noney to conduct the enterprise was supplied from he same source. Instruments for the work were An enchange, referring to our review of Foote's ropositions of peace, arks : "If Davis should anden his arms, admit that he was wrong, and

the same source. Instruments for the work were sought and found chiefly among vagabout rebel officers, of whom Beali and Kennedy were pro-bably the best types. Both of these calprits were violently fitted by their training, habits, and nat-ural instincts, for ent-throat enterprises. Both were equally load in asserting their claims to the title of "genitemen." Beth effected to main-tein a species of courage in view of the proof-and punishment of their erimes; and both were, equally high-toned in their professions of pat-riotic duity. In one respect there soe ma-to have been some difference between them. Kennedy's native breeding would appear to have been some degrees lower than his submit io the Government, should not the past be forgiven f Emphatically, no; if forgiveness is to be resarded in the light of release from the penalties of ireason. We can afford to be meri-ful, but we cannot afford to prove false to princi-ple. The rebel leaders are no longer cluizens of the United States, but outlaws and ragabonds, in the meaning of its laws. They have no "lights" under the Constitution, save the right-to be hanged. They own no property—what they did possess has been forfeited to the Gov-erment they songht to destroy. By the simple operation of existing statutes, and without the enforcement of marital law, they can be dis-franchised, impoverished, executed, What we melntain, is, that the North shall not travel out of its way to make the down fail of these villains onsy for themelyes. They merit the worst they can undure. Our future peace, and the kability of our institutions, demand their conding pun-labment. Nor can any argument gauns its in fliction to presented, which will not justify, in spirit if you in fact, their informal revolt.—Ab-benty Evening Journal. bmit to the Government, should not the past to nave been some childrence betweed them. Kennedy's native hreeding would appear to have been some degrees lower than his confederate. This is shown in his alternate pleadings for a reprice, and his abase of the power, that could grant it. Still more clearly was is shown in his blasphomous speech on the seaffold. With the ignorant crowd, that are al-ways eager to listen to gallows mitrances, the fact of this wretched being having made his re-spomes to the orayer of the attendant clergyman in the profanest ribaldry, would establish his claim to the rank of a hero. To those who can think justly, the same thing would simply bo proof that, in addition to his native disposition to crime, this so-called Southern genilemen and Confederate officer was, socialiy, a low and l'es should give

10 crimer, this borchick was, socially, a low and despicable buffoon. It is harding permitted us to believe that the crime of destroying, by secret incendiariam, whole booscheids, men, women and children by the thousand, could possibly be indicat the door of any one whose instincts and training, were above that of a social outcast. And herein the horrible picture of this creature Konnedy, recling into the yreacce of his maker with blasphennous theidfy on his tongue, surely surplies an into the yreacce of his maker with blasphennous theidfy on his tongue, surely surplies and training to the criminal population of the contry, and, a thousand to one, his and would have secret been in surface with their boom. Ar Y. Tonce. any Evening Journal. bany Evening Journal. FATHER AGAPUES, the Russo-Greek priest now in thus citry, will fears town soon for New Or-leans, where there are about three hundred Sela-voians and others who belong to tue commun-tion of his church.
