A stated quarterly communication of the Grand Lodge of Free and Accepted Masons of the State of Pennsylvania was held on Monday evening in Philadelphia, when the following named officers were elected:

W., Brother Robert A. Lamberton, R. W. J. W.; Brother Peter Williamson, R. W. G. T., Brother W. H. Adams, R. W. G. S. Trustees of Grand Lodge Charity Fund—Brothers Jos. S. Wray, Wm. F. Black, A. S. Macpherson, Jacob Adenslager, George Griscom. Trustees of the Grand Bequest—Brothers Samuel H. Perkins, John Robinson, David Boyd, David Jayne, M.D., George Thomson. Trustees of Masonic Hall—Brothers Wm. Badger, Jas. Shields, Wm. Yeager, Alex. Kirkpatrick, John U. Giller.

Return of an Escaped Prisoner.

Joseph Allen, Serg't Major of the 100th Regiment (Roundheads) arrived at his father's residence, in Elizabeth township, on Thursday last, much to the surprise of his parents and neighbors. Mr. Allen was captured with others of his regiment, at the springing of the "mine" in front of Petersburg, last summer, and taken to Danville, N. C. The rebels had drafted the most able-bodied prisoners to chop timber for their fortifications, which the Yankee boys did not relish very well, and concluded to make a "strike" for Liberty. One morning, as they were going out to the timber, they overpowered the guard and escaped. Allen says about one hundred and ninety made the attempt, but he cannot tell how many succeeded. Nine others came in with him, via Knoxville. Maj. Leasure is among the number who made the attempt, who has not been heard from since.

Allegheny Gymnastic Association.

At a meeting of the members and friends of this Association, held on the 2d inst., Mr. Whistler was called to the chair, and A. M. Cameron elected Secretary. On motion of Mr. Davis, it was resolved to keep the Gymnasium open permanently. On motion of Mr. Elson, a committee of five was appointed, to ascertain the number of young men who are willing to join the Association. The committee consists of A. M. Cameron, H. K. Davis, W. H. Lockhart, J. Myers, and A. B. Cameron. The members adjourned to meet on Thursday evening, the 8th inst., to hear the report of the committee on new members, and to hold an election for a Board of Managers.

Hermaphrodite.—If all we hear of the curative qualities of this medicine be true, and we have no reason to doubt, it will become very popular. We are told by good authority, that it is a specific for all diseases of the blood, (the word means "blood poisons.") Scrofula, Cancer, and the worst cases of skin diseases, rapidly yield to it; besides, it is said to be a most agreeable and invigorating tonic, very beneficial to delicate females. It may not be considered what is generally termed a patent medicine, as a list of its ingredients of which it is composed, is given elsewhere; and such a combination of valuable medical agents has not, we think, hitherto been embodied in one particular medicine, which of course accounts for its success in the treatment of cases for which it is designed. Johnson, at the corner of Smithfield and Fourth sts., has it for sale.

Attempt to Rob the Steubenville Bank.—On Friday night last, an attempt was made to rob the Jefferson Branch Bank of Steubenville. The parties who made the attempt, bored out a panel in the front door. They also bored some four or five auger holes through the outer part of the door, but were unable to penetrate the inside facing, which is of heavy wrought iron. The thieves had gotten inside of the Bank, they could still have had the most difficult part of their work to perform; as the funds of the Bank are in one of the best vaults in the State, and a safe of the most approved patent in the country, impervious alike to powder and files.

Girl Lost.—The Philadelphia Press, of Tuesday, says: Anna Keller, a girl of sixteen, who had come from Pittsburgh, and has been in the city about a week, got lost on Sunday, and is now at No. 402 Cherry street. Anna left Pittsburgh in company with a Mrs. Durbin, and during her stay here has been stopping with a friend named Mrs. Brown, who lives somewhere in Ninth street, but where the unfortunate girl cannot tell.

Attempted Burglary.—On Friday night an unsuccessful attempt was made to force an entrance into the Jefferson Branch Bank, in Steubenville. The rascals undertook to bore out a panel in the front door, but were unable to penetrate the inside facing, which is of heavy wrought iron. On Saturday a suspicious character half-drunk from Beaver county, was arrested while emerging from a cellar on Market street. On his person were found watches, false keys and a revolver. He was committed to prison.

The Old Franklin Almanac.—This useful Calendar for 1865 has just been issued and can be obtained at the book and periodical depot of S. A. Gildenfenny, 45 Fifth street, near Wood; contains a large variety of statistical and general information, and can be had at the low price of twenty cents per copy.

CORRECTION OF ENROLLMENT—2D DISTRICT, PENN'A.
In order to secure the assistance and co-operation of the people in the endeavor to keep the Enrollment Lists correctly correct, the Enrolling Board has been directed to furnish copies of said list kept open to examination of the public at all times, and shall give public notice, that any person may appear before the Board and have any name stricken of the list, if he can show to the satisfaction of the Board that the person named is not properly enrolled, on account of
1st. ALLEGIANCE,
2d. NON-RESIDENCE;
3d. OVER AGE;
4th. PERMANENT PHYSICAL DISABILITY, of such a degree as to make the person not a proper subject for enrollment under the laws and regulations.
5th. HAVING SERVED, in the military or naval service, TWO YEARS during the present war, and been honorably discharged.
All officers, clergymen, and all prominent citizens are especially invited to appear at all times before the Board, to point out errors in the lists and to give other information in their possession as may aid in the correction and revision thereof.
They should understand that it is plainly for the interest of each sub-district to have stricken from the list all names improperly enrolled, because an excess of names increases the quota called for from such sub-district; and that it is equally for the interest of each person enrolled in the given sub-district to appear upon the list, as all persons in the sub-district liable to do military service because the greater the number to be drawn from, the less the chance that any particular individual will be drawn.
It is the personal interest of every enrolled man that the quota in which he is conscribed shall not be made too large, and that his own chances for draft shall not be unjustly increased; both these objects will be obtained, if all parties will aid in striking off the wrong names and putting in the right ones.
Especially is this the interest of those drafted men who, by putting in substitutes themselves liable to draft, have secured exemption, which by the terms of the law holds good only until the present enrollment is exhausted in their sub-district.
Men who are over 45 years of age, and in consequence excused by law from the performance of duty in the field, owe it to the cause and to the country to take a zealous and active part in the correction of the enrollment lists, a military service of the first importance. The law requires that the quota shall be assigned in proportion to the enrollment, and the fairness and justice of this mode of determining the amount of military service due from each and every section of the country, cannot be doubted, if the enrollment is made as nearly perfect as it is practicable to make it.
The amount of service due to the nation from every town, county and State laid plainly and fairly before the citizens, and it is expected that a higher motive than a selfish interest will prompt all to do their share in perfecting the enrollment, and securing a just and efficient execution of the laws for raising troops, whenever it becomes necessary to apply them.
