No. 19 IRWIN STREET, for them. I used to buy and take whatover could hear of or read of in circulars and pamphlets that here of or read of in circulars and pamphies that, fell in my way, but I could not et cured: some-limes they would do mesome good for a little while, ut afterwards they would return again as bad as ever. I also applied to two Dectors, who visited me atmy house and gave me some medjeme, but it would not do, I could not get wall. Over a year ago I get an advertiement of your Lindsey's Blood Searcher, made by yourgelf. When you sold if to me you told me one bottle would not cure me, and that my whole system would have to be renewed by the medictne before I got well. I hought one hottle and took it home with me, and used it according to your directions. I then called to see you agin when you sentirely well of the Plies, which had tortured me for twenty years. In other respects my health is improved, and I fam a well as could be expected for one of my age, being sixty years past. I have heen well now for six months, had there is no appearance of the return of the disease. I can do any kind of farming now without work he Plies coming down and hurting me. I can pitch hay, hop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood Scarcher I heyt on taking it until 1 got en-tirely well. I consider it my duty to make my exec kr own to the country for the benefit-of others who may be suffering as 1 was, and do not know the value of your medicine. The Childge Tribune of Wednesday asys: The year spraw with an active speculative de-mapid far provisions and a brick inquiry for moner, which foods was but measerly -responded to on the past of the bankers, who are unwilling. with therresent surply of currency. to extend their discount like. There is, however, mochange in the rate of discount, which will rules as 10 % cmt % anaum. Provision and Highwine operators, how-ary market, and it checkied the upward tendney in prices today very materially. hey market, and it checked the upward tendency in pices to day very materially. The New Yesk papers generally quoke the mangy market as "light," and complain of the Secretary of the Treasury for having caused the stringenzy. We do not her very string caused the stringenzy wherein the searcity of money can be laid at the door of Mr. Fresenden, but if the would permit us to salvise him we would suggest that the very best thing the can do is to reader our ready least the door of Mr. Fresenden, but if the would permit us to salvise him we would suggest that the very best thing the can do is to reader our ready least the sex-penses are greatly reduced, and that he will need for the support of the war only about one-half of what he new requires. We think we can already see the operation of this stringency in the failing of the prices of several of the most important arti-ples, and a faw turns of the serve in that direction will speedily bring prices to something near what har going to be. And respondent writes that there a number A desirespondent wittes that there a number of oil companies professing to hall from Pennsyl-wanle shat ans organiced under Néw York chariters, and make if we do not think the subject worthy the attention of our Legislature. We certainly do Goopanies that are organized under the laws of our own State are responsible to it, and are dollged to pay taxes of different kinds in addition to the erdinary tax on their lands. Is the case of companies organized under the laws of New York there is no responsibility, and the cubject is there for emponito in the strength of the attention of the members of the Legislature.--Phile Nuce. CENTRAL LIVE STOCK MARKET. Reported Exclusively for the Pittsburgh Gazette East Linzart, Jan 5, 1565 UATTTE-There has teally been no new for UATTIE.—These has teally been no new for-ture is the market for Cattle at these yards during the past week worthy of special notice. There has been a continued fair shipping demand for good to prime cattle, and, as the supply of this particular grade was light, the market 'ruled' form and prices were fully sustained. Common and inferior grades, as usual, were dull and neglected, and holders in order to thete sales at all, were compelled to ac-cept low figures, say from 4 to 8 cents, gross. There serve quiles a number of Lastern's byers in attendance, yesterlay and to-day, but the kind of oattle they, wanted were hold at figures samerhist above there rivers, and, so has a we could learn. "I've bought but comparatively few." Nice smooth is dow, do per sure, prose. The following is a par-tial report of some of the sales?" "Wm. Hole wholesaled without of and of fairly futued at who was the sale of the sales?" Wm. Rels Wholesaled Sheed of fairful treating Peter Kieman wholesaled Sheed of commonish inhastook werarging 500 lbs, 85 35. R. O. Orum sold 19 head of reugh common stock A whint is herd of heary Ohio steen, averaging 140 also steen and the serve of the serve of the D. S. Williams fold to McArdle & Co.21 head of common cows and common she head of the N. Fletcher sold 19 head of common gov-ernment stock at with the ad 11 head of "scalawars" 14 Williams a Pitcher sold 18 head of "scalawars" stock at the serve of the serve of the serve of the serve the serve of the serve of the serve of the serve of the serve the serve of the serve of the serve of the serve of the serve the serve of the serve ernmest stock at %, TG; and 17 head 07 "scalawags" Hoom-There has been a dedided improvement in the Biog France inse our last report, and, with larg-er transactions, pricer have advanced Ton demand, Rive to fifty could per unit, ad almost entirely to the weaking the stock of the stock of the stock weaking the stock of the stock of the stock as the stock of the stock as the stock of the stock 1200 do do 1200 do Patridge 1200 do do P
