WHAT OF SALAR

The second s

Beadlag Matter from Saturday's Evening Gazette.

BEWS AND MISCELLAWY. ELDER.—The leaves of the elder if strewed among corn or other grain, when it is put in the bin, will, it is said, effectually preserve it from the ravages of the wevel. The jutes will sho the ravages of the wevel. The jutes will sho the ravages of the merris. The second shows and the ravages of the second shows of the second table, bints arbies, commbers, squathes and thered over exbage, commbers, squathes and thered over exbage, commbers, squathes and there have be avend by plassing on the branches, and among them, bunches of the issue." Const Hurk first limits in first in Australia of con-from corn burks in inde in Austria by a Cor-rrament establishment. The interim of op-per, and large quantilies of it have been pur-tions of that species of paper can base and in-periment of the means. The silecovery of the Agricultural Department. The discovery of the interimes. Sherman's Advance, and What it Means. From private advices, both by letter and tale-graph, we learn that Sherman is advancing h Atlanta toward Sayaunah river in two columit, The first set out, one account says, the 7th, abother the 7th inst, (probably the last date.) on the read to Macon. On the 15th or 7th Idth Inst.; if was seventy milles in advance, dryv-Idih Inst. if "messerenty miles in advance, dryr. ing everything before it, and drynog cervy. Gang Lebias (hat could hid the enery, and intensi ing to parrue this policy to the wat. The, other oblum, we understand, set out three or four days later, and undoubledly intending to unla-with the there are a furthere for the the other with the interse for the set of the other in other as a fare a fare section. The availing the other is the interse interse for the other avairs under

stard in some account at a joor, and in buarts at 55,089, a large portion, being cavalry under Ruphtrick. The largest estimate is probable, the array being composed of four carpi, and largely relatered.

the structures of the second structure of the second s Suchde out information - some and that yet at the some time is should be reallected that a General, at the bead of a morable army in the informationes, and

a Granital, at the head of a morable army in the falls, must set according to circomaiances, and he may be turned from the course we suppose him to heave taken by cohingest events, of which we have now not knowledgs." We under-stand hims to be on his murch through Goorgia-to make the South Atlantic Squadron, at Bean-icer, his new base of supplies. If he need on; but if the country, as we suppose, is wulliont in "minimal his army, there is no shellate need of any new base.

This stain his army, take a what opposition will be atternet, and what is his object? There will be 50 simy in front of him, and the Giorgia millis will be otterly inefficient in obsergation his progress. Shood is pawerless, and Lie has no man to spore, and if he had it would take a intra structure to contract Bhorman. The fact, and the main The main is pars, and if he had it would lake a large samp to encounter Baseman. The field, it, therefore sopen below him, and the main question is, what can be soccapilable in or replation, he can soccapilable the most imperiant results mached in the way. When a column the Baseca, it can destroy, since the collest-roy when a solumni reaches dugets, it de-ary. When a solumni reaches dugets, it de-troys the largest marked, and from flave sod sime there in the bould. The grater with and Wester matter down in the same with a solumni reaches dugets, it de-stroys the largest marked, bould, The grater with a solumni reaches dugets, it de-solution in the bould. The grater is defined to large in marked bays in the flave with a deralloosid to Amenia, and from flaven-rah to Charleston are destroyed, there is no fur-ther maches her mitter groum marked and west of

Ide afficiation is order in a state of the second state state second state of the second state state second state of the second state second state of the second state second state of the second state of the second state second state of the second state the second state of the second state of the another impassable line, But this is only the beginning. If Sherman But this is only the beginning, week's rest, But this is only the beginning: If Sherman can usuch Beaufort, after a week's rest, he can more right on through North Garolina to Darylle, thus making Bast-era Virginis a price and a garas for Luc's army and the rehal government. This, whisy, is perfoculy practicable with armstring blatch of the start of the start of the start of the arm yand the rehal government. This, whisy, is perfoculy practicable with armstring blatch of Incr. We do not know that den, Sherman has all this in his play, but why tot?. Why should he ard aim at the highest regular? What is the arguing disciplined army. What is there from the Boanche in the Tennerise to oppose him 7. Nothing that an oppose hay you form, resistance to a (in play and army. What has no incortance

Johnstown. The Cambria Tribune, one of the best weekly papers in the State, speaks out maninily in be-half of its ewn town, which has, on two or three occasions of late, been spoken of as rather an insignificant place. The editors, being put on

their mettle, say : Now, the trath is, that Johnstown is not her a EUMORED BEFFAT OF THE UNION YORDES new, ner s small, nor an unimpertant town. It is, on the contrery, one of the oldert, most pop-nious, most enterpricing and most thriving towrs in the State. Its charter baars date 1800 its population, including that of the boroughs and villages which are offshoots from it, and

iis popniation, isoluding that of the boroughs and tillager which are offshoots from it, and which are socially and materially identified with it, was 11,500 in 1860, and it has certainly not been reduced since; rs a buriness contar, it is almost enough to say of it that it boars the largent and most prosperous railroad iton roll-ing mill in the Union. Our minor mandatologies embrase a hydraulie commutand fire britk factory, a foundry and can-chize shop, represening a capital of fifty thou-the control fire brit factory, a foundry and can-chize shop, represening a capital of fifty thou-the shop, represening a capital of fifty thou-tern multifly, kept dontantily running, and a poptial of two hundred thousand capacity, now in course of creating and representing a optial of two hundred thousand dollar, so des incoh morel fine dollar, brite and the town are azisenive shock man-ficients and passenger station on the Pran-fotories and a thousand dollar, so des incoh morel fine doll fits in shock mann-fietight depoint and passenger station on the Pran-site in the start two scores of zaw mills. With the exception, perhaps, of Harrisburg and in cost populous and done of the fibert agricultural fietight depoint and passenger station on the Pran-i sylvania Ekilroad. Apart from its own trade and travel, it is the only outles for the largest proving a Balroad. Apart from the fibert agricultural is trithes in Western Pennylyphis. It is fir, however, to say, that our town de-rivers to the, also, it is mainly indebtu-elling mill to which, also, it is mainly indebtu-elling mill to which, also, its own mannoth is colling the Cambris Irrn Works, gives on-prover black rand coase stray weak an arcrage of orer eight hondred ton ef railroad tran. The breas and ceal mocessary to produes this Iron are then out of the Mills surriculing Johnstown, on the large and accoursely is achaustible depositi it due has lower of the rolling mill at that place is due.

Invention is one of immonse interest and im-periages. If the New Faiertown, Consustor.—The plates of the new fifty cents, fractional currency are nearly ready for platings. The noses will be of the same width as those now in a circulation, but it is the same size as the circulation, but will be of the same size as the old cones, while still be of the same size as the old cones, while the tens and twenty-fires will be of gradauted likegith be tween the highest and lowest demon-nations.— It is probable that a three can's note will be, traced for the grater facility of making dhangs.

BEWS AND MISCELLANY.

nations. It is privable that a three can't note will be inrued for the greater facility of making w damage. Marring, of Grawford county, Ph., ons handred and five years old, is imposed to be the algestman who voted at the last election. He has yood at every Previdential elections. He has yood at every Previdential elections. He has a fact ho builts of Washington affect error ing, and retains all his faculties, except hir tight. A few months since he had tes grand; erns in the Union army. He wood for Provi-ient in the Union army. He wood for Provi-ent is understood that the report that Gameral Shrumn's movements meanes. Important folts is ertifiely true; but the known fasts cannot be within the work of the super that Gameral Shrumn's movements meanes. how the blockase is evaced on the more of the Obespeake, by vasies inding from exitor point to Baltimore and Washington. These cap-tures are looked upon by the authorities as of the highest importance, but for predential reasons further particulars are deforred for the time.further particulars Raltimore ban.

CARLA OF DISTANCES -As matter of interest, the following table of distances from Atlanta to the several points which have been mentioned as likely to be visited by General Sherman, is mublished :

Miler. Allants to Marsshah. Macon to Barasshah. Atlants to Sarasshah. Augusta to Sarasshah. Augusta to Sarasshah. S. C..... Augusta to Charleston, S. C Atlanta to Lynobburg, Va..

askamed of him, so well as the Germans.

THE ATTACENERY AGAINST GER. BOTLER, The Washington correspondent of the fince makes the following statement :

the following statement: "Concerning its site opmant applied for sgainst Gen. Batter in New York, on behalf of parties in New Orisans, to recover \$40,080 in gold seiz-ed by Gen. Butter in that dity, it is proper to say that the gold referred to is in the Treasury of the United Stater, and that the plaining mut seek referrer, if they feel aggrieved, against the Government, and not against Gen. Butter."

Two Legislature of Louisians, in joint session on the Sih inst, made choice of the following gentlemen, as Presidential Electors :

gentiquen, as Presidential Risotors : At Large-W. T Stocher, Alfred Shaw. First Congressional District-F. A. Wooldsy. Second Congressional District-J. R. Terry. Third Congressional District-J. E Sinfer. Fourth Congressional District-J. E. Belden. Fitth Congressional District-S. G. Hamilton.

Fitth Congressional Dirich and the statistic of the most striking instances of the factality of Peace Democracy to Chose who em-brace it, is seen in the result of the election in the Tweith Congressional District of Illinois. We want the congression and the statist constraint of the statistic of the statistic

GLOOK IN DITIE ... The Richmond correspondent He would hardly confers aid hardly confers the contrary wet was very gloomy indeed.

its mily mirrow in wind and limb, and ready team being sound in wind and limb, and ready for the road at any time. The this it tursed outto be a man named Wmr. Campbell, a failow halling from Olneinani, who had bean arresized have the pawnious alght for distributly conduct, but who, on making a "poor mouth", and claiming to be a discharged pildir, was beit off by Mayor Lowny. He had gone di-tracily from the Mayor's offics, and, happan; ing to asse the doctor's horse hitshed up, and the borgy empty, jumped in and drove off. The doctor values the horse at \$150, and the buggy, which is may, is worth \$318. Their recovery, of contra, is vary gralifying to the doctor, as wall as the Mayor and the officer concerned in the chase. The third has been dominited to juli, and it will be sens time brove he takes another such jumit.

years. M. RICHARD D'OSSAY CODER, the Ribbmond mensors who fied from the city to escape the dreft, has been recaptured and imprisoned in Cattle Thunder. CITY AND SUBURBAN. Exciting Chase of a Horse Thisf.

* Exciting Chase of a Horse Third. We have already noticed the larceny of a horse and baggy, beloging to Dr. Bolter. The prop-erty was taken from his clies door, on Riday forencen, the third driving deliberately into forencen, the third driving deliberately into gets towards Lawrenceville. Officer Wray arctipeanies, and proceeding cut through the toil Pram street, and proceeding cut through the toil prome hird a burgy and two of Jackens's fast-est nags, and started in pursuit. Officer Wray arctipeanies of the road, at Lawrenceville, they here of that the thief had gone on in the direc-tit no of sharphourg. The Chief and officer Lows or nlines of the road, at Lawrenceville, they here do that the thief had gone on in the direc-tit no of sharphourg. The Chief and officer Lows or nlines up the day read, thinking that the h is might have corrised the forry at Bharphourg, and taken a northers, and finding the noise on a fairse conther, and finding the melves on a fairse conthery early at long the drawn wincessfel in overhalding him in the vicinity of Twrite Greek. May strok at one for the Greens-turg pike. Wray was now considerably in ad-vance of them, but having a very fast taam they incosed of no verhalding him in the vicinity of Twrite Greek. Mayor Lowry had talegraphed to Twrite Greek. Mayor Lowry had talegraphed to the borse is a bisode animal the starses for overhanilog him rested officity with the doals. Wray's horse, although an excellent one, had to be heavy a load to continue at or zopid a pays, and Wray handed homewards, Isaling coulder-ably jied. The Ghief and officer Lows, with a pixek and pertineoity that which does them credit, deser-mized by the doals of the marking doalser.

ably isdad. The Ghief and officer Lowe, with a pluck and pertinectly that which does them credit, deter-mined to "run ali 'day." If necessary to over-take the bold scoundrel. On reaching Adamaburg, in Westmarsland 'county, six milles from Greensburg, they came up with the thist. He had put up as the travern of Michael the state of the lish borse, and was about renewing his joarney when the Chief of Police renewing his joarney when the Chief of Police nabled him in Waithour's stable. He had to fered the horse and buggy for sale, for \$180, but he was utpreted of having skeln the prop-etty. He stated that if he could have sold his "fig," he was differed of faving storn the pronist "fig," he was differed of the train for Philadelphia, and taken. the train for Philadelphia and taken. The train for Philadelphia and taken. The was to fast for him, and ha was captured with his booty. The distance which the offloer had driven was about twenty fore miles, and the time was a bout four hours. This, considering the state of the reads, and the time locing the state to fast show the state of driving. They left the sont ta wite of the two fidek they foldek they

of the ready, and the time to the role to that pie-burg, was a clever feat of driving. They left here about the o'clock, and at two o'clock they had the thief in cuttody. After resting and feed-ing their team, and getting some refreshmants for themselves, the officers returned jestimerely to the city, arriving have about midaight--their team being sound in wind and limb, and ready for a he such at any time.

DIRCHARGED.--Wm. Kain, sliss "Yorkey," 4 netorious Clincinnati plokpockat, who was ar restodabouta wask ago for "fingering" about th'oralirosd depost, was discharged by the Mayo s, day on condition that he would laive the di or has first train. He had robbed several par or has first train. He had robbed several par tics here, but being strangers and travelers they could not be delaized to prosecute. Press.-Mertin Conroy, a man of most violent temper, was fined fire dollars to-day, by Mayor Lowry, for interfering with Mr. Irwin; the Super-interdist of the mirket. He want directly to the market house, after being fined, and attacked the market constable, who had given testimony ageinst bin. For this he was again arcested, and fined two dollars. CONSTANT TURB for shoes, at 96 Federal street. GANTERS of all kinds, at 96 Federal street. Gant's fine dress bools, at 96 Federal street Digidized the chapest place to buy all kinds of boots and shoes, is at McClintock's, 96 Fed-eral street, Alleghany City. Faus Ksaur.-The yield of oabbage his soa-son is immense, and an unusually large amount of sour Kraut is being made for fature consump-tion. Kraut cutters may be seen almost daily on the storets, pussing from house to house, with the interface house and so the the sums.

hair cutting boxes under their arms.

Essympton Mathew Campbell, convicted of enling liquor on Sunday, was renteneed to day, in the Court of Quarter Sassions, to pay a Ana of thirty dollars, and undargo an imprisoment of thirty days in jail.

KEAP'S Pennsylvania Battery numbers abou 166 membars. Seventy five new man were re cently datalled to act as infantry. A popular sommand. PLEAD GUILTY .- James Shevils, of the Thir Ward, plead guilty to litegal liquor solitog, it the Cont of Quarter Sections, to-day, but th scatteres was postponed.

SPECIAL BOCAL NOTICES.

TROWAS W. PARRY, practical Biato Roofs, and dealer in American Biats, of various of lars. Office at Alexander Langhlin's, near the Water Works, Pittsburgh, Pa. Residence, No. 78 Pit-street. Orders prompily attended to. All work warranted water-proof. Repairing dons at the hortest noise. No charge for replirs, provided the roof is not abused after it is put on.

BELLING AT COST. We now offet our enlire stock of trimmings notions, small waves, & 2., at actual cost, say we intend quitting bariases. Now is the time for bargains. Moany & Huxsaur,
