The object of the Mayor, in making the charge above noticed, is to get a stronger force on during the afterhood and fore part of the night. The day police force is entirely indequate to the police requirements of the city, and by employing fifteen additional men diring the afternoon and up to twelve o'clock at night, it is thought that the municipal regulations can be greatly improved. Most of uidfight, and a greater force is consequently required up to that time. In the meantime, the folice committee are taking such measures as will entirely change the present method of appointing the police. A bill has been prepared, which will be prosented at the present session of the Legislature, providing for the appointment, of a Board of Folice com-missioners, (of which will be force at each cluring good behavior. This will secure a con-tinuance of the services of many faithful and experienced officers who would othewsise be set as ide at each successive election for Mayor.
