The energy a'mit that they capnot hold it. I be same special args: The Ways and Means Committee to duy decided definitely in regard to the tax on the manufactured article as is now i, 20e per gailon. Segars are to be taxed by the pound and 1 ot by the thousand. Tobacco is not to be taxed in leaf. From General Thomas' Army.

From General Thomas Army, Naw Yonk, Feb. 4.—The Ilreal's dispatches from Eastport, on the 25th ult., represent the troope of General Thomas' army, both cavely, and highty, as factly located, and in excellent condition, and impatient for another advance movement. Rebel deserters there, as in every other region where the national solders are stationed, are constantly roming into the Union lines.

Peace Talk in Washington.

Active description of the case in every other region, where the national soliders are stationed, are constantly coming into the Union lines. " General Thomas' commissary have: to feed large numbers of the hubblants of the country, as the guerrillas have destroyed or carried off the greater portion of their provisions. Peace Talk in Washington. New Yors, Feb. 4.—The *Hardal's* Washing-ton special describes the peacerumor as absorb-ing all the public luterest. It gays a grad change has taken place to the tone of the peace Domo-erats in Corgress. Heretofore they have scont-ed the idea that the robds would negotiste upon any other basis than recognition to-day they yas they have been mistaken and that there is a good prospect of a settlement without recogni-tion and without further fighting. Military operations are not d, hyed or relaxed but are be-ing and may will do it without norsiasonable eru unceerful urgans full to secure peace the srug and may will do it without norsiasonable crusterestary delay. It is well known that deructory Sfiniton has heretofore not only bean From California and South America. NEW YORK, Feb. 5.-The steamer Costa Rica, om Aspinwali, Jan. 20th, brings \$653,413 in Forcie. Gin. Sick'et, who artived at Panama on the 22d, was expected to proceed in a couple of works to Porcia and afterwards to Lina and cla where on the coast. It is said the General may liver light of the articla legations and con-sulates in that direction.

Servicy Sfinion has heretolare not only been stragg opposed to a negotiation with the rabas on any basis other than an uncoaffitional sub-nission, but has had no fuith in the possibility of obtaining a settlement upon any admissable terms at present. To-day, in conversation with an exametaber of Congress, he conveyed the idea that there was a probability of an early and amkable termination of the war. Another dispatch says that the climax in peace regotiations is at hand. Davis has made a temporry alliance with Gen. Lee, but fears that the fight open him (Davis) at Rich-mond will soon force Lee to break loose; he is therefore determined to agree apon terms at once to save himself.

Galena and N. W. Railroads Consolidated. CHICAGO, Feb. 4.—The bill approving the con-solidation of the Guiens and N. W. railroads passed the Illinois Senate yesterday.

The Canadian Alien Bill. Tonorro, C. W., Feb. 4.—The alien-bill pass-d the Upper House last night, and will receive he Governor's sanction on Monday.
