The War Between Brazil and a Paraguay Begun.

A SUPPOSED REBEL PRIVATEER AT MONTEVIEDD.

NEW YORK, Feb. 6 .- The Herald's Buenos Aryce correspondent says : Paraguay, as an ally of Urugusy, has declared war against Brazil, who has as allies the Uruguayan rebels and the revolutionist Flores. Eight thousand Brazilians and an equal number of Paraguayans had marchcd into the territory of Uruguay and fighting was imminent. The town of Paysahder, Uruguay, reduced to a heap of rains by a Brazil had been reduced to a heap of ruins by a Brazil-ian maral force, and the rebels under Flores, but at last accounts its brave garison still held out, and reisforcements were hurying to their relisf. Rat Bland, at the month of the La Flatteriver, which commands the town of Monteridoo, had-been stirt by the forces of the King of Haly, under claim of the lease of it for ten years. A magnation at Buctos Ayres trained on the Sib of December, by which ione hundred and thirty soldiers were kind and wonnded. A spart Hild statemer, called the Ranger was

XXAVIIth CONGRESS-SECOND SESSION. Amendment to the Enrollment Act.

WASHINGTON CITY, Feb. 6, 1864.

SENATE. Mr. Wilson, from the Military Committee, 're-ported a bill entitled an act for the benent of army officers in the field. It provides that from and after the first of March, 1805, and during the continuance of the present rebellion, the NEW YORK, Jan. 6 .- The Times' Washington special says': Mr. Seward reached Fortreas Monroc in advance of steaser. Stephens, Hunter and,

the continuence of the pream rebellion, the commutation price of officers' substatence shall be fifty cents per ration, provided, that said in-crease shall not apply to the commutation price of the rations of any officer above the rank of Brevel Brigadier General or any officer mittled to commutation for fact or quarters. It relieves all army officer above the payment of the income tax, and grants to all officers and to commutation for fact or quarters. The latter who shall continue in the military service to the class of the war, upon being mus-tered out, of the service, three, monthly pay. This latter privision shall not apply to officers not ch divy, nor to officers around the main abouted, calling upon the President for informa-tion as whether any permits to trade in con-tion is to whether any to information and the sail the state of the starters. Mir, Confiner officer are solution, which was fadpied, calling upon the President for informa-tion as to whether any the state in con-ton is the second a resolution, which was read of dury last, and it so, what has been the nature of the wait has they were gran-ted, de. Mr. Summer officed a resolution calling on the Campbell. Upon the arrival of these gentlemen they were at once invited to an interview, and informed Mr. Seward of their desire to proc

erthey were paid for, by what influence, they werebthemed, under what hav they were gran-ted, &c. Mr. Summer offered a resolution calling on the President for information relative to the late because mission. Mr. Sausbury objected to the resolution and it lies over unit to incorrow. The amendments to the enrollment bill were taken up. The section prescribing the measures in which the Bate and local boundies shall be paid was atticken out. Mr. Wilson called up the full is relation to the enrollment, as reported by the Millsary Commit-ter, which is as follows: That from and after the paisage of this act, any person enrolled and tha-ble to be drafted may be accepted as a substitute for a drafted person, and such drafted person shall be exempt from service for such a sine as the substitute shall be held to service under the terms of this end such drafted person shall be exempt from service for such a time as the substitute shall be held to service under the terms of ming millitary to perform the same on ad-count of furnishing a substitute for the nary, where the substitute is presented in period to the Sound of Enrollment, in which the princt-pet is currolled, and is accepted by ead Board of Froffunent.

the Soard of Enrollment, in which the princi-pail is chrolled, and is accepted by said Board of Fit railment. Sty. 3. And 4° it further enacted, That any re-cratifug agent, substitute broker, or other par-ten who shall enlist or cause to be enlisted as a visiticer or substitute, any insane person, or person in a condition of intoxication, or a desort-er from the military or narral service, knowing im to be such, or who shall defraud or deprive any rolumeer or substitute of any portion of the State, local, or United States boardy to Mileh. Is invy be enkiled, shall, upon convictor by any ceut martial or military commission, be duel, net acceding \$1,000, or imprisoned, not exceed-ing two scars, or both, at the discretion of such court martial or military commission. Sifer, 4. And be 4: further, enseted, That any or invise service of instane person, or persons in a coudition of intexication, knowing lim to or web shall, upon conviction by any court martial or military commission, be desing in couldition of intexication, knowing lim to or not shall, upon conviction by any court martial or military commission, be dishonura-tiy dhumkeed from the scrice of the United Brates.

upoi every other matter they would be treated with the umost likerality, but without stat re-evention the war must and would go on. All the conversation which took blace between the respective parties came back to and turned upon this radical and irreconcluble difference. Neither side could be wrerred a his's-breath from its position, and therefood the aitempt at necotiation was an utre failure. Upon separating; it was distinctly understood and explicitly stated that the attinde of each government was to be precisely as it would have been if this hierview had more failen place. The Cablest received these explanations as tomplete and sailsactory and the facility was ignoninous and earnest that the routinity must now arounse itself to renewed efforts, and pre-part to make fresh sacrifices in the defonce of the lowerthant. As you know the source of this depitch. I are do the fresh sacrific of the district, itself is understood that M's emendow will be predicted. I believe the Yow York. morr says : It is now clear enough that the war must go on with renewed energy. There can be no a rene new for holding back men and money. We almost speak by anthonity, when we state hat the rebel leaders who attended the rece nce declared that civil war would fullo in the South were the proposition of a return to the Union submitted to the people. Now this statement is either a wanton misrepresentation or it means that there is a formidable Union sen in the Southern States ready to take u

arms for the old flag; for certainly we can suppose that these men meant by such a doclar tion, that they would be glid to bazard the pro regition for reunion if they were not fearful that the uppopularity of such a step might lead to a revolt against themselves. New Yone, Feb. 6.-The Commercial Alver

New Yons, Feb. 6.—The Commercial Alter-titer's Washington epocial says it is confidently assorted table the fieldent, will issue a procla-mation actiling forth the result of the Peace No-gritations and calling upon the people to fill up the ranks of the armies and assist is closing the wire by overwhelming military operations: The Ital's Washington special says the new lax bill reported to the House this menting im-poses an income tar of 10 per cent. on all anoments erceeding three thousand dollars per year; on cude perholenm six cents per gallon; closes thiy cent per pound; manufactured to-bucco forty.cents. The present rate of faration our manufactured goods is increased twenty per cent. A section taxing all acies is reported but its relogion is not recommended. No tax is laid upon State bank circulation.

FROM CAIRO AND.BELOW. Evacuation of Mebile Confirmed;

THE STEAMER ARAGO BURNED

CAIRO, Feb. 6.-Thesimmer Mollie Able for New Orleans, on the Sist, arrived with a large quantity of sugar and molasses. The steam

Continental and Morning Star, from New York, had arrived at New Orleans.

Cut intents and motion of sets, from new lock, had arrived at New Joins. The reported eracuation of Mobile has been confirmed. Tae Tense says: Information, an-doubted from twelve refugees, who tlet Mobile on the 16th and arrived at New Orieans, statis, that the eracuation connected the day of their departure, and that guns and ordinance stores were going to Beimaby rail and water. Binultaneously with this movement a sweeping conscription was going on among the citizens of Mobile, and to defaues of the gen-eral impression in Mobile that no defauce of the city would be attempted. Its gartison was small and composed of militia nuder command of Gen-ctals Tapior and Many. The hospital teamer January. from Eastport, Miss., with 267 sick of Gen. A. J. Smith's com-mand, has arrived. Four one hard at Basi-ber wenty one others received on board at Basi-

ber twenty one others received on beard at Bast 1 ort, died since the 27th.

ber twenty-one others received on beard at Essi-jord, died since the 27th; The steamer Argo, one of the steamers eaught is Goorpia, at Dortooth Bend, Mississipi river, was fired by lime in the hold and burned to the water's edge yesterday afternoon. The fire was first discovered the day previous, but was held in chicek by forcing water into the hold. All the furniture and deck freight was ared. The cargo in the hold, including 50 tons of Govern-ment freight, was lost. The boat was valued at \$75,000, and insured for \$35,000. The New Orleans market is extremely dull in nearly every department of trade, except. Sigar, and Molasses, for which there is a brick inquiry, owing to the light supplies. Small sains were made of prime Molasses, at \$1,15(-3,9) tuly fair to prime Sugar, at 230. A was presenting one eventing (writes a clergy-man who reliabed a good taing richly) from the passage in the history of Mesca, where he, with his two friends Aaron and Hur, was standing on a hill, and beholding the bathous between israel and Amalek. My test was, "Aaron and Hur stayed up his hands ?" and I argued the duty of the people to hold up the hands of their minister, from the example of these good man of old who the scample of these good and of duty of the jeading men of my parish joined me, and after expressing his great satisfaction in my dis-course, begred leave to angreat one point that I had quito orarlooked. "Ab;" said I, "what can that be?" "I nean," he answered, "the powerful argu-ment in favor of femule influence." "I confess," said I, "that I do not poreive that the subject is histed st-how do you dis-cover it, buy dear at." "Why, does it not fred," said he with soma surprise, "that Aaron" and her hold up his hands I suppose the woman helped as much as the man."

Going it Alone on Blavery. Going it Alone on Havery. Bonth Carolina, scens, determined to cerne to andsate with Davis upon the alarcty question. The Charleston *Marcury*, in opposition to the Richmond pross, maintains that starcty was the ease of the war, as it was the curvachments made upon this institution which provaked the rebeillon. After losing thiry thousand of its best people, South Carolina will not suffer sin-very to be bariered away by Davis or the rebeil Confederate Government without our institu-tions." To 'ttak of emancipation is to disband our (the rebel) armies." This looks as if South Carolina meant to set up a confederacy of her ovid, leaving the other rebel States out in the cold. Sherman's presence in that State may modify this intention. The will probably be in Charleston in time to take part in the dissussion.

Only Five Left, Congress has passed a bill granting to the five surviving heroes of the infant Republic, a "gra-tuly of there hundred dollars per anam for the remainder of their lives.
