PINANCIAL AND COMMERCIAL DAILY REVIEW OF PITTEBURGE There has been no great activity in the general markets during the weak which has just closed; and the only new feature we have to notice, in that a much better feeling prevails in commercial circles, and confidence is being grad utily restored. In prices there has been no remarkable change, though as a general thing, the tendency has been downward. ... Baunday, April 19, 1986,

OURED!

Dr. Keyser's Lindsey's Blood Scarcher,

The Doctor's certificates are within reach, and no need be deceived in regard to his preparation PR. Grac. H. KEYKER: I became afficient Plice about twenty years ago, and every year in ware growing were, so as to trouble me very many so much don't times as to unfit me for work. Scot-mes I was so bed that I could not do anything of all count of them; they came out on me as largy sea hickory sut. I had tried a great deal of medicine for them. I used to buy and take whatever. 'could' for them. I used to buy and take whatever come thear of or read of in circulars and pamphies that ball us my way, but I could not at cured; some lims that would do not be cured; some

beer of or read of in circulars and pamphists that fell in my way, but I pould not of cured; some itimes they would do me some goodfore little while, ut afterwards they would return again as not server. I also applied to two Doctors, who whited me atmy house and gave me some medicans, out it would not do, I sould not get well. Owns a year ago I got an advertisement of your Lindsey's Bleed Searcher, made by yourself. When you seld is to me you told me one bottle would not ours me, and that my whole system would have to be renewed by the medicine before I got well. I bought one bettle and took it house with me, and used it according to your directions. I then called to see you again when you said I could not expect much benefit from epo bottle. I bought it, one bottle at a time, until I had used five bottles. After this quantity we used, I was entirely well of the Piles, which had tortured me for twenty years. In other respection in the part of the part of the part of the latter of the part of the part of the part of the latter is no appearance of the return of the disease. I have been well now for six months, and there is no appearance of the return of the disease, the of theming, now without work he Piles coming down and hurling me.
