DITT AND BUBURBAN. The Methodist Protestant Church on the sence of the Methodist Protestant Church,

Conference of the Methodist Professare varies, 8 "pager on the state of the country," was pre-es ated and adopted, which breathes a truly loyal as well as a Oriettan spirk. The preamble r fers at some length to the rebellion and its cause, but as the resolutions embody the view of the Conference in clear and forcible language, et the Conference in clear and forcing the service we present them called in the Conference does hereby declare its hearty locality to the Covernment of the United States, and its approval of the administration of Abraham Lincoln in its efforts to eventhrow the robellion and maintain the United Union.

2. That whatever may have been the design of the slaveholders in the south in bringing of this great rebellion, in our judgment God is permitting this w- in order to purify the nation from her size, especially the great sin of all-very, which we hold has been the main cause of the rebellion.

very which we dot and been the main cause of
the rebellion.

3. That the Emparipation Proclamation is
hereby andersed by this Conference, and it is
our prayer to dod that the President, by judicious
management, the power of his armins, and the
help of the Almighty, may be able to carry it
into president effect in all the rabel Blatza.

4. That party politics, in our judgment, should
never be allowed to interfere with our allegian e
to the government of our country it and we here
by advise all wer people to be faithful to the administration in its efforts to maintain the Union,
constantly praying for the government and anocess bit bur armits. constantly present a confidence in our comease by our samics.

5. That we have full confidence in our commanders, and bravomen in the field, and that we
deeply sympathics with the prisoften, the afflicted and wounded soldiers, and pray food to be
with them in all their auffe ings.

6. That we record with pleasure the fact that,
on last Subbath, in accordance with the proclamation of the Perident of the United States,

2. Confidence in search on Eiderwille.

and as a Conference, in session in Eldersville, Ps, return publicly our heartfelt thanks to Al-mighty God for the recent victories obtained by our land and naval forces.

7. That we desire a peace growing out of the salvation, of, our government, hased upon the pinciple of immutable righteourness, in order that the Ohistian religion may take a firmer hold than bereboore on the American mind.

His making preparations for putting his extending the city of timelying the ext of the control of the city are mostly of trios, and will compare favorably with these of our Northern cities of literation of the city are mostly of time, and will be not one cartward of the city and from its summal can be seen one of petiliar interest, for hors he could be not activated to the make the country suffered favorable and practi

Gengembre is about to open his evening drawing school, where his pupils will ngain have the opportunity of studying the are of medicaled drawing. He is making preparations for putting his class upon the most approved footing. His system of usehing is thiorough and practical, as he aims not only at producing a parted drawing, but fixing in the mind of the pupil the principles by which machinery, monuments, buildings, etc., are represented on paper. Mr. G. is well known as an earnest and on thusiactic pursuer of the art, and being thoroughly completen to impart his knowledge to others, our young mechanics should by all means avail thomselves of his services. existence, built way up the montain such a teminiscence of "the times that tried man's icals," when the fathers of the country suffered fatigue, hunger and thirst, for the purposs of retablishing a Union which their children would warnedly destroy. Kenesse Moutato, Lost Mountab, Pine Knob, and the Pampkis Vice Battle Field are to be seen from the runnit, while the Chatthhooches river, seen wonding its illent course, between the hills that cover the currounding country. There are many other places of interest in this vicinity, but it would take up too minh of your respectable journal at the present time, so I will leave them to form a therme for, a former litter.

The Battery boys are all well and in good rpitite, and are higgery clasted over the routine of the campaign, and there is on therings fast connected with it, that is, if Grant has not invited in a confine line," we have on ours. "Remember us alt to citizen M'Gill and Gunberry, and all our friends.

Respectfully yours,

R. A. H.

"STAND BY THE FLAO, Boys!"—This is the title of a popular song and choras, written and emposed by Rev. J. P. Hammond, Chaptain in the United Sistes Army. Copies can be had at the music stare of Charlette Blump 43 Bifth st. Also, a song and choras, "Oa! Bory the Brave Where they Fall." Written and compared by Lient. II, S Frieble, 118.h. Ittinois Volunteers.

First Accidence Lohn Zellers was killed on the Cleveland and Pittsburgh Bailroad, near fallneylle, Ohle, en Thursday morning. The deceased was a brakeman on stroight train, and was on the tender of the engine at the time of the accident. He went to jump on the next ear, when he fell on the track, the train passing over him, killing him instantly.

A TRILY RESERVECT FORT is at this time presented by the exhibition of some fifty elegant plane-fortes in Mesers. H. Kleber & Uro.'s new ware rooms; on Wood street. Imagines a room eighty feet deep, and twenty feet wide, filled to overflowing with trobelrows of highly flatished pinners, from the cost liters Etclinway, to the plain square limitument, and you have a sight calculated to make; the heart of any lady throb widelight. A rare opportunity is here presented to make a choice of pianos from this immense and varied selection. The taste and the pooket must indeed be fastidious which cannot satify all its demands under such circumstances. ARRESTED FOR HORSE STRILLING.—Yesterday a man named Edward Raigh was arrested on a charge of steeling a herse from a citizen of Aircome, on the 2d of June last. Reigh museged to elude the police until yesterday, when he was arrested by officer Charles Bray, at Lawrence-ville. He was committed for trial in default of ball.

Basicano.—Mr. George Strain, of the Alleghamy police has resigned his portion, and will heresiter be connected with Rir. Andrew J. Moon, in the independent police husiness, at Aid. Owston's office, Fourth street. Both officers are energois and experienced men, and well calculated for the duties which they have assumed.

DRIFFTE CAUGHT.—David Doubles, a deserter from the 67th Pennsylvania Regiment, was arrested at Indiana on Monday last. Doubles resided in Indiana county, and went home on a sick furlough, but failed to veture to his rominent. He was taken to Greensburg, but afterwards removed to this city. He is now in confinement at the Girard House.

PRESCHE not attending the sale of Lots this afternoon in Snyder's Hollow, at 2 o'clock, on the premises, will regretilt. A man wan walk there from the St. Clair street bridge in Ofteon minutes, and set under his, own yine and git rea, with none to molest or make afraid. There are 1731 tots to be said, and at all sorts of prices.

ARRESTED.—J. O'Rourke, the proprietor of the Cambria House, on Grant street, was arrested yesterday by the Provest Guard, on a charge of aiding sodders to deseit by furnishing them with suits of citisens ciothing, receiving therefor a liberal share of their bounty. He is now in confinement at the Girard House. It is alleged that a number of other persons are in the same business. The Natar Quant.—This beautiful piece will be produced at the Thontre this evening for the last time. As it may not be reproduced during the season, those whing to see it should be in attendance to night. Tun Opena. The sale of reserved stats for the Opera of "Norms," on Tactay swening, the Chartes of Millor's Marie Electric No. 31, Wood street, this morning at nine co-clock. 1865-A fall assortment of Diaries for nex year, at Brank Case's book and news depot 10 Bitth sto. Better from Atlanta. HEAD QU. BYRES KRAP'S Ver. Pr. BATTERY, ATLANTA. GEO., Sapt. 4th, 1884. Mannes, Epirone: The object for the attain

angurated four months ago to-day, has been achieved, and the hardships that we have endured, his at length met with a plorious reward. Atlanta, the prize for which so many of our cuntry's bravest cons have sacrified their lives, is won at last; and although they are not with us to day to share in the triumph, there is a pisce in our hearts, occupied by their images, cut of which, neither time nor its changes can lisplace them; and when, in after years, week down and relate the trials which we have endured through this Rebellion, with every scene, their

down and relate the trials which we have endured invough this Bebellion, with overy some, their images will arise, reminding as viridly of the past, and of the past borne by our hiroto dead, they are not and never can be forgotton.

You must pardon me for this digressim, but I think of them always. Attents was t ken on the 2d inst, about 2 o'clock, Pl M., by the 11th Pennsylvania Veteran volunteers, who were the first to unfuri the stars and stripes on its ramparts. They were speedly followed by the 60 h. N. Y. Volunteers; but they were too late; so to the "Old Keystone" beings the honor of having her fing she first unfor ed over the almost impregnable city of Atlant; or, at least all this now but a mass of remoldering ruins, with its 3 tests randered almost impassible by the breast-

impregnable city of Atiant.; or, at least aliths now rem, ins of it once be need beauty. It is now but a mass of emonidering rains, with its 5 rests rendered almost impassible by the breastworks in drie pits that intersects them in every direction. Previous to its exacusion by the robet, its including ware of the poper class, who had hidden away to estape being driven south. There are thousands of others, who have left the comforts of home behind, on the impulse of the moment, who, I have no doubt, would be "thries glad," were they only seated by their happy firetides to day instead of following the fortunes of reen, whose ambition has brought suin upon all who come within their power, and would render their country aby word, and reproach with inferior powers.

In conversing with many of those who have staid behind, I heard the same old tale of misery and solitution, so often heard in Virginia, when we were there. It is the same old story of persecutibr and suffering for their underitaing fidelity to the Constitution, and the Union, and for withing that they were once again citisms of our glorious republic.

In regard to the latter part of their professions, I really believe most of them are sincere in their wishes, but as for loving the Constitution, and the Union, and for Windom men as Robert Toombs, Howell Cobb, General Twiggs, and other traiters of a similar stamp, to be very ardent in their attachment to a government that is destined in the and to be a lasting monument of the condition of affairs within their brofers, for to them the future looks dark inch hopeless; let them view it as they will, starration, and its attending wills are in their midst, with no means of avoiding its horrors. In connection with this, I believe that one of the greatest spot on entiry, "to them, their homes. To they young and joyous, how much of happiters is centered in that I lite word, and how much of misery and wore to finding to the process of the process of the process of the condition of midstead of the substant of the fo

perhaps a hundred, times, or more, is mast to an awer all the purposes of a stable.

Thousands have been led to believe that their exits would be of short duration, but they are still absent, and many of them are wandering about the country, depending on the cold charity of those who bare, nought to give. Woll may these poor, minuted exits exclaim in the depths of their wow.

I conserve it is now strugging in an agony of despair that will result in its dash extinguish-ment. Your readers may judge of the import-amen of Atlants; from the following statistics, which I recived from a thoroughly reliable

MEDICAL. POR THE PEOPLE:

Arrival of Rebel Deserters.

Wassingtons, Sopt. 16—Another batch of seventy-eight robol deserters arrived here this morning from Gity Point, on board the seasmer Vanderbilt. They represent Flavida, Grorgia, Morth Carolina, Tennesice and Virginia regiments. They say the robol officers have become very vigitant of laid, owing to the numerous desertions of their men, who experience great difficulty in getting away, and many of them have been shell white endeavoring to make their escape to our lines. From Newbern-Destruction of a Dis-patch Boat by the Rebels. DATCH ISON by the McDere Constitute of the little dispatch teamer Fawn, while on her regular trip from Norfolk to Branche Island through the danal, see captured and burned by the enemy on the In the report that yellow fever has made its ap

cord. Officials have been in the habit of helping themselves to whatever they pleased, of the most costly goods, and in the most extravagant quantities. If a morchant even entered a comptaint, cases of his most valuable goods were placed in damp places where they would lose helf their value. Not only this, but the, wives and lady friends of the officials, after being introduced to the importers, always visited their stores, selected whatever they wanted, and ordering it homewithout paying a cont. If they were ever refused, an official was informed, and the merchant was made to suffer more severely. OVERING'S SYRUP .- A fresh supply of Lovaring's Steam Syrup, restrad as i for any the gallon or parrel, at the Family Groony Store wild JOHN A. BESSHAW. DRIME GOSHEN CHEESE -- Received and for sale by the pound at the Fam'ly Groces ture of JUHN A. BENNIA *, seld corner Liberty and Hand sicest. The New Nation Difficulty.
Naw York, Sept. 16.—The Supreme Court injunction put out to day upon the New Nation, Fremont's organ, referred only to the implication prise to—night. The right paper goes to press to—night. The difficulty in the matter, as interred from a copy of the suppressed sheets, seems to have been an attempt on the part of Olusgest to turn the paper over to a person who has not hitherto appeared prominently as a passible candidate for the Fresidency. 2.000 SUGAR GURED CANVASSED HAMS, for eals by HODONALD & ABBUORDE.
