carriers, all over these cities. Propie can be carriers, all over these cities. Propie can delivering windows of the Post Office department. It is a text to which we wish to direct the attention of our readers, that both in this sily and in Allegheny, an efficient and reliable corps of interest is employed by the Department, who immediately select from the mails received all letters and paskages addressed to street and number, (unless those owners have private boxes), and promptly deliver the same to their address, in the shortest possible time thereafter. At the same to their address, in the shortest possible time thereafter. At the same in these latters and packages which have been deposited for the mail, in the several receiving bases which have been conveniently located at central points, for that purpose. All this, too, without any increased expense to the public. The theory of the anthors of the free delivery system is, that the flavoured correspondence cansequent upon these increased fasilities, will compensate the department for the expense of the letter carriers. n those days of tercentenary fastivals, and eve all in the town of Elsinore, it is a great mles, properly "Amiet," was not the son of a gan, living centuries before the Christian he did no more than his duty in avenging

he did no more than his daty in avenging father's death; that he by no means fell in gle combat with Lacrice, but lived to bacome vernor of Lailend, and to merry two wives, of whem was daughter of an English king. e calminating point of this antiquarian berris that there was no Ophelia. To have one's it that there was no Ophelia. To have one's to destroyed in one of the sweetest characters in Bhakspheare ever drow [14] a 'trai; but re is this concolation. Leafing behind is pictures on the order of Elainors with \$3,000 intabitants, nothing remarkle passed on the road to Fredensborg with passed on the road to Fredensborg with the exception of the rained castle of Gurre, to be a superior of the rained castle of Gurre, to history. In the 14th certury, Valdemar, like our Henry IT, concealed in this sequent, and how the surface of the live of the late of the week. But whereas Legil's history has been intent to infer that Queen Eleanor, after the secore-y, proved to her liege ford a sufficiently tributive thorn in the fieth, Danith story less much fershor, and dooms Valdemar to the sof "Herne the Hunter," for having blanders and our were fact to him. Carrier.

We see nothing to be gained by so frequent views to the peared by encouraging the fall development of this great public convenience—taking the post (fills to your door, delivering your real to your to home, rad receiving what you have to send at the same time; and this withent any other compensation that his ordinary three-cont pottage stamp on letters, and two cents on city letters or newspapers. We are informed that postmaster you Bonnhorst has received the telly. In Alleghour, we deliveries and collections daily, in all arts of the city—in each case, immediately after the sarival of the mails. City letters or pastages pre-said by a two cent atmp for each half ounce, if deposited in any of the sceniving boxes, or at the Posteficies, will reach their delivation, in troperly addressed to attent and number, as anothy, and tearly as soon, as if delivered in person. Responsible Mubs to be Organized. is exponsible and to be organized.

If the McClelian Democrats have a choice be
near a responsible mob and an irresponsible
is it must be because the latter can be made
stly more desulating and murderout than the
more. We call the anxious attention of every
party-holder in this city, who hesitates as to
duty of roting down the Vallandigham Decaucy, to the following awage arows: in The
type of Savinday last:

duty of voting down the Vilsand product of the bimograpy, to the foliowing savage avowal in The cer of Saurday last:

"The Democracy, however much defeauled, in depend only upon the spontaneous and delicity action of irresponsible mobs. Firmness id determination, under the circumstances, it is simply results in their being swept down by tillery and driven, with bayonets, if they won-re upon a practical remedy for their wrongs, is at this crist that the National Bemocracy, is at this crist that the National Bemocration remains should reastenable to organize the encuented action of the Democracy."

There is no duth that the chap who wrote inspired that paragraph belon, is to the Ort, which has in charge the revolutionary confirmery of which Valtandigham is commanderabled and McCiclian residuary legates.

chief and McCiclian residuary legates.

A New Daynterners or Pasca Pascapass.

If the mass of city ordinances, so as to bring be sourced to some convincing indusement. Spasking of a few provincing indusement. Spasking of a sident Lincoln, he said: "In the hands of a moratio President, his head, and the heads of a moratio President, his head, and the heads there around him, would come to the block." We have here an undisguised desiration that the event of M Cisilan's should not an event of the City officers and others. Our sister city is making rapid strides, in mediate advisers are to be the first victims, it every man wha has been promined in big votice to the Uloty officers and others. Our sister city is making rapid strides, in mulcipal reform; already, the Bautiels and commodious City Half occupied by the saysral city officers; the New Market House is no lorger an experiment but a accomplished in the list of those desomed to the block. It is it he language of men who take of pasce, and who denounce as tyrannical an officer and decency. The city police has been increased in the Presidential elecation and the common and the first the presidential elecation and the state of the city officers; the New Market House is no lorger an experiment but a accomplished city officers; the New Market House is no lorger an experiment but a cocomplished city officers; the New Market House is no lorger an experiment but a cocomplished city officers and success. The city police has been increased in the Presidential elecation and the state of the city officers and agreed success.

Orse of our exchanges makes an excellent committee the city officers and success.

Morrow vs. the Commonwealth, C. P. Argued by Ercwn for plaintiff in error; Woods, ocupra.

Court adjourned until nine o'clock Thursday

An old Democrat came to the city a few days ago and inquired of a friend if he knew of any mogratic preachers in the city, for he could not find one in the country, they have all gone, said he, to preach for Lincoln and the subjuga-tion of the rebeis. He friend info-med him that he believed he would find the same state of things in the city, for on the evening of the election there were upwards of thirty proseders the returns, and that not less than ten of them mads Union sporeches. Well, said the old voteran, we used to have good democratic preachers, but if they have loft us, "I guess we had fister give up."

but if they have left us, "I guess we had besier give up."
But this state of things is not pecular to this lecality. It is the same all over the conducty. We netlecthat even Princeton College has be-come infected with the disease of "Delitional Presching." A lew weening? 39 the Rayl Pro-fessors Alexander, Melitains and Super, of that Itetituden, addressed a Lincoln and Johnson meeting in Princeton. United States District Court. Wadshedar, October 19 .- Before Judge Me-Candlers.
The case of the United States ve. George D

The care of the United States vt. George D. Ticnes, indicted for passing counterfeit United States Treasury notes, was called for trial. Meest. Marshall and Brown, and B. F. Lucas, appeared for the defond nt, and District Attorney Carnehan for the protection. The defendant is a farmer and draver, revising was the city of Krie, and is indicted for passing three notes, of the denomination of \$50 each. The passing was proved, but the delevdant alleged that he had obtained the notes in excusing for the department of the counterfeld of the coun sware of their still on trial.

The Grand Jury found a true bill against Eiward Howard, of Potter county, charged with passing counterfeit United States Treasury notes, of the denomination of \$50.

Corrected especially for the Gazette, by Messri Feld & Lare, of the National Bank Note Re-porter. Rates uncertain at present: Physicanal, Oct. 19, 1864.

additional 90 cents per gallon sought to be recovered.

The Court were of the same opinion, and directed judgment to be entored in favor of the defendants. The amount at take in the case, was about \$124,315 13, and it is only one of a number in which like questions are ponding.

Letters Delivered at Your Doors.

There seems to exist a popular misapprehension in relation to the advantages of the free delivery of letters and other mail packages, by carrier, all over these cities. People cling tother private boxes and crowd the vestibule and delivering windows of the Post Office department it is a tact to which we wish to direct the attention of our readers, that both in this city and in the proof our readers, and reliable corpus of its route.

Lake O'Brien, charged with the larceny of a time f moter in the hands of a party in his tame f moter in the hands of a party in his takern, was tried and acquitted.

J-harra Wagner was cavicated of a charge of larceny, but was recommended to the mercy of the Outr. She was santeneed to take days in A NEW AND DASGREGOE GOUNTERFAIT.—A well executed and very dangerous counterfeit government greenback, of the denomination of \$50, has recently been put affect, and handlers of money must keep a sharp took out, or they will be bitten by it. The general appearance of the bitting been been put affect, and the signatures are purfact for windler. A class examination, however, discloses that the engraving is correr, and the printing conquite as well done; while in the vig ette of lamiton the noses less prominent, and the lower part of the ear, which in he genuice is quite plain, is obverting the representation of the care, when the content of the care, when the content is the property of the care, when the content is the property of the care, when the content is quite plain, is obverting the care of the c

per is unusually good for a orugeriest new means of refuges from the Valley, both white and block, continue to arrive at various points in the eastern pert of this State, and also at faceling. As a general thing they appear to be an indelent, thriftless class, without sufficient energy or intelligence to provide for their come want. Hence they necessarily suffer many hardships, as nearly every one of them comes north in an interly destilute condition. The late destruction in the Valley, by drder of Gen. Grant, will greatly swell the number. inrely, and testly as foot, as it waters in person.

The introduction of this European idea of home delivery of mait matter into all the cities and larger towns of the United States, and the sholishment of the "penny post" charge of one centeach for delivery and collection of letters by carriers, is a great postal reform, which our 'people will appreciate better as they become more intimately acquainted with its facilities and more intimately acquainted with its facilities and advantages, and for which we are indebted to our present enlightened and liberal administration.

A Swindler—A coamp calling blusself "Howard" has been swindling the good people of bleadville. He represented himself as a manager of a theatre, and in that capacity engaged Contral Hell, had a large number of bittle printed, and after robbing various individuals decamped on Saurday. He is about five feet ten or elected inches, wore a moustache, cap, light pants and a dark sack coat, and chrised a light black cane with an ivery head. Allegheny Councils held a special meeting last evening for the purpose of acting on the new city code. The City Solloitor was instructed by Councils, some months since, to collate and codify the mass of city ordinances, so as to bring Passing Counterpair Monay.—Robert Pearson M'Kean and Absalom Barber were arrested to day, on a charge of passing two dollar countrioit notes on the State Bank of Oald. The itemation was made before Mayor Lowry, by Margaret Bandsmith, of the Fifth ward.

MCCLELLAR DOCOMER'S IN REPRICOM.—The Petersburg Express of the 30th uit, contains the following advertisement: "Just published, Rebeliton in the North; being the full details of the secret order for the overthrow of Lincola, containing its declarations, caths, charges, signaptispally, Ikaswords, gripp, 20, 40, the whole fourning adamphied of sixteen pages. For sale at all the book stores and at the building of the Whip. Price one dollar. G.orgé P. Erans & Co." Catifornia went Union in 1803 by a majority of 19,836. A letter from Secator Conness upon the prespect in his State, says: "I have no fears for the result in California. The value of peace and Uniten is too well known to the patriotic hearts of dur people for them to falter now. The people are too courageous to take a backward stap. The name of California stands too high; she cannot afford to lower har creat, to let the ensign flown."—N. Y. Trib.

Soldings' Voying.—An officer in the Army of the Potomic writing to a friend in Washington city, says that Connection soldiers have commenced voting for the Presidency. Two Laspootors, appointed by the Gavernot of that State, are present whemballots are deposited. In two regiments seven-citythes of the votes were for Luncoins another ragiment ince tenths, and another about equally divided. In one Connecticut Battery the years Napoleon is without a friend, every man of them voting for Lincoin.

THE TRIVETE IS MARYLAND.—The most chesting result of all the recent elections is the Union triumph recorded in Maryland. Definite telegrams assure us that Maryland has adopted her new Constituted by a clear majority of 839 over all votes, and this may be increased 500 by forther returns from the addlers! More cratifying than any mersip spritten of political victory is the great moral : 65 lit that Maryland is now a free State. Much standal has been created in religious circles in France, by the fact that two distinguished people who died lately, refused to receive extreme unction. One of these was M. Cheve, a professed skeptic; the other was the youthful Princess Ladisias Crartiske, daughter

of Queen Christina. The Richmond Whig of the 12th is severe on Grant's order to Sherican to lay waste the Sherandcah valley. It says it is the most infamous order of the whole war. What about the butaing of Chambersburg?

LATE FROM GEN. SHERMAN. DBILLIANT OIL CO.—Books of Sub-scription to the BRILLIAFT OIL CO. will be opened at the Bashing Bosse of BANF 4, HABT & OU., occurs Third and Words streets, on The Rebels Betreating Toward Summerville. Monday, August 8th, 1864. Pamphists containing a description of the property held by the Company can be had at the same place, or and a say the 4th of August.
