Ariington and Mrs. Gen. Lee.

Aritagion and errs (den. Los. It is not doubted this Mar. Lee, the wife of the robel leader, Robert K. Lee, and formally an-number her determination to lay claim to Ar-ington Heighta, and is in a very ill humor be-cube that baronial estate has not been suffi-dently cared for by the rilo Yankow. This is the sublinest specimes of assurances we have read of since the celebrated offer of a certain lower-footed gentleman to give away a black-

read of since the celebrated offer of a certain cloven-focuted gentlemanto give away a planta-tion that did not belong in bind. There is in the vicibity of Arlington House, indeed an apart of the property, a romanic, such, in which issue of Mar. Lee's husband, or by har hasband's froom, are baried. These sucred remains 'shall not be provided by the unhallowed Souch, much (eas outraged by the usarping demand of this race of for the humiliation !- Wash. Chronicle.)

from the humiliation !- Wash. Chronicle.] Havara, Baunday, May 20.-The question of the Guonewall may be considered as settide. There was on Thursday evaning a council, at which the principal authorities of the Island ware present, and presided over by the Gaptain Gancest, who that morning had returne. from a short irip into the country near Gademas. At this council the Gaptain of the Stonewall (Palce) engared to deliver up bisship to the authorities of the island, to be held by them in trans for the United States Government. As he was without funds to par Government. As he was without indis to read that a Government. As he was without indis to pay off his erow, the government here have agreed to advance him \$33,000 for that purpose. The crow, by the by, is much smaller than it was a week shoc, for at least twenty for most have ordered. This arrangement, though not yet carried into effect, soon will be.

carried into effect, acon will be. This question as to the somi-lation spain of dialogal iministers at the south lato the New School Presbyterian fold, is agitating the Gener-si Assembly of this demonitation, now in sec-sion at the Lafayette avenue thrach, Brooklyz. This point was the subject of apirited discussion, as the next lips of the past two daws. Hemaits near were made by Rev. Dr. Spear, Rev. Mr. Lamar, Rev. Mr. Sawyer and others. It was in-healy concluded to creinda these erring ones, placing them, as it were, in quarastise for a short time, so that there is still a chance left for hem to come back. A resolution was also presed arthorizing the assembly to send ton ministers to East Tennerse. Subscriptions to the seven-thirty Loan PRILADENTIAL May 30.-547 Cocke reports The subscriptions to the 7-30 loss to-day at 43. 307 500 (The largest rotars subscriptions were \$000 000 rom G. F. Hais, cashler at 82. Conis and \$61,109 from the Third, Natural Bank 21112.1 persed authorising the asso-ministers to Bast Tennessee.

Several important improvements are now be ing made at Fort Lafayette. It is being cleaned in all parts, heavier gues are being monitod-intaliding some columniate- and the denom-and cells are being materially strongtheard.

are for this purpose. He expects that many sous would jury more than three dollars. If ceremon would pay more than three dollars. . any class is under obligations to build mont metric to Mr. Lincoln, is is the colored people for when he did so much; and yes it was no. fo then alone, but for the whole coustry and for he tuture, in proclaiming them free. How Do You Like it, Jefferson D.t

In answer to the question which has been asked during the last four years, as to whas standard of loyalty should be made, he would say, the principle difficulty is that there are men who know nothing about loyalty. No man who ever knew the meaning of the term had any difficulty in determining it. He should as soon expect a whick, who has beer firing about, shnsing her hurbast d's conditions and breaking the vows of wedheck, to determine what loyalty consists it, as soon as cue of those disloyal much in Missouri. The wife who hores her home and her hurband, and in he hurband who loves and cher-ishes has with aven o difficulty in deciding the question pather will the patriosic man, the hast who is we his country, who feels the blow that is simed at its existence, have any it on also about the meaning of the word loralty. If there is any difficulty in deciding the matter, we men of Missouri, for the present, sik to be excused from stoch mera as suit, what is loyalty? If a shed the Assembly to pass a rasolation that the met who are exit out there be loyal. Hethaght is starting at the starts in the same council and is starting the the start of the the start. AN OLD SONG WITH A NEW MEANING. Ob, how do you libe it, as isr as you're got Jeffram Li. 5 if fir too Lif Are you glad you began it, or d', e wish you had Luti Jefferson, Jefferson D. ! People say, (though, of course, I don't know the - esy, (inough, of course, I dun't know that it's dul, That your spirits are getting decidedly low, And you'rs sick and discouraged, and I dua't know what.... Jun say, though, do you like it as far as youv's

The who are sent out there be logal. Hothought in the who are sent out there be logal. Hothought it stratuges to salk in the same connexist of logally to the country and logalty to Gol. Some much have erron-us opinious about maral obli-gations and political duty, compounding them in have erron-us opinious about maral obli-gations and political duty, compounding them in the did not with to be acked whether be was a whiger a democrat, or in faror of a National Backing Law. The contingency, which has been acivil one, is to be settled on the question of logally. Di-lovally will have to be upded out, he believed it would not be ten years before these who have been incoured with it will be ashamed of themselves. In Missourd we had get through with it, but he was sorry to see the sum discase fastening on the people of Kentucky. gott Ot hot Jefferson D. t Things look rather shart, . .ow, twent you and met Ot hot Jefferson D.t And what do you think et that sour suple tree t And what do you think at that sour apple tree t The revired rebel organ in Richmond (the Times) incomes flowerous Perspond, encour as a provise al appeintee of the Prosident, and ap-report in very to have beend of the amon-ed Stars constitution.
