EVENING GAZETTE TELEGRAMS.

LATE NEWS FROM CALIFORNIA.

DESTRUCTION OF DEMOCRATIC NEWSPAPERS.

PUBLIC MEETING OF THE CITIZENS.

SAN FRANCISCO, April 16.—The Golden Era has arrived from Panama with the mails and passengers that left New York on the 23d of March.

The destruction of the Democratic newspapers last evening was not the result of the recent offensive utterance, but on account of the sudden outbursts of long pent indignation at their past opposition to the Government through the war. It was effected with such rapidity, and was so unexpected, that the authorities were able to do nothing to prevent it. It mightfall we were in possession at length of Monigomery.

The French organ, *L'Echo Du Pacifique*, was threatened, and is now under a guard. The *Union and American* was destroyed. Intense excitement prevailed all night.

Memorial services were held to-day in all the churches, and public meetings are held to express the public feeling, and the Mayor called one for the purpose to prevent for the assassins.

It is reported that the Democratic paper in Grass Valley has been mobbed.

Two French men-of-war that have been lying off, arrived in port to-day.

SAN FRANCISCO, April 17.—A large meeting of citizens was held at Platt's Hall on Saturday, the Mayor presiding. A series of resolutions were passed, among which was the following, which imply the expressions of the general feeling on the coast:

The great, noble, manly heart of President Abraham Lincoln was gracious enough to have embraced all with the forgetfulness of his generous soul, and in their madness they have killed him. Besides his glorious career as a patriot, all the atmosphere was filled with generous emotions and kind sympathy. Now peace means annihilation. God have mercy on the souls of the rebel murderers.

When this was read there was great excitement and the people cheered over and over again.

Resolutions of the peace has occurred since the last dispatch. Military still mustered in arms, and patrol the streets at intervals, but there is no probability of further disturbance. Departments from Nevada and Oregon show that those States are moved equally with California.

FUNERAL OF PRESIDENT LINCOLN.

SCHEDULE TIME OF FUNERAL TRAIN

WASHINGTON, April 18.—The programme for the transportation of the President's remains from Washington has been published. The railway over which they will pass are declared military roads, subject to the orders of the War Department, and the railroads, locomotives and cars engaged in such transportation will be subjected to the military control of Brig. Gen. McCallum.

No person will be allowed to be transported on the cars constituting the funeral train save those who are specially authorized by orders of the War Department. The funeral train will not exceed nine cars, including the baggage and hearse car, which will proceed over the whole route from Washington to Springfield.

The remains will leave Washington at 8 a. m. of Friday the 21st, arrive at Baltimore at 10; leave Baltimore at 3 p. m. and arrive at Harrisburg at 8:30 p. m.; leave Harrisburg at 12 m. on the 22d and arrive at Philadelphia at 6:30 p. m.; leave Philadelphia at 8 a. m. of Monday the 24th, and arrive at New York at 10; leave New York at 4 p. m. of the 24th, and arrive at Albany at 10 p. m.; leave Albany at 8 a. m. of Tuesday the 25th, and arrive at Buffalo at 7 a. m.; leave Buffalo at 10 minutes past 12 same day, and arrive at Cleveland; leave Cleveland at midnight same day and arrive at Columbus at 7:30 a. m. of the same day, and arrive at Indianapolis, at 7 a. m. of Sunday, 30th; leave Indianapolis at midnight Saturday, and arrive at Chicago at 11 a. m. on Monday, May 1st; leave Chicago at 9:30 p. m. of May 3d, and arrive at Springfield at 8 a. m. Monday, May 8d.

At the various points on the route, when the remains are to be taken from the hearse by State or municipal authorities, to receive public honors, according to the aforesaid programme, the authorities will make such arrangements as may be deemed necessary on the occasion, under the direction of the division department or district, that the remains will continue always under the special charge of the officers and escort appointed by the War Department.

The route from Columbus to Indianapolis is via Columbus and Indianapolis Central Railroad, and from Indianapolis to Chicago via Lafayette and Michigan City. In order to guard against accidents the train will not run faster than twenty miles per hour.

Sympathy of the Nova Scotians.

HALIFAX, April 18.—The Common Council to-day passed a resolution expressive of sympathy with the bereaved family, and the order mark of respect to the illustrious deceased, and that flags be draped over the city on the day of the obsequies.

The American citizens held a meeting to-day for the expression of sorrow over the death of President Lincoln, and for testifying their respect to his memory. Hon. Judge Jackson, the United States Consul, presided, and Robert Bahlon, of New York, was secretary.

After an able and eloquent eulogy, Judge Jackson offered resolutions of sympathy and that of all loyal Americans for Mrs. Lincoln. The late great talents, he hoped to a kind Providence, would be spared to this country. He also assured his fellow citizens of the integrity, ability and tried patriotism of President Johnson, in whom they might safely confide, to uphold and maintain the great cause of human freedom and constitutional government.

Meeting in Louisville.

LOUISVILLE, April 18.—A very large meeting was held at the Court House this evening, to express their sentiments in regard to the assassination of President Lincoln. Governor Bramlette presided, and made an able and appropriate address. He was followed by Major General Palmer and Hon. James Guthrie, the former embodying a spirited sketch of Mr. Lincoln in his patriotic remarks; the latter paying a deserved tribute to our deceased Chief Magistrate, and expressing great confidence in the future of our country. Dr. T. S. Bell, Chairman of the Committee, reported an elegant preamble and series of resolutions, expressing the profound sense of the meeting as to the calamity which has befallen the nation in the assassination of President Lincoln, pledging themselves to sustain the national authority in its future efforts to destroy the rebellion, and promising support to President Johnson.

Feeling in Richmond and Petersburg.

WASHINGTON, April 19.—The Richmond *Whig*, of yesterday, says: "The heaviest blow which has ever fallen upon the people of the South, has descended on Abraham Lincoln. The people of Petersburg had this affecting news yesterday before it was made public here, Judge W. T. Joynes, Roger A. Pryor, John Lyon and other prominent citizens united in a call for a public meeting to express, if words could do so, their grief for such an event, their abhorrence of the deed, and their sympathy for the bereaved. We know that the citizens of Richmond will take similar action.

From Fortress Monroe—Arrival of Paroled Prisoners.

NEW YORK, April 18.—A Fortress Monroe dispatch of the 10th says: "Flags were displayed at half mast on the fortress, and on all the shipping in the harbor, including a French and British iron-clad war.

The steamer Dictator had arrived from City Point, bringing one hundred and fifty paroled officers and men of Lee's army, en route for home. Some of them were to take the steamer from New York for the extreme Southern States.

LATEST FROM GENERAL SHERMAN.

Johnston Falling Back.

RALEIGH OCCUPIED BY OUR FORCES.

Capture of Governor Vance.

FORTRESS MONROE, April 17.—The steamer Admiral Dupont arrived yesterday evening from Morehead City, N. C., and brought advices from Sherman's army. General Sherman having left Goldsboro in his rear, at once struck out for Johnston's army, hoping to be able to force him to give battle. Johnston, however, kept retreating, and it appears that Sherman had met with very little resistance in his march north.

Raleigh was captured last Thursday with but very little fighting, and that was confined principally to cavalry, and a skirmish between the advance pickets of both forces. Supplies for Gen. Sherman's army are all centered near Roanoke Island, and vessels lying at anchor there are awaiting orders of the chief commissary.

NEWBERN, April 15, 10 A. M.—The superintendent of the railroad has arrived here from Goldsboro, and states that Gov. Vance was captured by our cavalry, between Hillsboro and Raleigh, on the 13th inst. Reports state that he (Vance) had been sent to General Sherman by General Johnston, who was at Hillsboro, with instructions to surrender the State of North Carolina to Sherman, but these instructions were afterwards countermanded, and Vance was on his return to Johnston without seeing Sherman, when he was captured. He is now a prisoner of war, he not having carried out his mission.

Report also states that Jeff Davis and his family had joined Johnston at Hillsboro, which is about thirty miles west of Raleigh. Whether Davis arrived at Hillsboro, after Gov. Vance had been sent to Sherman, and caused Johnston's order to Vance to be set aside, does not appear.

Postscript.—Sherman's forces entered Raleigh a few days since, and are moving on beyond that place after Johnston, who continues to fall back without fighting.

Visit of a Delegation of the Christian Commission to President Johnson.

WASHINGTON, April 18.—President Johnson received a large number of delegates of the Christian Commission this evening. The Rev. Thomas Boydon, of Albany, delivered a brief but eloquent address. The President repeated his determination regarding his future course, similar to those addressed to the Illinois delegation, saying the time had come when individuals were like those to be subordinate, and as a moral influence is exercised which everybody should be taught to believe that treason is the highest crime known to the law, and the traitor should be visited with the punishment he deserves. The committee then withdrew.

Letter from Hon. Schuyler Colfax—Trip to California.

NEW YORK, April 18.—Hon. Schuyler Colfax writes to Allen D. Richardson, of the *Tribune*, that there will probably be no extra session of Congress. He adds that if he had been able to attend the theatre as invited, he would doubtless have shared the fate of Lincoln by the dagger intended for Gen. Grant, but that he would willingly have given his life if he could have saved that of the President.

Messrs. Colfax, Richardson, and Bowles, of the Springfield, Mass. *Republican*, Major-General Garfield and others will cross the plains to California and Oregon in May and June.

Thomas, the "French Lady," Arrested.

WASHINGTON, April 18.—It was stated in a former dispatch that the person who was arrested on the morning was the person who attempted to take the life of the Secretary of State, and is supposed to be Surratt, but there is reason to believe that the desperado is no other than Thomas, the so called "French Lady," who it will be remembered disguised the assassin St. Nicholas in 1861 and was subsequently apprehended, tried, convicted and sentenced to the penitentiary, from which by some means he was released. Nothing positive, however, is known on the subject.

The route from Columbus to Indianapolis is via Columbus and Indian
