H. Krysen: I became afflicted with Plies about twenty years ago, and every year the write growing worse, so as to trouble me very much so much so at times as to unit me for work. Some So much soat times as to unit me tor work. come times I was so bad that I could not do anything on account of them; they came out on me as large as hickory but. I had tried a great deal of medicine for them. I used to buy and take whatever could hear of or read of in circulars and pamphlets that fell in my way, but J could not et sured; some-times they would do merome good for a little while, ut afterwards they would return again as bad as ever. I also applied to two Dectors, who visited me atmy house and gave me some medicine, but it would not do, I could not get well. Over a year sqo I got an advertisement of your Lindsey's Risod Scarcher, made by yourself. When you sold it to me you told mo one bottle would not cure me, and that my whole system would have to be renewed by the needleine before I got well. I bought one bottle when you sold I cound not expert medit according it your directions. I then called to see you again when you sold I cound not expert much benedit from one bottle. I bought it, one bottle as a time, unti mes I was so had that I could not do anything ( at Erie Express when yousaid I could not expect much benefit from ogo bottle. I bought it, one bottle at a time, until I had used five bottles. After this quantity was used, I was entirwiy well of the Piles, which had tortured me for iwenty gears. In other respects my health is improved, and I am as well as could be expected for one or my asg, boing aixty years past. I have boen well now for aix months, and there is no appearance of the return of the disease. I can do any kind of farming now without work he Piles coming down and hurting me. I can pileb hay, chop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood Searcher I kept on taking it until I got en-tirely well. I consider it my duty to fanke my case known to the country for the benefit of others who may be suffering as was, and do not know the value of your medicine. You may publish this if you like. I live in Wilkins township, and will be placed to satisfy any one of the truth of this cer one bottle. I bought it, one bottle at a time, unt pleased to satisfy any one of the truth of this cer ificate if they wish to call on me. ELLIOTT DAVIS. December 24th, 1864. AT Look out for the name of Dr. GEORGE H KEYSER on the cover of the bottle, and paste over the covic; also for his stamp on the United States stamp on the top of the bottle, to preven being imposed upon by a spurious article which a in the market. The second secon Sold by the Preprieter, No. 149 WOUD ST and by SIMON JOINSTON, corner of Fourth an Smithfield streets, Pittsburga. HERNIA OR RUPTURE. SHIPPLYG. O'NEILL'S

The official report of the proceedings of the Na-tional Bank Convention, heid in New York on the 19th of October last, has just been published. The practical sharaster of the suggestions material this the suggestion of the suggestions and states the suggestion of the sugg important meeting, may be inferred from the fol lowing remarks of Mr. E. B. Judson, a banker o large experience and President of the Genera

70.066 last ses

large experience and Preniest of the vertex-"I would sepecially urge the importance of keep-ing the National Banks in a strong condition. Any of them can earn large dividend, ecough to satisfy may reasonable stockholder, and if they compiled stock they could not very say given and the stream took they could not very say given and a say do-mask apon them. The Comptroller of the Our-reary the from time to time given us many value-banker, and i know of no man in the country at the first and the stream of a stream of the first banker, and i know of no man in the country at the of the stream of the stream of the stream at the other stream of the stream of the stream is one stream of the stream marking than the Hon fitting the good and ad-tice in harking than the Hon fitting - M'Cullough, and the stream of the stream of the stream regard to putting out an excess of circulation. While at the stream of the stock the year on any found the stream of the stock while at the stock of the stock of the stock of the stock while at the stock of the stock him in the position he now occupies. Another point to which I wish to call your sitention is in regard to putting out an excess of circulation. While at this lime it does not give you any irouble took sher it is a none is presented for iredemp-lient, you will be returned handle time will come in any localities the paper you may discontrate. It many localities the paper you may discontrate the prevent is the returned handle any local to the borrower, and thereby hive you any iredemp-tion of your will be the point whence you re-emption of your bills at the point whence you re-emption of your bills at the point whence you re-emption of your bills at the point whence you re-emption of your bills at the point whence you re-emption of your bills at the point whence you re-emption of your bills at the point whence you re-emption of your bills at the point whence you re-emption of your bills the point whence you re-emption of your bills the point whence you re-emption of the system of basking that we are adopting is destined, in my judgment, to become the They an output the the State Banks mange. Whany of them, and very jusity, too, have a pride in keeping up the name under which they have been is or unceasiful and galacd such a wide-ported, reputation; but under the iste act that is obviated, and they can retain the old name. If de-the act under which we are organized, the your a-our fails new system, let un try fail the up strictly to the set under which we are organized that in our re-comptroller of the Our renorm at the point where our-ours to be the the two returns in the point where our-stand the bill the surver fund, that allow our ac-mand anough the will at once give us another the state and they can take cane of our circulation.

Sumber bevos packed, footaup 22,439 head, against 70,050 last season. Wilk regard to the pork packing, the great fall-ing if of 154,631 head, is entrely due to the great forcrease in the crop. There are two reasons for his : thus failure of the corn stop of 1554, and the rest of the crop. There are two reasons for his : thus failure of the corn stop of 1554, and the reason of the crop. There are two reasons for his is thus failure of the corn stop of 1554, and the reason of the corn. There are two reasons for his on the corner of the stop of the corner of the compaled to fatten their was the fail of 1554. The contexpuence of the farst was, the fail of 1554 market, were scale of the stop of the season's market, were scale of all standard and Feb-mout that he interme colds of ast January and Feb-mout that he interme colds of ast January and Feb-mout that he interme colds of ast January and Feb-mout that he interme colds of ast January and Feb-mout that he stop has failen off greatly at interior points, and many country blaces, which heat year packed 1000 hors, have packed none this season. This may be attributed to the high prices provide less and thus receips here have been growing less and thus the stop here industre been forwing the season has therefore closed some aix weeks earlier than last year; hence a comparison between the receips of this year and last, is not a fair one. The this pack is was a large decrease, as they asturally must, when compared with less and fair the prices prise of the year and last, is not a fair one. The this pack is was a large decrease, as they asturally must, when compared with start and fair parts and setter for the youthul com-petitor, and as the great western pracing start disanced ace, succeeding year.

GOODALE'S

CATARRH REMEDY

It penetrates to the very seat of this terrible dis-case, and exterminates it, root and branch, forever, Dr. GOODALLK is the first anti-only when the ever told the world what Ustarrh really way, where it commenced, and what world erres it. Dr. GOODALLK has spent a lifetime in battle with this fold discase, exploring life secret ambuah and making known to the world the fact the Gaz errh, which has for years deficit the scill o a s-search of medical men and authors in this ceuntry and in Europe, can also be cured, with this as and disform certainty that morning follows alght. Thousands, who tried every known cure in vain have been permanently cured by Dr. GOODALES OATARTR HEBIEDY, and now praise it in the most curtavagant terms of praise.

Ap-Call at our nesrest agency, or send a stamp for a pamphlet: Devised and prepared by H. GOODALE, M. D., New York.
