Bherman, it is deemed best for public interest-not to public hintelligence: of military movements in Georgia. The Dispatch cors: Georgia exchanges fur-nishe as with very little intelligence: Governor Brown has issued a proclamation for calling canasse the whole free white male oppalation in the State between fifteen and sixty, for forty days. The fright in Miliedgeville when the eneury approched, was very great. Some members of the Legislature paid as high as a thousand doi-lars to be carried eigury miles. A letter was read in Columbus on Saturday, from Palmetto Point, on the West Point and La-rrange railroad, stating that Kilpatrick with 5,000 Yankees was advancing down the country by the Mabbana side of the Chattaochie, burning and degroying everything. The Broychag the other of the shad, the effect tha it was designed to have. If Sherman reaches the ocean, he will leave the whole country beilthed hims, from the ocean to the weat read bar of Albanas, clear of the canasy. The Broyen of Albanas is a file of the shad, the effect thas it was designed to have. nen. R

whole country being him, from the ocean to the weight loandary of Alabama, clear of tho enemy. The Enemy is again the march of Sherman has not been productive of any results whatever. Macon has, not been cantred, nor Augusta threatged. The last week he has not been able to advance ten miler. It is reported that he has been replaced and driven back wherever he has attempted to advance. His reported that he has been replaced and driven back wherever he has attempted to advance. His reported that he has been replaced and driven back wherever he has attempted to advance. His reported that he has paralslows and concentration on constitues his paralslows in the second of the second of the second miles from his array. Every hour constitues his paralslows in the second of the second of the second miles from his array. Every hour constitues his impossible to expectitue our constitues that impossible to expectitue our cores, without cripating important places, but new that his des-tination fails over, reasons that held our forces apart of heaver to floar of important results being recomplished before long, but it is of great im-portance that the earny should not know at what point fails and may be force to reach the coast and fails for the searces frain of the Galf coast and fails of which were as near frial points as any in the search, Augusta, West Point or Co-luming, all of which were as near frial points as any in the search are search relation to cap-ture any more of her citics. The ramor that the Central Rallroad had been extent. We may not sustain any physical injury, but

Covered with broken glasses in the morning; did not know with next day that any one had been shot. James Duffy testified that he was at the house when Mr. Newson came home from the meeting at Lawrenceville; Neeson and about twelve oth-ers went to the bar and drank; after drinking they all left but three; Mr. Neeson was about closing his boase when the car containing Ott and party arrived; they all went into the horiss and drank; Ott asked the party to drink, and at terrards declined paying; Little then caffied for order, got upon a chair and commenced making a speech; Neeson same from behind, the bar and asked Ott to pay for the drinks; when he again refused "io do so; a man in the room named. McCornick said that any man calling; Little said he would pay for the drinks; then he again Tague also offered to pay, but Neeson said they did not call for the drinks and should not pay. Frank McGorr then struck McCornick season by the ed him down; some person took Neeson by the fhroat, when the crowd caught McCornick, pulled him out of the house and beat him. Pat Tague also knocked. Waters down and beat him: saw Frank McCaiar throw a tumbler through tha windows; witnest then stepped lueck hito an alley, when the shois were fired; the flashes came from the direction of the bar-room door, Ott was in the house at the time of the fighting; did not see the pistol, air did not know who did the shooling. Resolved. That the Tre hereby instructed to report forthwith to this Council the number of six per cent, bonds, bear ing interact Incretely instructed to report forthwith to this Council the number of sis per cent. bonds, boar-ing interest, and also the number of bonds that are-baring four per cent. Interest: Adopted. S. C. non-concur, and lay on table. Mr. Hanna, from the Committee on Burreyrs, presented the report of the committee, embra-cing a resolution for the payment of the bill of Wim McHendry, Recording Regulator, amount-ing to 840, and also in favor of R. R. Ray, As-sistant Regulator, for the sum of \$28. Mr. Hanns offered the following resolution; Wilch was adopted: Recoived, That the Committee on Library be and they are hereby anthorized to have the book-cases of the Anderson Library removed to, the guilery of the center com in City Heal, and have the books placed therein forthwith. S. C. non-concur, and action deferred. An ordinance anthorizing to have fue book-times and finally passed. Non-concurred in by S. C., and referred to Street Committee. No further action in C. C. In the house at the time of the nghling; did not see the pistol, and did not know who did the shooting. Michael Fallon' testified that he came from Lawrenceville with Neeson on the night of the meeting; think. Neeson treated; another crowd came from the meeting and went into the house, and up to the bar; a man got upon a chait to make a speech; the fight then commenced; heard a man say, "Go in, Sixth ward boys;" after tighting a short time the crowd went out and commenced throwing as the house; heard the report of a pixel' outside, and got between the door and window; for protection; Neeson's wile fainted during the riot; did not see Neeson from the time I drank at the bar until his wife fainted; did not hnow any one was shot till Neeson was arrested by the police. There being no other witnesses present, the jury adjourned to meet on Monday aftermoon at two o'clock, when they will probably agree upon a verdlet: James Neeson, who is charged with doing the shooting, is still in jall, awaiting the result of the examination. The functed of Frank Oit took place yoster-day aftermoon, The family being in indigent circumstances, several charitable geneteren in-tersted housely as the his 'behalf, and in a few. hours raised over skity dollars, for them, which 'will reliver their present necessities. The do-ter as alows twenty years oid, and had terres of them of the site in fair the inter. rther action in C. C. On motion, adjourned.

ESTABLISHED IN 1783 Meeting of Allegheny Councils. The regular monthly meeting of Allegheny t ity Connells was held on Thursday croning,

Lity Councils was held on "Rurnitay evening, December 181, 1864. In Scient Council: Prescit, Messes, Atwon, Francis, Hopkins, Irwing, Knox, S. Riddle, Geo. R. Riddle, and Marshall, President. The uninutes of the previous meeting were read and approved. Mr. Francis offered a resolution instructing the Councilies on Innerving City Property Ligred.

It is valuable and important. It is c that in such a day of natio. It is valuable and important. It is c that in such a day of natio. It is valuable and Administration, n. there no mistake committed, but an end first dignity and importance is scenred. Hon. Win. Strong, of the Supreme Court of Pennyivania, addressed the Assembly.' He said. It might be incredible. If not publicly amounced that there is no express recognition of God in the Constitution. In the history of the country we find abundant reason why there should be such a recognition. Christianity has always been the common law of every Christian land. It has been the common law of this hund since its first colonization. It was the common law of Eng-land long before our futhers cafin here. They avowed that they brough it with them from their futue rand. Most of the charters under which the colonized was established in Virginia in 1660. The first act was to acknowledge God. It was only in 1690 that toleration was granted to alsenters in Virginia. The drast colony was that colony of Plymouth in 1620. They declared their object was to nd-vance the glory of God. They passed a law that none should vote at clections unless they were unments of the Church. The third colony was that colony of Plymouth in 1623. They accognized Christianity as the com-mon fuel of the support of the clari-tion of mod. The third colony was that colony of the support in the thirt england the province scene law. The third colony was that of Massachusetts in 1623. They accognized the same laws. In the thirt english states there was a ge-cognition of God. They charter of Maryland was granted in 1632. It declared that the common law of England was to the the aw of the province, Seven years after-wards, a series of Maryland was granted in 1 Through the second seco

Officers Resigning--Letter from Captain Winslow--Protest from the Hahia Mer-chants. Naw Yonk, Dec. 1.-An army letter to the Times says: Many officer are resigning on ac-count of the high costs of living. The officers and privates in some regiment have been com-plaining because they have not been paid punc-inally. In one regiment have been com-plaining because they have not been paid punc-inally. In one regiment have been paid for cleven mobils. At the Chamber of Commerce to-day a letter was read from Capti. Winslow, which closed by saying the destruction of the Alanam is a an overt that was of great importance in influencing our foreign relations at the present time, alade from the benefit derived of ridding the occan of a most detructive pers upon our commerce. A protest from the Baha, merchant concern-ing the Fourda ways upon our commerce. A protest from the Baha merchant concern-pointed, to commit the propriety of sending it beet.

At the back and at

an an the second se

xtent. We may not sustain any physical injury, but sur cause cannot excape the moral effect of Sher-nach's triumphani raid through the heart of the our cause cannot escape the inoral effect of shor-mak's strumphant raid through the heart of the Confederacy. The *Dispetch* are it was reported that Grant had sent off a considerable body of troops to co-operate with Shornham in Georgia, and ald that General in reaching and establishing a base on the Atlantic coast. We do not vouch for the rumor, but must say that there is nothing im-probable in it. Still we think it more likely that for ant is mustering this forces for an early demon-stration on Lee, than scattering them to ald Shorman. It is just as possible that Shorman's coming grief might not be disagreculat to him. That General has already acquired so much rido-ry as to become a dangerons rival as a candidate for the next Preddency. We may therefore, if the weather termile, expect an carly demonstra-tion on both our wings. The energy have considerable of a fact between built Gap and Bermuda Hindred, but like ves-les lately assembled in Hampton Roads and have not come up this far. Intelligence has been received through a source entitled to confidence, which lead us to infer that his like its intended and has solid for. Saranah, or souch arbor in that vicinity, to co-operate with Sherman, should dear officer succed in marehing his use through a Georgia. The *Ensurier* shys; Great results are anticired that no man should have a right (

was declared that no iman should have a right to an estate who did not acknowledge the being of God and that he should be worsalipped. In 1682, Whiliam Penn had the first law caact-ed for the government of the province of Penu-sylvania. It commences thus: "Whereas, the glory of God and the good of mankind are the ends of all governments, &ce." Rev. Dr. Goddard then addressed the Conven-tion. Adjourned with prayer and henediction by Rev. Dr. Junkin, muni the next morning at 10 o'clock. The Convention re-assembled on Wednesday morning at 10 o'clock. In the abserfee of the

The Convention re-assembled on Wednesday morning at 10 o'clock. In the absence of the President and Vice President, this Rev. Dr. Ed-wards was called to the chair. The Rev. Mr Schwartz, of Baltimore, led in prayer. On the suggestion of Dr. Junkin, the President read the 73d Pashn. Minites of last Convention were then read. Correspondence was then called for, and a number of communications from distin-guished persons in different parts of the country were read. A number of genitemen reported that auxilian-rics have been formed or were in progress of for-mation in their respective localities. The Revs. A. M. Milliana, McDonald, Smith (Episcopal); Dr. Dougias and others javing been called upon, made some remarks on the general subject and, its progress.

Georgia. The Logairer says: Great results are antici-pated from the present movements of Breckin-tidge. He is planning a grand campaign to re-deem Kentucky. In and come years. On motion the resolutions were then taken up, and her. Dr. Junkin delivered a lengthy ad-dress on the fallacy that "Religion has nothing to do with politics." Dr. Cooper agreed in the main with Dr. Jun-tio. New York Money and Stock Market.

New York Money and Stock Market. New York Money and Stock Market. New York, Dec. 1.—The market was taken by surprisedy a devolution of a loan of 20,000,000 of uber-twenty bonds. Bettreen Stol-Treasury and Bankers' office, riserly the whole amount had been taken at.105. One-half of the payments are to be made to-morrow, and the remainder in a few days. Government Stocks steady. Bank Shares dull. Coal Stocks strong, Rallroad Bonds quiet. Rallroad Shares somewhat de-presed by the prevailing suspenze. Goldopaned at an advanced offering this morning over the closing raid last evening. The favorable military news caused a decline of 3 per cent; aftewards there was a rally, and the ducline partially re-covered. The market has been quiet and anima-ted. The news from Thomas was prevented from depressing Gold extensively by a report of a reverse to Sherman. The parties claimed that the information came from a robel source. The Money and Foreigh Exchange-market presents no new features. Petroleum Stocks are in con-sidernible demand; The business to-night at Gallagher's Evening Stock Exchange was very Thill, Gold, 220; closing steady: File, 03%; Hutdon, 118; Reading, 1345; Michigan Central, Pitteburgh, 1104; Cloveland & Toledo, 1083; Hock Island, 105%; Oreven, 70; For Warne, 104; Ohig & Massissippi Central-Pitteburgh, 50%. the office and safe of the Adams' Express Com pany, at Grafton, were entered by means of false keys, and the safe robbed of most of its contents. is soon as this was know in Baltimore elegraph, with the promptness and energy which

As soon as this was know in Bailmore by telegraph, with the promptness and energy which is characteristic, of the Company, their Attorney Was (dispatched to this city, and on his arrival found that the money taken con-sisted of about \$250 and a package sail to con-tain \$13,000, sent by the company for one Ar-bur Resider from Wheeling to (firafion, and ad-dressed to bimself at the latter place. The agent thus Resider from Wheeling to (firafion, and ad-dressed to bimself at the latter place. The agent of the company soon came to the conclusion that this large package was begue, and that the rob-bery was part of a plan to defraud the company. Resley, though in Wheeling, made no personal de-mand for his package, but put his false claim. In-to the hands of one of the most respectable at-torneys, in our city, who called upon the attorney for the compuny soon the claim there points must be established to their satisfaction, viz : First, iss to the kind and decombination of the 'mony the package contained; second, as to where and from whom it was procured; and, third, prore by some disinterested; reliable person of persons that the sam of \$12,000 in good money was ac-tually put into the package and delivered to the company's agent. No attempt was made to fu-the the formation until about the 1st of Oc-tober, which only served to demonstrate the correctness of the conclusion arrived at by the concord, that Resley's package was bogue, and that the robbery was part of the plan to defraud, and that it was committed by thim or his account plices. On the ulght of the 5th of Detober, the office and and that it was committed by the company and the the state bed of a package for the plan to defraud, and that it was committed by the company and the state of the company. The plan of the plan to defraud, and that it was committed by the company the state of the end of a package know the contain \$15,000 in

plices. On the uight of the 5th of Detober, the office and safe at Grafton were again entered and rob-bed of a package known to contain \$15,000 in \$20 metes of the First National Bank of Plits-burgh, a new issue, had some \$500 in other pack-ages and losse money. The Company immedi-alely after the first robbery, had given orders not to use the same safe again, which in consequence of the B. & O. R. Ri being cut, they could not re-place. Bait through a pure infounderstanding or accident, one of the emplayees put this large package and other money into the safe on the inght of the robbery—the agent at Grafton being at that time in Baitimore on business. As soon as the company man hoferned of the second robbery, by telegraph, Allan Fickerton, the chief of the National Detective Agency, (whose headquarters are at Chicago,) the most reliable and akilful detector of crime in this country, who has for years past been employed by the Express Company with invirable anceess in the detection of the various heavy robberies committed upon them, took charge of the mat-ter, and, as using, soon recovered the many; and appreheaded very one connected in any way with the object, and, on Tuesday, Realey, Ab-ner Marks and Charles Mercelith were commit-

2013;; Cumberland, 40%; Quickallver, S6%; Mar-lpoin, 30%.
New Your, Dec. 1.—The Herald has the fol-lowing special : Western Tenneser, Dec. 1st, 9 20, F. M.— About noon on Wednesday our main army reached Franklin, when General Schofield pre-paret to give the enomy battle. There was very little aktruishing as Hood's object was to attack the before we had time to throw up defensive works. About four o'clodk the enemy's com-mand advanced on jour littles, when the ball was opened by our battoriers, shelling their advance. Soon after the regular cannosding open d along out whole line. The robits who had been protected by bon.ds. now emerged from their cover and opened, with fleren musketry along titler lines, and then charged. For a moment protected by bon.ds. now omerged from their over and opened, with fleren musketry along titler lines, and then charged. For a moment goar line during of the origin of a start and abandoned the line of our yorks. The ro-bels, now fighting to desperation and charging our line furitury mower them during when our men, inspired with use is now valence, in the wither during to the center, when our men, inspired with use costs, gave a wild huzza, and swept them baok like an avalanche, in the wilder disorder and confusion. E-Night was the success, gave a wild huzza, and swept them baok like an avalanche, in the wilder disorder and confusion.
Evingth ow set in, yot wo followed up our ad-vantage what once threatened to be in disas-trom defast was turned into agorious victory. The courage of our offleers, and the desperato oravery of our men was unexampled. Our laws we 100 in killed and wounded. We captured over 1000 prisoners and eight battle flages. Two rebel Brigadler Generals are in our hands.

Jneob H. Walter, Esq., the Prothonotary elect, mually entered upon the duties of his new posion vesterday. His commission was rea

hours raised over sixty gonars, for uncar, while and we there present necessities. The du-ceased was about twenty years old, and had served a term. I three years in the army. Itis step-father, who was also a solder, had his right foot shot off during a recent engagement.

A New Stock Firm.

formally enjerce upon the anner of us new poss-tion yesterday. His commission was read, in order court on Wednesday, and the oath of officer was duly administer d'by Hon. Mosce Hampion. Tresident Judge of the District Court." Mr. Waiter is possessed of the requisite qualifications for making an excellent, officer, and enters upon the discharge of his duties under very favorable nuspices. He served one year in the office as a clerk under Mr. D. i Armstrong's administration," and the duties are not new to h'm. During the past three years he in filled, with great accept-ance, the position of clerk/otho County Commis-sioners, and in that, expacity he made hosts of friends. He designs giving his presond atten-tion to the duties of the Prothoo caryfhip, but will retain, as principal clerk, Mr. B. C. Hais, a gentleman whose large experience and excellent husbases, athality, and strict attentian to busi-ness, and hence we hazard nothing in saying that he will discharge the reperised for his politeness, athality, and strict attention to busi-ness, and hence we hazard nothing in saying that he will discharge the reperised for his politeness, athold how and strict is with honor to himself, and to the entire satisfaction of A New Stock Firm. We direct attontion to the card of Messrs, Thomas Steel and John D. Balley, who have as-sociated themserse logether for the purchase and sale of stock, real estate, etc., and have opened an office in Wilking Hall, Fourth street. These gentlemen are bothso well and, favorably known to our readers, that they need no word of com-mendation from us. The business which they have undertaken is a most responsible one, requiring promptness, enorgy, and naworving integrity-and all of these reachibites they possess in an eminent degree. Enjoying a large business acquahitance, and the confidence and stoem of their follow citizens, they will doubless soon build up a large and profitable business. Fer-sons having stock or real estate for sale, can-not place them in sofer or more reliable funds. We wish the new firm abundant success. he public. La Rue's Exhibitions. La Rue's Great War Show is attracting over

ber, has been received and is for sale bp.W. A. ... Gildenfenny, 45 Fifth street.

La Rue's Great War Show is attracting over-flowing andiences ito Masonie Hall, and wo are not surprised at this, for it is one of the most pleasing and entertaining exhibitions ever gotten up. The great attraction consists in the noreity of introducing moveship figures to represent bat-tles, charges, naval actions, etc., giving the scenes a most natural and thrilling; life like ap-pearance. The conicalities of Mr. La Rue form a most pheasing feature of the entertainent. We may state that an afternoon exhibition will be given on Saturday, for the accommodation of women and childray. Does open at two, per-formance to commence at three o'clock. LYTLE-On Thursday morning, at 9% o'clook, ROBERT ALEXARDER, youngest son of Alex-nder and Elizabeth Lytle, aged 2 years and son Funeral on Farpay Arranyoox, at 3% o'clock, mon the radiations of the paperty Backs inder and Edization Lyrue, how a years now a more Funeral on FRIDAY (AFRENKON, at 3) obtoit, from the residence of his parents, Poplar aller, near Washington street. The friends of the family are respectfully invited to attend."

formance to commence at three o'clock. Phorrysson Minika's Extra traverset, -The entertainment given by Prof. Millar, has to rem-ing, at Concert Hall, for the benefit of St. Vin-cent do Paul Society, was well attended. A pleasing feature of the evening was a perform-anes, who had kindly volunteered his services for the creasion. The Professor was loudly en-cored, and responded by Gyoring the audience with a beautiful *fantasis*. Ills performances oil-cited the warmest apprinues, which was described, as he is one of the nost encerestful teachers in the city and a composer of no ordinary ability. Any of one dilzena wishing to secure his services as a teacher can consult illm at his residence, No. 251 Penn street. BOOKS AT AUCTION.
