HONDAY, MORNINGER SHOCT. 10, 1864.

Bend in the Election Heturns. The County Committie having secured Concer Hall, Fifth street, as Beauquarters on Tuesday Hall, and the election, October 11th, our friends Bightof the election, October 11th, our friends throughout the county are requested to see to it that some one is sent in from othe electica distrist as 2000 as the vote for Congress is counted of, with the returns. Messengers will be received at the doors as soon as they arrive. The friends of Lincoln and Johnson in each distric are urgently requests to stead to this matter a nce, and lot us have a full return from the county on next Theorday night. A. M. BROWS, Chairman Halon County Committee, A. Willarde, Secretary.

Mass Meeting at Concort Hall.

The Union mass meeting at Concert Hall, en Saturday evening, called for the purpose of hearing an address from the distinguished Gen. 8. F. Carey, of Ohio, was a grand success. The bail was filled at an early hour, and the meeting was called to order by Wm. M. Hersh, Esg., who

nounced the following officers :

anonusied the following officers: President-Rev. James Presiley, D. D., Vice Presidents-Marcus W. Achisson, Esq., George Shiray, Jr., Leq., Thomas B. Hamilton, Riq (B. P. Betterman, Esq., H. P. Jones, Esq., Col. George S. Huye, Wm: Gilhaore, John Otter-ton, Wm. Krank, O. F. Bautr, John Milling, Dr. James King, John Shitbon, Argustus. Ammon, N. P. Sauyer, Capt. R. C. Gray, B. B. Bu'grr, Capt. Wm. Husictt, C. Bartburger, and Capt. R. Fribes.

apt. B. Frisbea. Becretarias-Capt. Samnel Harper, Capt. J. H. tewarty John Vierballer, John W. Johns, John 'P Hitack, G. W. Backofen J. B. Black, Henry V. Oliver, Jr., John H. Hare, and R. S. Morrow. Dr. Frestier, on taking the chair, madas few ppropriate remarks, which warmed up the delence, and left them in good humor for what is to follow.

Was to follow, ... General Garoy was than introduced, and de-guent addresses of the campaign. He spoke for guent addresses of the campaign. He spoke for we hours and a half, and during all that time held the immence andience enchained - scatcely a man changing his position from the beginning to the close. The speech was largely inter-perced with incidents and ancedotes of a humor-cus character, which, while they served to illus-true the particular rubject than under dis-true the particular rubject than under dis-true the spaticular subject than under dis-true the spaticular is whole, was a must earnest discussion of the issues involved is the present political contest, and appended to the rescont and jadgment of the hearr. H. was terribly server on traitors, both North and South, and was in favor of citubing out stray element of opperition is the program and hadring the tasders of the rebuildor. He denomed the Chicago plation; would voie for the candidates thereon. The General paid a very high compli-ment to Mr. Lincelo, and believed him an la-strummait in the hands of frontiance to hing the is establishment of justicand liberty throughout the whole land. He sludded to the present political contex of a discussed in bing this astion through its present trial, which would and from yivanis would give increased majord that there was not a shadow of doubt as to thes and februsy ivanis would give increased majord is of the Union crasse, and thore was not the light is fayer of the principles established to the follows platform afficing the country after the follows platform afficing the country after sex Turgebout the whole land. He sludded to the set fuely was not a shadow of doubt as to thes and februsy ivanis would give increased majord is for the Union crasse, and thore was not the set there day. We intended giving a synoprisof Gon. Caroy's admirable speech, but fad dit imposite et a do eral Carey was than introduced, and de-

THE LATEST NEWS DE

On Satarday last, two brothers, named Heary Naw Yosz, Qct. 8 .- A Washington special and William Storg, were arrested by Capt. Kirk-er's d-tactives, on a charge of being deserter from the army. Henry Storg milisted in the 5th Pennrylvania Gavairy in 1861, and after serving about a year, desarted. He then Joined a siz months' cavairy company, from which he deser-ind in a short time. He af sewards enlisted at dirennaburg, and rescrived a bounty of 5516, but managed to arcape from Gamp Reynolds some weaks since. He was arrested at the residence of his father, in the Ninth ward, in this city. His brother, William Storg, was also arrested at the game time. He was drafted from the Geoond ward, Alleghary, in Juy jast, but failed to re-port. He also visited Greenshurg, and enlisted to the groud to of a sub district in Geeinnaburg, and destried while in samp. They will be sent to Washington to-day. and William Storg, were arrested by Capt. Kirksays recent rains have not interferred with the lans of Grant, but it has caused the rebels much ore annoyands that ourselves, as they have more wagoning. Everything is progressing favorably, and our troops are in the best possible condition.

The report of the Medical Director shows

The report of the Medical Director shows a small per contage unfit for daty. Notwithstanding the isogthening of our lines in the direction of the south side of the railroad, our position is perfectly searce from an attack. The railroad is no use to the rebelt, so the groun in our advanced position command the tract. The Richmond papers of Taurajay soundly berast the ditions for the loss of courage and unwillingness to go into the ranks for defense. The Economer states that all details are feasily settled for the immediate exchange of 500 pris-camer, such as will not be fit for daty in sizy days. High Millord it states, is to make the first exchange at once from the Southern da-partment.

first scokings at once from the Southern ca-partiment. The fridews' James army special says: The importance of the recess unovement sannot be orarectimated. The Lieutenant General, upon as rotual survey of the politica, similited that be had not stiffs from preharded the full signif-capes that such a line could have been carried with so inconfiderable slows on our side. Is can be accounted for, on no other hyporkenis than that the assault was a complete surprise. The force which held these works in estimated by prisoners at 1,000 to 1,500, under the immediase command of General Berell.

command of General Honko, and all under com-manding General Sevil. A General Butlor's canal ditch gap is progress ing completion. The workmen are now patting in a steam pump and creating a bomb proof over it. It is estimated that the work will be ready to let the water in within three works, when the rebels will have one of their most traisworthy river batteries far in our rear and be sank ed en alt ides. The energy have deposited an enor mous amount of metal into the canal from their mortare, but no serious injury has been dote, nor have the laborar been seriously dis-ornered.

or neered. A Hencid's special from the 5th Gorps mays: A new signal station one bundred feet high has just been completed in front of the corps line, and is near the pickets, and in full view of the

The stammer Hops, op-able of carrying 7,000 belses of ection, with other cargo, is appecial to lock the results from England thority A new one arrived on the 10th ult. The Agent Latter is be will probably be a total loss. The Fine Albert was loss to solve and for Market and for Samanah but put back recently, her biller give of Carlisson. The Star sailed for Saman her of the stares bore and shore the stare week as and from New York on the stemer carles and from New York on the stemer bank to be the the tother stame of the filler of the latter and the filler of the latter and the stare of the latter and the stare bore and her for the stare and the stare and for New York on the stemer bank the on the stare and the filler of the latter and the stare of the latter of the stare of the stare of the stare bore and shore the filler give of the stare and the stare of the stare of the stare and the stare and the stare of the stare of the stare bore and the stare of the stare the stare of the stare and the stare of the stare of the stare bore and the stare of the stare of the stare bore and the stare of the stare of the stare of the stare of the stare bore and the stare of the stare o The set Tussian, which which is a bound of the operation of the set of the se New York, Oct. 8 .- The Times' corresponde: Relief of sa woose to users. Harron is presented this out about. The Columbia Corolaics writes that Griffin is low an ontroot, and that all the trains from the shore piace have been withdrawn. The telegraph wire has been taken down and he county evacuated, therefore we have nothing h bheridan says : Early had notices posted Total.... restrid under the new connecting increases to schedness from marchants and others, die he propie of the United United States, \$1,370,-100. Sold confidented goods balonging to nurth-response, \$213,390. Confiscented real others, \$720,-101. of floopical stores have ved during September. res hospital stores from Soldiers' Aid Society above place have been withdrawn. The ciefgraph wirh has been taken down and the county eracuted, therefore we have nothing more beyond Chattabooches when hast seen more beyond Chattabooches when hast seen hits Mornian. Sherman has dispatched a con-chattabooches for the purpose of dispusing our interes. It is certain up to that time no general torvers. It is certain up to that time no general interes and scond drive them hack to Fisher's Mountain, be costed that he would chast the Tankees torvers. It is certain up to that time no general interes and scond drive them hack to Harpw's feel certain he was unpropared for this bold movement as he was unpropared for this bold ackers the asemy's force is 50,000 vaterands we shall git a good account from the Valley. Beckwarding gows to take command of Seuthern Virgitais. If Bearger's infortunes need to state our southed includes Georgie, he will of worts stat light. Rimmor has it that 18,000 prisoners are already it is pretty certain the taking army it ty-le is do out and detaild. Men it this and other Gunse count of Hood's prisoners are already it is pretty certain the taking army it ty-le is do out and detaild. Men it this and other State will prompily return to duty. The Acgurat Charowise of the is inst. \$375: The Acgurate Charowise of the is inst. \$375: The Acg 1 box do from Beth i Ohristian Commission ATTRETTED ROSSERT.-Os Banday morning about iwojo'clock, one of the Police night waken-men formd the sellar door beiong og to the clothing eitablinhment of J. T. At McCanes, corner of Sixth and Liberty treets, hid been orered. Upon investigntion it was discovered that some one had gone into the cellar, and bor-ed bolcs ap through the floor until they were enabled the remove a portion of the floor, and by this means had effected an entrance. No h ag the this of this way probably to obtain money, in which they were dispointed. 206+ 53 then will some most "talk". At the close, them will some most "talk". At the close, three cheers were given for the General, who immediately proposed three more for the Army and Kary, which were given in thunder tones. The Union Central Size given (or Lincoln and Johason, the Union nominees. The Union Central Gies (10b were then in-vited spon the platform, and favored the au-dionce with a fine tempoign scoge, which was londly smoored, when they many anothe of the same kind. They relied and greats applants. The maeting was one of the largest and most enthwitarito hald during the present, samplan, and stimetic quite a number of Domocrats, who acknowldged that Gen. Carey was a "great and." ndiana 60.
