TRIAL OF CONGRESSMAN HARRIS.
TRIAL OF CONGRESSMAN HARRIS.
TESTIMONT OF SERGRANT E. B. STUIST.
Defense of the Accused on Monday.
WASHINGTON, May 6.—The trial of Benjamin G. Harris was resumed this morning before a court-martial, of which General Foster is Preat-dent.
Judge Crane, of Baltimore, appeared as cour-sel for Mr. Harris.
Bergeant R. B. Stuart, of company C, 11th regiment Veteran Reserve Corps, was sworn, and testified that on the 37th of April has the was on duty at Leohardstown, Md., and was ordered by Capatian Willoughby to proceed to the residence of Benjamin G. Harris and arrest him.
He efficied the arrest, and then took charge as our-sel for Mr. Harris, and the latter made or duty at Leohardstown, Md., and was ordered by Capatian Willoughby to proceed to the residence of Benjamin G. Harris and arrest him.
He efficied the arrest, and then took charge of the could not choose to save himself to collibue the contest elsewhere.
We, therefor, infer that beconsidered the con-fiderate cause utterly hopeless. It gives better house, our while dhas a course of the ther paroled prisoner who visited his the other paroled prisoner who visited the other paroled prisoner who visited the state means will dubtices fol-iw the transpresent of the sample, and respect his milliary jodg-ment. regiment Veteran Reserve Gorps, was sworn, and testified that on the 37th of April last he was on duty at Leohardstown, Md., and was ordered by Capitaln Willoughby to proceed to the rest/ence of Besjamin G. Harris and arrost him. He effected the arrest, and then took charge of Mr. Harris, and remained with hits a couple of hours. During that time the witness had a cou-versation with Mr. Harris, and the latter made certain statements with regard to Chapman and the other paroled prisoner who visited his (Harris') house on the previous evening. The accured said the two men came to his house and inquired the way to Leoaardstown, and also the distance; and they further stated they wished to get to Baltimore as quickly as possible, and take the osth of allegiance. The accused told the witness that he told them they could go the Balti-more, but the Federal could actocompet them to take the osth), on account of the agreement that had been entered into between Generals Grant and Lee and heir supper. The accused said the men wished to size over hight at his houns, but he told them they could not do so, as people about there knew his political aympathies too will.

mon. We know the people desire to end the war, and there is little probability that the threats of guer-rills warfare, will ever be carried ont. Whether or not Levé scrample will be generally followed, there are abundance of indications that the cap-

Intermediation in the second of the second provided in the second in the

The Judge Advocate here closed his case, ro-rerving the right to call Bergeant Swan, the wil-ness for where here have been waiting, when he abcuid be in attendance. The Judge Advocate withdrew his offer to prove the disloyalty of the accused. By arreement between the Judge Advocate and the accused, the terms of the capitulation between Gen. Grant and Gen. Lee ware put in eritence. The Judge Advocate also asked leave to correct the record, and Mr. Chapman was called to stelle a point in the testimoy. It ap-peared on the record that Chapman testified that Reed remarked that it was too late than to kill the President. Witness' recollection of it was that it was Mr. Harris and not Beed who made day. The Char, Frince-s Dowager, and Queen of Denmark were with him.
 Batarum.—A meeting was held at Brussels, followed by a great demonstration in honor of the Federal victories. An immense procession repaired to the Federal Consul, and after allowed to the federal Consul, and after allowed followed.
 The London Times says: There seems to be on the part of President Lincoin a desire to contiliate the vanuals deficiency who has creditably distinguished himself in the Cabinet by his moders to concline, and whose life will, we trust, be mared at this crists to the Union. He meany, by grentle measures, restore a callity for his form of office, and calm, is some degree, the salmond in the batt of war.

Guerrillas Becoming Troublesome

horough investigation. It appears from the evidence given before the Coroner's Inquest, that declassed had got into some difficulty with a watchran on Second street, in the locality known as "Pipetown," and after some tasseling nanaged to escape. He then ran to the river, jumped in and swam to a large rotten log which Wm F Johnston,

managed to escape. He tuen fan to the fiver, jumped in and swam to a large rotten log witch was lying in the water about ten feet from a coal barge. Its seems that he held on to the log, with his tody in the water, nor about fiteen min-utes, during which time the watchman with saveral other parties had started for a skill, which they found at the Gas Works, to rescue him from drowning. Just as they appeared with the skiff, the deceased went down. His body was not recorred entil about eleven o'clock on Snuday morning. The decased was a real-dent of South Flushurgh, and was employed at the Novelry Works as a moulder. Welearn that his mother, as her house in South Flushurgh, where deceased lived, heard and recognized his criss previous to his drowning. The decasted, we boilere, was not much addicied to drinking. Pattick Naughton, John Ford and Thomas Boulth had started with deceuted to Jamos Reurke's, on Grant street, to yg.a glass of late. When they left the drinking hose, Saith partod with them, and the remaining three passed along Second street.

with them, and the remaining three passed along From New Orlcanf. New ORLEARS, April 20. - Via Cairo, May 3. --Two bundred and sixty-seven robel officers, ranking from coloncis to lieutenants, captured at Mobile, arrived to-day. The river continues rising. The break through, some six miles below Algiers, was repaired to-day. But little damage was done. The Times' correspondent asys the country on the east side of the river, from Tunnica Land-ing to Bayon Eara, is completely inundated for a ditance of thirty-five miles, causing greats af-fering. Many of the inutavitatia are in a stary-

with them, and the remaining three passed along Bucond street. John Ford states that about seven minutes be-fore twelve, as they were returning home, they passed a watch-house, and supposing that Smith, who had left the party, was hiding in the watch-house, he said "There's Tommy," (meaning Smith); deceased then put bis hand on thu watchman's head and said "Get up, Tommy-what are you fooling there for?" The watchman rose up and struck him. The deceased apolo-fized remarking that be though the was his comrade; he then backed away from the watch-man, who struck him again. The deceased ran off, and the watchman ratiled his mace, when we all ran away. The deceased was slightly in lequor. liquor. Patrick Naughton, another of the party why was with deceased, said he saw the wath-iman strike deceased twice, and deceased then ren. Did not hear him say asything to the

was with deceased, which or hav hav math-man strike deceased twice, and deceased then rab. Did not hear him say snything to the watchman. John Coyle testified that about twelve o'clock he saw a watchman tusseling with deceased close by a stable, near the river. When they rose, deceased struct the watchman with his fist about the head, and the watchman struck deceased with his mace. Deceased then ran to the river and awam to a log. The watchmas, with other partice, went for a bear, and when her turned deceased was drowned. He was called upon to comein by the watchman - that hav mold not harn him. Deceased appeared to be slightly in liquor. Terrance Fagea, a watchman on the Awam of the head, upon him to assist him, while he and deceased were struggling. The deceased had lain down by a stable to hide, when the watchman called nor him to assist him, while he and deceased were struggling. Fire in Duquespe Way--Burning of a Cooper Shop.

day morning, in the rear of the cooper shop owned by Mr. C. Slade, and carried on by Mr. John Ritchie, on Duquesne Way, below Marbury street. Owing to the combustible material in the shop, the building was almost totally des-troyed ere the engines could reach the spot. The shop was balls of brick; one story high, with a gravel roof, and extended back on an aller about fitty feet. It was used for the manufacture of oil barrels, of which there weres considerable number on hand, and wit a few saved. Mr. Slade, who owns dith abop, estimates the loss at over \$1,000, and had no insurance. The fire is without doubt the work of an incendiary, as Mr. Ritchie put out the fire in the store the night before, and is positive there was no fire, about the building. It seems the fire is the sa-throship of some malichous scoundred, and coa-trived purposely to injure therepreters. This same place suffered by fire some three years ago by the set of an incendiary. treet. Owing to the combustible material t

An Important Movement of Pennsylvania Officers.

A meeting was held at Philadelphia on Wednesday evening, by a) large number of the city regiments, for the purpose of organizing an an sociation of discharged officers and soldiers of the present war, to procure a charter from the the present war, to proceed a charter investee Legislature, and to entablish branch organisa-tions throughout the entire State. The officers present recorded their names, pledging these-selves to organize an order, beneficial and sodal to which only honorably discharged soldiers will be either. 1.cc. Deccased at one time struck him in the had. After striking the watchman in the face, deceased ran to the river, and got on a log Ferling that he would be drowned, the watch-man gr (Striver as in latorers from the Gas House, and went-after a skift to rescue deccased. When thy anired, decas at was crowed. Dr. Geo. L. Mctook testilled that he was alled a n by James Boyle, the father of decased, to examine the body, which had been taken to dooth Pitzsburgh. He found the jaw on the left side breken in front of the angle. There wree no other marks to lead to the supposition that his death was caused by violence. At the inquest by Coronar Clawson, there was a mark acress the abounder-blade of deceased, where he was probably, struck with the watch-man's muce, but it was nothing but a bridge. There were marks on the right write occasioned by nippers. The eridence before the jury is o contradictory that we give is without comments or evening to hear. further testimony, when a verdict will be returned. will be eligible. The objects of the organization will be prin-cipally beneficial. It will concentrate and du-rect the miscellaneous efforts now making in different parts of the city to have disabled sol-different parts of the city to have disabled sol-dires provided with suitable situations. It will give weekly benefits to the sick, and will provide a fand for the relief of men who have died in the survey.

thought the inprotential main of a minor and coming summer. These Stantial granite wall, extending along the west side is completed. It is of superior fisich and compactness. The heavy iron face extending from the granite wall, on the west to Evergreen Centery on the south, and the iron railing dividing the National from the Evergreen Centery, are both fisished. The latter is constructed of gas pipe and metal posts, and will be lined with shrubbery. Thegateway, also completed, is a beautiful structure. On each side of it are three massive iron posts, on which as perched two American engles, majestically looking down on those who mas the portais to this sacred spot. The principal areaue is un-dergoing macademization, and the trees and shrubbery are being planted. About ninety-five different varieties of trees have been selected. The contractors for setting the headstones have also comprehend. Monument is now being collected and the work will commerce this sum-mer. The contract, we believe, has not yet been strial for the National Monument is now being collected and the work will commerce this sum-mer. The contract, we believe, has not yet been storing its emergies on it with is stato in integet associated with it, America can produce so spot around which so many hallowed associations will cluster. The Inish Excous to this Couverst.-This, tide of configuration shows no sign of obling. On the 12th hundreds of people of all area, from the gray-headed grandfather to the child in arms, poured into Queenstown for embarkation: in the National Company's fine streamer Lemmians, en route from Liverpool for New York. Hundredis more were expected to go by the Innian steamer next day. Emigration from irreland to American has totally changed its aspects. The Gori Merida any that "when the tender losses the pice with its humas, tright: a hearty choor breaks from the emigrants, which is gu nerally responded to on shore, and a moist eye or sorrowful face, is set dom seen among the throng."- Explicit formation.

A verdict was rendered on Saturday in the District Court, in the case of Faber & Co., va. A. King and M. McCulleugh, which had been A. Ring and ... on itial for several days provious, by which the plaintif are entitled to recover in the sum o \$16,200. It appears that Adams, Macklin 4 Co., giass manufactures, becoming insolvant i 1837, King and McCullsugh, creditors, obtai-ed judgment in their favor in the sum of tw thou and dollars, and accordingly fived on t thou and dollars, and accordingly fived on t ions, by which the n them a very uncom hey are alluded to.

thus and dollars, and accordingly levies on the gause. The other perchased is at 5 low faure. The other verdican allogo that the judgment in favor of Mesars. King and McCal-log, were confirmed for the purpose of cash-ing them as friends of the original owners to purchase the concern at a nomical figure, and iransfor the stock to Adama, McCkila & Co. It was in evidence has the works are work be-tween twenty and thirty thousand dollars, in-stead of the small amount for which they were disposed or at Sheiff's sale. King and McCal-longh allege that they held the works in their own right, free from all trast or obligation to pay anything to Adama, McCkila & Us. as the creditors. The verdicis rendered, however, is against them. "The GREAT FACT," says Mr. Ressell, in the London Array and New Gents, "in the defines of Looks array," and that defost is "decisive of the issues of the war." Ho adds: "What that issue would be, we have neve-doubted, and our readers know that we have neve-er misical them. With only ease array in the field, and that a weak one, it is impossible that ergan-ized resistance can be prolesged. When Loo is gette. Grant and Sherman and Hancock and Thomas will be able to march where they plasse. The dream of a slave power has vanished inte-thin at."

CONSUMPTION OF FUEL ON THE PRIMETLYANIA RAILROAD.—The following table of the consump-tion of fuel on the Pennsylvania Baliroad, during the year 1864, we believe to be accurate :

Trimble's Varieties Theatre. Fall of Richmood, or the Surrender of General Loc; for the first time, to-night at Manager Surthe's po-palar resort of the people.
