The Littsburgh Gazette. DAILY REVIEW OF PITTSBURGH MARKETS. MARKETS.

With general markets were quiet and inactive, to-day, owing, partially, to the unpleasant condition of the weather, but zore especially to the marked decline in gold, which for the time being, has checked anything like a speculative feeling. So far, however, as prices are concerned, there has been no remarkable change.

HOGS.—The soft wet weather of the last two or three days, has softened the Hog market, somewhat, and while there has, as yet, been no market decline in prices, the demand has falles off and buyers are holding off in anticipation of lower rates.
