that city

And the second second

INTELLIGENCE FROM MOBILE. CITY AND SUBURBAN. Immediate Movements Not Probable. We understand that General Birney has com we understand that General Burney has com-ploted the raising of his regiment of sharp-shocters, which will join the 10th Army Corps. OUR FLEET WITHIN SHELLING DISTANCE OF THE CITY. The regiment numbers a thousand men, who are The regiment numbers a thousand men, who are armed with Spencer's fifes. General Birney has feriher determined to raise a light brigade, to be of posted of athietic young men, well armed and equipped, and accustomed to the saddle. Mobile Entirely at our Mercy. WARLIKE LAUNCH CAPTURED.

to cor pored or sense or years and constraint and equipped, and accustemed to the saddle. It is the intention to use them for special service, where rapidity of service is requisite. Wagons are to be dispensed with, the supplies seleg transported with pack mules. The troops are to in control, and in case of emergency each rider can be supported by another ca croups. One of its regiments, by permission of the War Department, will be recruited in this State; and Myor James O. Brisose, formarly of Kearany's staff, but later attached to the staff of General Birrey, has been detailed as a general recruiting officer. The Voltigeur regiment will be raised in Michigan and Indiana. The dress of the Zonaves will be dark blue, trimmed with cearlet, loces trousers, and long jacket. Four of the companies are to be raised in Philadeiphia, three in nerthern, and three in western Pennsylvania. The organization, in appearance, discipline, and effectiveness, promises to be one of the most complete ever raised in our Russe. Gen. Granger Fortified at Cedar Point. Naw Your, Sept. 15 .- The Heraid's Mobile Naw lorg, pape. 10.—In Heraid's Mobile Bay correspondent of Sapt. 4th says everything is quiet here, and there is no probability of immediate military movements on Mobile. The sunken rebel iron-olad Baltic still effectually blockades the main channel across Dog River bar, but the double turreted monitor, Winnebago, has found a passage through the obstruc-tions to a point nearly opposits the city, and can drop cleven and twolve inch shells into the city

The Metacomet, Sebago and Kennebec have Mz. Entros:-The sneaking copperhead who also renched the same place, and are in line of battle, ready to shell the city at the signal from published the communication in this day's Post, battle, ready to shell the city at the signal from Farragat. Mobile is entirely at our mercy. The distance of the war vessels mentioned above from Mobile is about three miles and a hall, and their largest rised guns can throw shell into the remotest saburchs. The robel rams and guiboats are in piain sight, but don't make the slightest hottle demonstration. They seem to have and enough of Farragat and his fleet in the recent combat. The robe are vessels reformed to are the rams Alabama, National and Yuscalova, the gunboat Morgan and one other, name not known. They remain above the city, in the month of the Alabama river, and just out of range of our gunboats. inder the name of "Constantio," asks a question and wilfully states a falsehood in the following sentence: — "Permit me," says "Constantio," "to ask whether it was not more cowardly on his [my] part to insist up-on taxing widows and orphans who had lost hu-bands and fathers in the war, in order to secure exemption from a draft that might have sent him to the front, where his boasted loyalty could have availed against armed treason, in the mouth of or agreements.

The J. P. Jackson has succeeded in capturing the largest one of three launches that have been hovering around the Mississippi Sound of late, with the object of statesing the Tatonia. The launch, had on board a howiter and other eviluanch, the desired the contract of the

iannch, had on board a nowither and denous of a warlike character.

As stated in a late Mobile paper, Gen. Granger's troops have constructed spiendid fortifications at Cedar Point and other places; so that if Hood's whole army should reinforce Mobile and attack our position, with the assistance of the ganboats the enemy could easily be kept at bay. LATE NEWS FROM TEXAS. Kirby Smith Enrolling Negrocs.

DESTRUCTIVE FIRE AT GALVESTON. New Your, Sept. 15,-We have news from Toxas papers as late as the Zist ult.

An order has been issued by Kirby Smith to enroll all make negroes, free and slave, for army eartice.

A Sheersport (Toxas) correspondent says:
A Sheersport have crossed the Mississippi, and are said to have gone to Mobile. The correspondent thinks they will not stop short On Monday night last, about 11 o'clock, as two ladies were returning to their homes in

orrespondent taines they will be on the Atlanta.
