CITY AND SUBURBAN.

FROM SATURDAY'S EVENING GAZETTE.

The Other Side of the Story.

A few days since we published a statement in reference to the alleged bad treatment of a num-...ber of lady refugees from the South, by one of ...our hotel keepers. Our information was de-...rived from the officer whose name we gave, but ...we have since had an interview with one of the ...proprietors of the hotel, and we are convinced ...that the officer so colored his statement as to ...place the conduct of the hotel proprietors in a ...false light. The substance of the officer's state-...ment, was, that the ladies in question had been ...charged two dollars and fifty cents for the priv-...ilege of sitting half an hour in the parlor, ...awaiting the departure of the next train. The ...facts, as given us by gentlemen whom we know ...to be reliable, are simply these: Between eight ...and nine o'clock in the evening, an officer stepped ...up to the business counter of the hotel, and sta-...ted that he had seated five ladies in the parlor, ...and asking whether there were any objections to ...permitting them to remain there until the west-...ern train left. He was informed that the par-...lor was designed for the comfort of the guests at ...the hotel, and that the ladies could be furnished ...with rooms. The officer explained that they ...were Southern refugees, and had no means to ...pay for rooms, and would leave in the first train. ...He was then informed that, under the circum-...stances, they could remain in the parlor, but ...there were objections to filling up the rooms ...to the inconvenience of the guests. The ...officer became quite indignant, and de-...manded the amount of the bill, putting ...on a great many airs, and endeavoring to ...create a sympathy in favor of the ladies. The ...book-keeper endeavored to reason the case, but ...the officer would hear no explanation—the bill ...was what he wanted. The ladies, five in num-...ber, were charged fifty cents each for the use of ...the parlor, remaining from between half past ...eight and nine o'clock until nearly three in the ...morning. They ordered no meals at the hotel, ...having brought their supplies with them. The ...point is just here. The proprietors of the hotel ...in question have the reputation of being ex-...ceedingly kind, considerate and liberal to par-...ties in need, and they would have made no charge ...in this case had it not been for the persistent ...and insolent demand of the officer, who left ...the ladies in custody. The charge was ...reasonable enough in all conscience, since the ...parlor was used as a lunch room, and the sofas ...for lounges during the six hours of their stay. ...The conduct of the officer was anything else ...but gentlemanly, and if he had been a respon-...sible man there would have been no occasion ...for an unpleasant remark on either side. The ...he did not consider himself greatly *outraged*, ...however, may be inferred from the fact that he ...took a drink on the hotel, remained all night, ...and had a good appetite for breakfast in the ...morning.

The proprietors of the hotel naturally felt ...hurt on account of the matter so unfairly reported, ...and it is but a simple act of justice to them that ...the public should know the facts just as they oc-...curred. There are no more liberal or generous-...hearted men in the business, and hence they ...cannot rest under the imputation of stopping to ...*a mean act.*

Child Killed by a Street Car.

Last evening, about half-past eight o'clock, a ...little girl named Emma Roberts, niece of Mr. ...Wesley Kerr, proprietor of the Red Lion Hotel, ...was run over on St. Clair street, by Car No. 34 ...on the Allegheny and Manchester Passenger ...Railway, and instantly killed. The deceased ...was playing on the street with a number of other ...children, and started to cross the track in front ...of the horses, when she was knocked down, and ...the wheels of the car passed over her breast and ...head, causing almost instantaneous death. She ...was carried into the hotel and Coroner Dawson ...sent for, who empanelled a jury to inquire into ...the circumstances attendant upon her death.

Mrs. Lavinia Heslop, an aunt of deceased, ...testified that she was sitting at a front window of ...the hotel at about half past eight, watching her ...niece and several other children playing in the ...street, the deceased attempted to run before the ...horses, when she was knocked down and run ...over; the car was going towards Allegheny, and ...the horses were trotting; did not know whether ...the driver tried to stop the car or not; the de-...ceased resided in Washington county at Wash-...on her way to Ohio to visit her grand parents; ...she had been in the city for several days. There ...being no other witnesses present, the jury ad-...journed until this afternoon at one o'clock, ...when they will meet at Alderman Donaldson's ...office, on Penn street, and continue the investi-...gation.

The deceased was a bright, intelligent child, ...and her sudden and melancholy death will be a ...great shock to her parents. The body will be ...taken to Washington county to-day for inter-...ment.

Steamer Oil City Sunk.

The Wheeling *Intelligencer* reports the sinking ...of the steamer Oil City, on Wednesday night, a ...short distance below the suspension bridge, by ...running over a sunken coal barge. The paper ...says: "The sinking of the boat was so sudden ...that but very little property was saved, and con-...sidering all the circumstances, the sudden ...foundering of the boat, and the darkness of the ...night, it seems almost miraculous that no lives ...were lost, every soul on board being saved. An ...examination shows that the break in the boat ...extends about twenty feet, ripping off the plank ...and breaking the timbers in the hull to that ex-...tent. A small portion of the cabin furniture was ...saved, but the cabin and the main portion of its ...contents was wrecked and swept away by the ...current. The machinery and hull will be saved ...in a damaged condition. Captain Flowers owned ...one-fourth of the boat, and in his case the old ...adage that misfortunes never come singly is ...strikingly verified; as yesterday afternoon he re-...ceived a dispatch from Marietta, Ohio, that the ...steamer Malta, a boat of which he was sole ...owner, was also sunk.

Shocking Death of a Bride.

On Saturday last, Mrs. Margaret Witherspoon, ...of North Beaver township, Lawrence county, ...was accidentally killed by being thrown from ...a horse, while on her way from her father's re-...sidence, (Ex-Sheriff Galley,) to the Moravia rail-...road station. It appears that Mr. Witherspoon ...and his lady, who had been married only a few ...days ago, intended to visit their friends in New ...Castle over Sabbath. They started on Satur-...day morning, and the distance and road being ...unfavorable for her to walk she rode on horse ...back, and her husband and Mr. Dungan going ...over the fields to the station. They reached the ...place, the cars came, but she did not. They ...went immediately in search of her, and found ...her a corpse on the road. It is supposed that ...the horse took fright at the whistle of the loco-...motive, turned suddenly, threw her off and ...dragged her some distance by the stirrup. The ...horse returned home with the saddle turned to ...one side with one horn broken off. She was an ...amiable young woman and had many personal ...friends who will mourn her melancholy death.

Correction.—The boy Harry Bausman, who ...was injured in Wallace's machine shop, on Lib-...erty street, was not the *engineer*, as stated in ...our paper, but employed merely to remove ashes, ...wheel coal, etc. Mr. Wallace employs an ex-...perienced and competent engineer, Mr. Robert ...Kennedy, and the engine is never entrusted to ...the care of boys. The boy was scalded in the ...face by foolishly throwing water into the furnace, ...but his injuries are not of a serious nature.

Dr. Wallace has resigned his position as ...surgeon in the Board of Enrollment for the 34th ...District and Dr. Sharpe, of Washington county, ...recently surgeon in the 140th Regiment Penn-...sylvania Volunteers, has been appointed to fill ...the vacancy.
