THE CAPTURE OF GOLDSBORO. herman Heavily Reinforced. GENERAL RETREAT OR SURRENDER EXPECTED.

REBELS COMPLETELY DEMORALIZED.

Withmond Press Despondent. ALLANT EXPLOIT BY OOLOBED MEN.

Naw Youx, March 23 .- The steamer Vanrus, p Beaufort, N. C., 20th, has arrived here.

the brings important intelligence. The news he capture of Goldsboro was received in the city econ after the victory, by dispatches from General Bherman, who, it is reported, called for refiftirements for bla army during their further march notthward. Immense numbers of troops were promptly sent, in respeats, from Beaufort, by rall and other roads, to Goldsbons, prepart tory to meeting the main army of Sherman. 1 was belleved Abat 's battle was imminent, and heace, General. Sherman's army was awalled to verwheiming force, the extent of which may lead to a general retreat or furrender of the engmy. Reinforcements and applies had also been cent from Newbern to join Sherman's

Refugers at Beaufort and Morehead city army ACOST clare that the relati troops are demoralized, and that their supplies are beginning to fall.

It was also reported that part of Lee's army had gone to relaforce General Johnston, and that bis main force was only five miles morth of

NEW TORE, March 23.-The Commercial's Washington special says Richmond papers. just received contain nothing confirmatory of, the reported check to Sherman. There is a scarcely concealed hopelessness in the tone of the Rich-mond press that argues well for Sherman so far. The best informed military authorities here rogard Sherman's position as eminently hopeful. First if they intend to hold Richmond or prevent

rasy completion of Grant's plans. The Navy Department has details of the exdition to Mattor Creek, Va., by which a quar tliy of tobacco, guns, and ammunition were cap tured, and thes rebel schooners destroyed. The work was done by boats crews, who were all colored men but two, and they had a sharp fight with the gebels, who outnumbered them two to

NEW YORE, March 23.-The Times' Washing ton special says : A steamer from Beaufort on the 20th, arrived at Fortress Monroe, on the ine lota, arriver at routes schuler, on the Sist, bringing intelligence that Sherman's right wing occupied Goldsburo on the 19th. The information comes from Schoffeld's advance, which was moving on Goldsboro from Kingston, and it is well authenticated that Sherman left. Fayetterille, on the Tith. His left wing moved from Payetteville in the direction of Mitchelter Station, whire the railroad to Raleigh crosses the Neuse river by a long and expensive bridge. This point is about 25 miles west of Goldsfield having no 'enomy in his front

The President's Gettraburg Specch. Trobesor Goldwin Smith has recalled to, re-critection the little species which the President n de st the defication of the Saliters' Connet-ry at Ostraburg. He says: "Ht may be doubted which any King in Europe would, have ex-presed himself more royally." The speech was the matchines gran among the speeches of that is upathy, simple sincerity of pariotism, and paties of diction, it is unsurpassed among all the unternores which the war has wroken!. The President said: "Fourscore and seven years ago' our fathers brough forth upod this conducated to the propo-estion Link all means created, relation they are

Company, charged on oth of Mr. Mosse, Unit Engineer of the Fire Department, with acting in a manner prejudicilit to the interests of the de-partment. It is alleged that at the fire yester-day in Barker's alley, he threw off an attachment made by the Eagle to one of the fire-plays, and substituted the hose of the Neptane instead.

and substituted the hose of the Nepture instand. When remonstrated with by the Chief Engineer, be replied that the Engle had dono the sums thing with the Neptune on other occasions, and he had twice more to do it ere he would be even with that company. At the time of the occur-rence heither engine, had you arrived, but they were both on the way, the Neptune in the ad-vance. There ddy not appear to be uny evidence of visioner, nor any indication of a fight as the result of this set of Hall's, as the firemen, had not jet compe up, and but que or two others wit-breact direct of the set of the set of the set.

nof, jet cape up, and bit an or. we occur where bersed it. • The Gaptain of the Engle testified in substance to the same effect as Jir. Recze, statiag that the blug had b.cn previously secured by the Engle. • The Mayor, after hearing both aldes, gave it as his opinion that the remark made by Hall con-rained a threat that the same act would be re-pented, he which case a fend would spring up sincing the farmen and result in rics. To pravent any disturbance springing from the matter, he would bind Mr. Hailtin the sam of \$500 to keep the neared.

An Oil Romance.

Some ten or twelve years ago, a boy and giri, as is ofter the case, were among the scholars go ing to school in one of the townships a fow miles cast of Mendville. The boy, as boys almites case of negatine. Into our, as over all ways are, was rather dull and stupid, getting, as a natual consequence, many a scolding, while the girl was very apt, and helped him with his the girl was very spt, and helped him with me lessous, as girls always will. He was very grate-ful, of conve, and promused to repay her some day, "when he got to be a man." Notwith-stording this strange promise, time passed on as

stording this strange promise, time passed on as stording this strange promise, time passed on as broke entand he emlisted. In the meantime, the parents of the girl that was, the woman now, baring became rery poor, she was etliged to support herself so, obtaicing a place in a good family, she came to Meadville to work. Last summer the young man was wounded and came house. Just before his re-turn to the army, baving-feenlisted, he told her that he might, probabily, never return: that ha had sever forgotten the promise made in his heyhood's days, and he now whiled it asome manner so fulfill it; that he had not much to of fer; easy the third interest in three acres of land on Oil Creek; that he could not tell whether it was do she the? The gift was accepted and the papers properly made out before he 16.

de or being otaned they rushed in, and seized Mr. Hastings, who is an old man, and bound eition That all men are created, cytal. (X) we we have easily the approximation of the second Mr. Havings, who is an old man, and bound him to a chair and gagged bim. Two of the Caughters were also bound in the same manner. The thieves were armed with knives and revolv-ers, and threatened death to any of the party who should givid an alarm. They then ransack-of the boars, and secured alout 54,000 in money and U. 8. Compon bonds, after which they do-camped, leaving the old mu and his daughters will bound, till the neighbors should come to their relief. The robusts, it signars, were all disquised in some way; one of them being black-each with burnt toork. Mr. Hasting 2 speared at the Mayor's office yesterday and reported the facts, and sever effort will be mido to discover the guilty parities and bring them to panishment.

to dedicate a portion of that needs as a solution to ling place for itoose who here gave their lires that the nation might live. It is allogither if uting and proper that we should do this. But in a larger sense we cannot dedicate, we cannot consecrate, we cannot hal-low the groond. The brave men, living and dead, who struggied here, have consecrated it far above our power to add or detract. The we can be rungied here, have consecrated it dender who is live out long remember, what we can berr, that it can ever forget what they did here. It is for us, the living, rather to be dedicated here to the undinished work which they who fought here have thus far so notify ad-vanced. It is rather for us to be here dedicated to the great task remaining before us; that from these bonced dead we take increased devotion to that cause for which they gave their last ful incastre of devotion; that we died in vain; that the nation under God, sha i. have a new birth of freedom, and that is presented to the people, by increased and the mention of the people, by the guilty parties and bring them to punishe The German Opera. In reference to the German Opera, to exhibit n our city on Monday, we may remark that the principle of its great success as an Opera, so far, has been that it is unlike many other er

prizes in the respect that although, it has been well-tstablished, it loses none of its strength the nation under tao, reat i have the people, by freedom, and that georgramment of the people, by the people, and for the people, shall not perial from the carth. Yos:mete Gorge and Hig Oak Grove, in California. and efficiency. Mr. Grover is a manager of right stamp. If he were not he would sca

and thelever. Mr. Grover is a manager of the light stamp. If howere not he would scarcely have selected the German opera for his field in-etread of the "fashlonathe" one of the Italians. This opera troupe is remarkable in the rich ma-terials-rebail, instrumine and instrum initi-of which it is composed. In its performances, with law excertions, there is a conscientious report paid to all the mittor parts, a perfection of ensemble, which the Italian opera had aver faught us to expect. We may anticipate, too, that the lovers of the opera in this city will be equally exchanted with the German opera when they have once heard this large and incompara-bis troups in their readitions. Many of the pieces announced, we believe, have never beau-ferformed in Pittaburgh. Secured scats can be obtained.

Yosemete Gorge and Big thak Grove, in California.
