NEW ENGLAND. General liqueseau's Proposed New Corps

General Rousseau's Proposed New Corps. General Roscan has applied to the War De-partment for authority to raise an independent forps, and/or the general regulations, for service in the district of the Comberland, though not to be limited to that, and to consist of ion regi-ments of infantry armed with Sponcer rifles, and five four-gen batteries. The Government has already inazgurated the policy of anthorizing particular commanders to raise corps, in the case of General Haucock, so as to make the name of the commander an influ-ence in recruiting. It may not have been en-lirely successful in that case, but such influences vere effective in raising the first armies in the war. Poince Court.-Gay scenes are usually pre-content it the Mayor's office on Bunday merning, but yesterday, perhaps owing to the cold weath-er that prevailed on Baturday night, the buaheas was decidedly dull. Tom. Conner, the unfeeling wretch, furnished, the only case that was in the least interesting. He had been whipping his wife, and the only pity is that she was not able to give bim a scound parametillar. for he de-served it richly. Tom gave ball for his appearing at the next term of court.

ARRENTED FOR KERTING A GAMELING HOUSE. The proprietors of the Club House's WE Fourth Street, were qu'eily taken into custody, a faw days aço, and held to ball by Alderman Strain, in the sum of \$700, to answer a charge of Keop-ing a gambling house, preferred by officer Pen-der. The same parties are under indictment for this offense, and both sames will be tried at the next term of the Quarter Sessions.
