THE

STRONG INDORSEMENT.

The musical professors of the city of New York have, with most unprecedented unanimity awarded to WM. B. BRADBURY, the highest meed of praise for his new and beautiful piano forte. They state, among other highly complimentary notices, that they have examined with much care W. B. Bradbury's new scale piano-forte, and it is in our opinion that in power, purity, richness, equality of tone and thorough workmanship, Mr. Bradbury's instrument excels.

"We find great brilliancy, and beautiful singing quality of tone most happily blended. We have rarely seen a square piano combine so many of those qualities so essential to a PERFECT INSTRUMENT."

Presbyterian General Assembly.

SIXTH DAY.

The Assembly met at half past nine o'clock Wednesday morning, and spent half an hour in devotional exercises.

After the reading of the minutes, the Clerk read a paper from Rev. J. M. Lowrie, of Fort Wayne, Indiana, stating his inability, from sickness, to attend, as a delegate, the United Presbyterian General Assembly, which meets in Iowa on the 26th inst. His alternate had also been providentially prevented from attending, and he recommended the appointment of Rev. S. M'C. Anderson, of Davenport, Iowa, as delegate. The paper was referred to the Committee on correspondence.

Rev. F. Benour, Chairman of the Special Committee appointed to prepare a paper on the overthrow of the rebellion, and also in reference to the death of President Lincoln, submitted a report, with the following resolutions:

Resolved, That we render most devout thanksgiving to the God of battles for the valor of our soldiers and sailors, and for the success which He has been pleased to give to our national armies—for the defeat and capture of the rebel and traitorous armies—for planting the flag of our country over nearly all the revolted States, and for the well founded hope that the life of the nation and the Union of the great Republic is enunciated in the Declaration of Independence, for which our fathers fought, shall be handed down to future generations—for saving the loyal States from anarchy, during the progress of the rebellion, and for the prospect of lasting peace, founded on righteousness.

Resolved, That this Assembly hereby expresses its gratitude to God for the gift of Abraham Lincoln to our nation during the critical and important period of his Presidency—for the eminent qualifications for the position to which he was called—for his prudence, generalship, forbearance, firmness and mercy—for his modesty of purpose, patriotism and philanthropy—for the act that will make him known as the emancipator of 4,000,000 of slaves—for the confidence which he seemed at all times to repose in God, for the success of our cause.

Resolved, That while we pronounce the assassination of President Lincoln to be a crime unparalleled in its atrocity and the malignity of its spirit, we would recognize in this and calamity which has fallen upon our country, and which has excited almost universal sorrow, the providence of God; and with hearts filled with the deepest grief, would bow in humble submission to the divine will.

Resolved, That we do most earnestly commend the afflicted family of our late martyred President, to the consolations and grace of God; and while we pray for them, we would also offer our most fervent prayers to the Lord in behalf of all who have been bereaved, and in the President of the United States, so suddenly called to his high office, and for all who are in authority in our land, that they may "do justly, love mercy, and walk humbly with God" and especially would we pray that the baptism of blood, which we have witnessed for four years, may be followed by a general and lasting baptism of the Holy Ghost sent down from Heaven.

The report was accepted and placed upon the docket.

Dr. Wood, from the committee on Overtures, presented an overture from the Presbytery of Newton, asking the Assembly to prepare and issue a pastoral letter to the churches on the state of the country and the present duty of Christians. The committee recommended that the request be granted and recommended the appointment of a committee to prepare the address. The report was adopted, and the Moderator appointed Dr. Wood to write a pastoral letter on the subject stated.

Dr. Lord, of Buffalo, presented the report of the committee on the report of the Board of Publication and Sabbath Schools. The report was accompanied with resolutions, recommending that in view of the vast field opened by the termination of the war, increased efficiency and liberality be used, and every effort be employed to increase the number of labourers in this field; that the General Assembly direct the Board to take prompt and effectual measures to restore and to hold up the Presbyterian General Assembly, which meets in Iowa on the 26th inst. His alternate had also been providentially prevented from attending, and he recommended the appointment of Rev. S. M'C. Anderson, of Davenport, Iowa, as delegate. The paper was referred to the Committee on correspondence.
