CHICKERING & SON'S
PIANOS,
The Best Pianos Made.
PROF. ROHBOCK'S OPINION:
"An experience of over twenty years with the Chickerings, Pianos, has given me ample opportunity to judge of their qualities, and I freely say that C. Hayes' have proved them to be the BEST PIANOS, both for instrumental performance and accompanying the voice. The Pianos made new by Chickering & Sons' I consider infinitely superior to any of their former manufacture, and for much perfect construction in every part, tone, touch and workmanship, that nothing more can be desired.

STRONG INDORSEMENT.
The musical profession of the city of New York have, with most unprecedented unanimity awarded to WM. B. BRADBURY'S PIANOS the highest meed of praise for his new and beautiful piano fortes. They state among other highly complimentary notices, that they have examined with much care W. B. Bradbury's new scale piano-fortes, and it is in our opinion that in power, purity, brilliancy, equality of tone and thorough workmanship, Mr. Bradbury's instruments excel.
"We find great brilliancy and beautiful clearing quality of tone most happily blended. We have rarely seen a square piano combine so many of those qualities so essential to a PERFECT INSTRUMENT."

CITY AND SUBURBAN.
FROM YESTERDAY'S EVENING GAZETTE.)

Important Decision in Regard to Huckstering.

Under the ordinance in regard to huckstering in the Diamond market, the Market Constable is empowered to arrest all parties who may purchase produce during market hours, for the purpose of selling the same—the object being to prevent storekeepers and middlemen from monopolizing the produce trade, to the detriment of the interests of those who purchase for family consumption. A number of parties were recently arrested for purchasing during market hours, to sell again, and among them was a storekeeper and a member of Councils. He did not deny that he had bought to re-sell, but claimed that he had made a previous agreement with the producer, to deliver him a certain quantity of poultry, at the market price which he might obtain on the day of delivery, and that in meeting and paying for the goods there was no violation of the ordinance, or at least that he was exercising a right of which he could not be deprived by any party or power. The City Solicitor, J. W. F. White, Esq., appeared as counsel for the city, and gave it as his opinion that any citizen had a right to contract for the delivery of produce in certain quantities, during market hours, and that if the goods were set apart for him, and not offered for sale, the fact of his receiving and paying for them in market hours would not render him liable under the ordinance. It was further held by the Solicitor that a verbal contract was sufficient. Under these state of facts, the Mayor dismissed the case. This decision will no doubt be taken advantage of by hucksters and storekeepers, who will find it a very convenient way of getting their supplies. The Market Constable, however, will arrest all those purchasing to sell again, as it can only be determined whether the party is purchasing under contract or not, by putting him on oath.

The Drowning of Wm. Boyle—A Verdict Rendered.

The Coroner's jury, sitting on the case of William Boyle, who was drowned on Saturday night, while escaping from Night Policeman McAuliff, again met at the Mayor's office at half-past twelve o'clock to-day. Dr. J. Rogers testified that himself, Dr. G. L. McCook, and the Coroner, had held an examination of the drowned man. An incision was made in the face, and it was discovered that the jaw was not broken, and that deceased had not even received a blow about the head. The tissues were not bruised as ever. There were no injuries to the limbs.

The jury, being satisfied that the deceased did not come to his death through violence, and that his death was not hastened by such means, agreed upon the following verdict: That the deceased, William Boyle, came to his death by drowning, while escaping arrest by Night Policeman McAuliff, who at the time was in the legitimate discharge of his duty.

Serious Charge.

On Sunday night Dr. John N. M'Dowell, of Birmingham, was arrested on a charge of procuring an abortion upon Mrs. Sophia Wolfe, also a resident of that borough. The accused, it is alleged, had criminal intercourse with Mrs. Wolfe, whose husband was at that time in the army, and that in September last, in order to remove the evidences of his guilt, he procured an abortion, from the effects of which the woman died some days thereafter. An information was made against M'Dowell before Justice Ammon, of East Birmingham, on the 27th of September, setting forth the allegations given above, and a warrant for his arrest placed in the hands of Con. C. Feld. The accused, however, left for parts unknown before the warrant could be served. On Sunday night he returned home, and was shortly after arrested by officer Feld, and placed in the lock-up. Yesterday morning he was taken before Justice Ammon, by whom he was committed to jail for trial.

Juvenile Depravity.—Mayor Lowry had before him to-day a small boy charged with drunkenness and larceny. The boy had been before the Mayor on other charges, but was let off at the solicitation of his mother, who desired to give him another trial. Since then he has been acting quite badly, and becoming infatuated he stole a hide, which he endeavored to sell. He was arrested, and will be sent to the House of Refuge. His father is in the army, and his mother is unable to control him.

Commissioners Discharged.—Wm. Campbell, Esq., Commissioner of the 23d District, and Josiah Cooper, Esq., of the 21st District, have been discharged from further service. The Provost Marshals and the Surgeons belonging to the respective districts are still retained in office, their services being required for some time yet.
