The Maine Hoase of Representatives Lars passed a resolution pro-viding for an amondment of the Constitution of this Nate, disfanchising deserters and abson-ters from military drafts.

Financial Measures. The Committee on Ways and Means will re-

port a bill, in accordance with the wishes of Secretary Fessenden, which will provide for an essee of bonds or other obligations (but problib-Secretary sevence, which will provide for an issue of bonds or other colligations (but prohib-iting iegal tender notes) not exceeding \$200,000,-Cf0, payable at not over forty years from date, at the pleasure of the Government, at not leas than five nor more than forty years. The emission issued is other form than bonds may be converted into bonds relecamble as above, as the Secretary of the Treasury may deem of po-dient. The principal or interest, or both, may be payable in colin or any other money, or cur-rary declared by Congress to be lawful money, or in legal leaders. Interest, in cola shall not exercise its per cent; or If in currency, not to ex-ceed even and three-tenths per cent per annum. Another section gives the Secretary power to cell bonds in any market he may choose, here or in Europe, and on such conditions as he may deem advisable, for coin, lawful money, Treas-ury notes or certificates of Indebiedness, de-Another section screed one per cent. Pow-er is given to issue more gold interest bonds from State and municipal trations. The cost of printing wit to be allowed to exceed one per cent. Pow-er is given to issue more gold laterest bonds in order to guard agamet any failure in future to rake money, should the Secretary fail to raiso money enough by the sale of seven-thirties.

The Rebei Women in the Shenandoah Valley. The following statement is from the Boston

The following statement is from the Boston *Traveler* of yesterday: "A member of the Second Massachusetts car-airy, now in the Bhenandoah Yalley, writing to his friends in this city, said some of the men in that regument on a recent Sunday attended services in a small Episcopal church. The con-gregation weemade up of .wemen and children, with the exception of two or three old men. The wome second as the solidars passed up tho sisle, and some of them vented their spite by spitting upon the men in Frederal uniform." General Sheridan's measures to civilize the spitchul rebeis in the Shenandoah som to have leven forgotten already. COMMENTING upon "shens and symptoms," a

Leeb forgotten already. COMMENTING upon "signs and symptoms," a Paris correspondent of the Times tails us that "in France there is a party in Government cir-cles violently opposed to the Government of the United States, and rendy to lead a helping hand to the rebellion at ence, and in any way that would be most useful; a party, which is opposed to the Republic as a damperous example to France, which fears the United States in Mexico, and which believes the South is or tends to be-come, like themselves, an aristocrary. This party, it is true, is in a phoney by the site and ine attention of the public, and may to the and, worry the public late its way or thinking. At any rate, it does harm to the Union came?" RECHDITING FRAUDS IN NEW YORK .- Fresh RECRUITING FRACES IN NEW YORK.—Fresh developments are being constantly made in this matter through the pertinacious efficiency, of Colonel Baker. 'A genuing raid, apon the bona-ruted, and arrest follows arrest, the eriminate in every case being sont directly to Washington for trial.' A general hegir of this class of rulliant is taking place, Canada being the haven of rest towards which they gravitate. It is said that sense Government officials are implicated in the transartice. Their names are as yet withheld.

any rate, it does harm to the Union cannet?" II STEPHIENS AND CANFINIL OFFORD TO THE LATR REDUC WAS DERONGTIATIONS. It is a fighificant commentary upon the fury of the Richmond press in its douncation of the fury of the Richmond press in its douncation of the dur-coin's shares in tho peace negatiations, that guither Alex, II. Stephens, nor Julge Campbell were at the great war meeting, where both had been ad-vertised to speak. Vice President Stephens ad-denly found a pressing necessity to make a hasty trip to Georgia, and Judge Campbell found some other occasion to be absent. It is known that its a well indertood in the orbol colital that they were not present because they were not in sym-pathy with the object of the meeting; but the Richmond papers; though fully aware of this, don't dare to denounce them for it.

A BRININGHAM editor lately received from this country what claimed to be the kluinest shoet of iron in the world. It was rolled in Fittshurgh, and was the one-thousandh part of an inch in thickness. Since then as English manifacturer produced a sheet which is the one-thousand, and ifficenth part of an inch thick, is rery tough, and has a very good even aurface. Another spe-cument which at present bears away tho pain, consists of two sheets, weighing respectively fority-nine and forty-pine-and-a-half grains, be-ing the fortreen-hundredin part of an inch in thickness. Kentucky Legislature. New Yong, Feb. 17.-A special dispatch to the World from Frankfort, Ey, says : The ma-jority of the fudiciary Committee of the Senate have reported that the Constitutional Amend-ment abelishing slavery be rejected. The mi-cority report Insists upon compensation, as a condition precedent to ratification. Four of the committee are for rejection; one for compen-sation and one for unconditional ratification. It is init a wore passed in the Kentucky Sen-ale asking for the appointment of a committee to investigate arbitrary arcests.

ing the fourteen-hundredith part of an inca in thickness. The Noronaotes Quarmaniz.—The Louis-ville Preus of the loch, says that Quantrell, the noted Kansas guerills, who has long been sup-posed to be dead, is now operating in that State. It says he doubtless intends to make Kentucky, in future, the theatre of his intractival, theying operations. Ifs and the men of his gang have here recognized at different points in the State. It was stated as a meeting in Birmingham re-santly, by Dr. Tompkins, of London, that a son

e unity, by Dr. Tompkins, of London, that a son of Dr. Livingstone, who emission in the federal o vice after the war hroke onit, was in the latter part of last year taken prisoner, by the rebels.

der Episcopal mie in the west. In 1862 the al-teniten of the General Episcopal Convention, seld in Now York; war zelled to the fact that in the city of San Francisco there were between three and four, hundred communicants of the Greek Church.
