THURSDAY, MORNING.....OCT. 13, 1864.

CITY AND SUBURBAN.

A Sharp Dodge.

Kaiser, y afternoon a young man named Frank McGarr, went to the Mayor's office, and concealing his hat passed out into the watch-house. He went to the cell of a prisoner, and representing himself as a police officer, told him that the Mayor would release him if he would give him ten dollars. Being anxious to regain his liberty, the prisoner at once accepted the offer, and paid over the required funds. After waiting for some time the prisoner became anxious about the promised release, and requested an officer who was passing along the hall, to jog the Mayor's memory in regard to his case. This led to an explanation, when the whole matter was exposed. McGarr had been observed entering the watch house, and suspicion immediately fell upon him as being the bogus officer. A warrant was issued for his arrest, and in a short time he was apprehended and taken before the prisoner who recognized him. McGarr has been held in bail for his appearance at court to answer a charge of obtaining money under false pretenses.

Court of Quarter Sessions.

Wednesday Afternoon, Oct. 12.—Before Judges Stowe and Brown.

William and Samuel Fullerton were found guilty of a charge of assault and battery, and sentenced to pay a fine of ten dollars each and the costs of prosecution.

Catharine Trepp was tried on a charge of assault and battery, on oath of Catharine Bicker. The jury brought in a verdict of not guilty, each party to pay one half the costs.

John R. Dickey was found guilty of selling liquor without license, and was sentenced to pay a fine of twenty dollars and costs.

John Smith was tried on a similar charge, found guilty and fined twenty five dollars and costs.

Samuel Frick was tried on a charge of assault and battery, but the jury had not agreed upon a verdict at the adjournment of the court.

William Stephens was convicted on a charge of larceny, and sentenced to pay a fine of six cents and one fourth cents, and undergo an imprisonment of three months in the county jail.

ARRIGNED SETTLED.—The case of John H. Sarver, a detective connected with the Provost Marshal's office in this city, charged with shooting Charles Mackensey, Lieutenant of the Allegheny Night police, was settled in the Court of Quarter Sessions yesterday afternoon by Mr. Mackensey withdrawing the charge. The case of Mr. Samuel Hedger, a member of the Allegheny police, who was charged, in the United States Court, with interfering with U. S. officers while in the discharge of their duties, has also, we understand, been amicably arranged. Both these cases grew out of a disturbance which occurred in Allegheny some months since, the particulars of which we published at the time.

FUNERAL OF A BRAVE SOLDIER.—The body of Lawrence Atkins, of Co. A, 102d Pennsylvania regiment, who died from wounds received at Fredericksburg, on the 18th of June last, has been brought home, and will be interred from his mother's residence, Hope street, Allegheny, this afternoon, at 2½ o'clock. The deceased had been connected with the company since the commencement of the war, and had re enlisted for another three years term. He was a brave and gallant soldier, and had won the respect of the entire regiment, who greatly regret his death. He will be buried with military honors.

Body Found.

Early yesterday morning the body of a colored man was found in the Allegheny river, below the Nine Mile Island. Alderman Donaldson (acting Coroner) visited the locality yesterday and held an inquest on the body, but the jury were unable to ascertain the name or residence of the deceased. A colored man fell off Capt. Gordon's steamboat Echo, near that place about two weeks since, and it is thought he found had apparently been in the water about that length of time, the supposition is that it is his body. The jury found a verdict of "found drowned."

ARRESTED FOR PERJURY.—Wm. Crawford was arrested in Allegheny on Tuesday night on a charge of perjury. It appears that Crawford went to the Fourth ward polls, and swore that he was twenty-one years old, and a resident of the ward, while at the examination yesterday, it was proven that he was a resident of the First ward, and a minor. He was intoxicated at the time, and gave his name as W. P. Branford. Mayor Alexander held him in $700 bail for his appearance at Court.

CHARGE OF FORGERY.—Samuel Marvin, a resident of Ohio, was arrested in Allegheny yesterday by the police, charged on oath of John Eichenmuller, with obtaining from him, by forgery, a draft amounting to $300. Marvin deposited in a bank in Allegheny, for collection, notes, on different parties to the amount of $500. He then went to the prosecutor, and on the strength of their being received in payment of $200 of his own calling at the bank he found that the notes had been discovered to be forgeries and worthless. Marvin is still at the Mayor's office awaiting an examination.

UNION MEETING IN UPPER ST. CLAIR TOWNSHIP.—A meeting of the Union citizens of Upper St. Clair township was held on Saturday last, in Mr. Foster's commodious barn. Samuel Collins, Esq., acted as President, Col. Wm. Negley, Vice President and David Shafer, Secretary. The meeting was addressed by Gen. Morehead. Notwithstanding the inclemency of the day, the attendance was large.

RACE AT CHARTIE PARK.—We understand that a foot race will take place at Chartie Park, on Saturday afternoon, for a purse of $300. Mr. John Scott, a runner of celebrity, is one of the "entrees." The distance to be run is one hundred yards.

EDWIN ADAMS.—Never is one of Mr. Adams' best efforts, and as this is the last night of O'Keefe's comedy of "Wild Oats," we cannot impress too forcibly upon all lovers of comedy the importance of an early attendance at the Theatre.

THE sale of unclaimed freight, including 100 saddles et cet'ra, will commence this Thursday morning at 10 o'clock precisely, at M'Clelland's Auction, 55 Fifth street.

OIL STOCKS.—Will be sold this evening at 8 o'clock, at M'Clelland's Auction, 55 Fifth street, a large list of valuable Oil Stocks.

FIRE.—An alarm of fire was caused yesterday afternoon by the burning of the soot in a chimney on Fifth street, Northside.

RIVER INTELLIGENCE.

The river is still receding steadily at this point with six feet six inches by the gier marks last evening. The weather continues mild and cloudy with indications of rain.

There was not a single arrival since our last report save from the regular packets, and the Office for Cincinnati was the only departure.

Business continues extremely dull at the landing, the offerings of freight being light, and boats experience great difficulty in picking up anything like a full trip.

Capt Wm B Donaldson's new steamer, Spray, came up to the wharf yesterday and commenced loading for St Louis. The Spray is almost a fac simile of the Mist, being equal to her in every respect, and probably superior to her in some. Capt Donaldson and his clerk, Mr Will Scott, are both well known river men, and we hope they will receive, as they deserve, a full trip. The Spray will positively get off to-morrow.

The next and popular Anna, Capt J H Hannah, as will be seen by card, is announced to leave for Cincinnati and Louisville on Saturday.

The staunch and reliable Lexington, Capt A Shepard, is announced for Nashville and all intermediate points on Saturday.

Capt John Hoss' new steamer, the Iron City, is almost completed, and will be seen by card, is announced to leave for Cincinnati and St Louis at an early day.

THE LATEST NEWS

BY TELEGRAPH.

OFFICIAL BULLETIN.

Dispatches from Grant, Sherman, and Sheridan.

THE ENGAGEMENT OF THE 9th.

COMPLETE ROUTE OF THE REBELS.

WASHINGTON, Oct. 12—8.40 p. m.—*Major Gen. Dix*:—Dispatches have been received to-day from Generals Grant, Sherman and Sheridan, but no military movements since my last telegram are reported. The following details of the cavalry engagement last Sunday are furnished by Sheridan:

I have seen no signs of the enemy since the brilliant engagement of the 9th inst. It was a square cavalry fight, in which the enemy were routed beyond my power to describe. He lost everything carried on wheels, except one piece of artillery, and when last seen it was passing over Buds' Hill, near Newmarket, on a keen run, twenty-six miles from the battle-field, to which point pursuit was kept up, and the battery, men, horses, &c., captured. The horses were in good condition, but were all exchanged by our cavalrymen for their broken down animals. Our casualties on the 9th will not exceed sixty men. The one hundred men of the 8th Ohio, dispersed while guarding the bridge of the North Shenandoah have come in without officers.

(Signed,) E. M. STANTON, Sec'y of War.

THE ELECTIONS.

A Vote in Nashville.

A detachment of the gallant 78th, at Nashville, held an election on Tuesday, the result of which is given in the following dispatch:

The Opening of the Mississippi—Sherman's Rate Movement.

NEW YORK, Oct. 12.—To-days' *Commercial Advertiser* has an article on railroad stock, it says:

Apprehension prevails that a speedy opening of the Mississippi will divert a large share of railroad earnings, and it argues that such cannot be the case.

The *Herald's* correspondent with Sheridan says:

A retrograde movement in the army was not determined upon, until after the rebel army had been brought to a standstill by the weather, and the valley itself rendered untenable by the destruction of all the forage, grain, &c., it contained. Sheridan then withdrew, in order to be nearer his base of supplies, as his subsistence had to be hauled in wagons, almost 100 miles. On retreating, a considerable number of the enemy were seen following him up, until the Shenandoah was crossed, when, took twenty cannon, 130 prisoners, killed and wounded 500 and blew up the remainder of their ammunition. It was also reported in Vera Cruz on the 1st, that Miramonas had been occupied by the French. Gen. Woods is reported to have taken Chihapa, and was expected to take Chihuahua, and thus open communication with the Mexican expedition. The *Herald* states that Juarez had abdicated in favor of Ortega. Marcus Scala at Vera Cruz on the 22d. It is said that an expedition to Mazatlan will start soon. Just as the steamer left Vera Cruz, there was a report that Maximilian had been assassinated, built the report lacked. There is little or no fever in Havana Harbor.

The Steamship Aphrodite Ashore—Steamer Captured.

NEW YORK, Oct. 12.—The steamship reported ashore by the Dudley Buck, proves to be the Aphrodite, from New York for New Orleans with troops. She is ashore at Cape Island, fifteen miles north of Cape Hatteras. The vessel is master of the car p. She is full of troops. Every effort was being made to get her off. Her passengers and the rest got ashore in safety on Cape Island.

The army remains in its former position at Chapin's Bluff, the enemy not seeming desirous of attacking the line there.
