The Elections in Virginia-Outright Reb-

els Elected. NEW YORK, May 30.—A Washington special says: As far as head from the persons elected to the House of Delegates have been active roisel sempatikurer or outlight robels. The two men-bers elected from Alexandria are T. R. Bobert-sop and J. A. English, who were among those elected just fall by the commander as Alexan-dris and sent to and froupon the rairoad cars as friends of querrillas and robels thus proventing attacks upon trains.

Sherman and Stanton.

From sountiess drum and busis broke The joyous Northern Revealle.

At length upon the North wind came A whisper stalling through the land; It spread fr. m but to hou like disme; "Take beart! the hour is near at hand

 CITY AND SUBURDAY.
The Pressyteria, General Assembly. The Asymptotic Control Assembly. The Asymptotic Control Assembly. The Asymptotic Control Assembly. The Asymptotic Control Assembly and the Asymptotic Control Asymptotic Control Contro Control Control Control Control Control Control Control Contr The whisper spread, and is, on high The dawn of an unhoped for day: "Be glad i the Northern troops are nigh, The fleet is in Port Royal Bay in Responsive to the work of cheer, An inper vace said "Hise and foo ! Bestong, and cast away all for; ! Thou set a man, and thou at free !! And, fall of new-born hope and might, He started up, and seaward fied. Bi day he turnet asde-by night ... He fo'lowed where the North star led.

Through miles of barren pins and waste, And endiess breath of swamp and sedge. By straams, whose torthoom path is faced In tangled growth along their edge.

Two nights he fied-ro sound wis hearl; He met no eventure on his way; Wwo days crouched in the built with third, He heard the blood-hounds' distant bay. They drag him back to stripes and shame, And blirte unrequired toil ; With red hot gyres his feet they maim, All future thought of flight to foil.

We shuddering turn from such a cup, Nor date to look on his despair; Fordhem-on i let us offer up The Saviour's sarrflicial praver.

But the celestial voice that spake. Erst in his soul, might not be hushed ; The serse of birthright, once awake, Could never, never more be crushed. And brave of heart and strong of will He keys his purpose, laid his pian; Though crippies, chained and capities still; A slave no longer, but a man.

Eleven months his soul he steeled To toil and wait in slicht pais, But in the tweith his wanneds were hes He burst his bonds, and fod again.

A weary winding stream he sought, And crossed its waters to and iro; An indian wile, to set at nough: The bloody instants of h s for.

The waters widen to a ton, And while he hid hist, breathless, there, With bruts! crice of dogs and men, The hunt west bound and round his lair, The baffed hounds, have lost the track-With meny's curse and many a sty. The appry owners called them back. And so the wild pursuit went by.

The deadly peril seemed to pass, A bd then he dared to raise his bend Above the waving marish grave, That mantied o'er the river bel. Those long broad leaves that round him grew lie had been wont to bind and plant; Anil well, with rimple skill, is a new To shope the basket and the mat.

Now in their treases and and duil He saw the hope of his escape, And patiently began to culi And weave them in cance-like shape To give the reedy fabric slight An armor 'gainst the socking brins, With painfni cars he sought by sight The amber weepings of the pine.

by in relation to the questions of slarers' and rebellom. The resolution was made the order of the day for Wednesday. The hour arriving for the order of the day, all other business was suspended. Rev. James M. Plait, from the Committee on Church Corres-fondence, made a report which was adopted, The order, buing disposed of, on mot os the erator spolnted as a Committee on the first erator spolnted as a Committee on the first elder C. A. Preton; on the second protest. Rev. E. M. Cravu, Rev. E.J. Waller and Judge Doner.

Oh, silent river of the South 1 Whose lonely stream ne'er falt the oar Is all its source, from rise to mour h, What precious freight was that you hore !

Rev. E. R. Cravic, on the second protest. Rev. E. R. Cravic, Rev. E.J. Waller and Judge Bonner. Dr. Elliot', from the Committie's appolited to prepare a paper on the triumphs of the mailonal same, the downfall of the reballion, and the d ath of the late lementel Chief Magistria, Avalaam Lincoln, such a triumph of the mailon of the rate of the condition of the value of the second logical Seminaries, made a long and elabo-rate report of the condition of the value of the report adopted. The Cramituse on Synodical Reports presented an overture from the Assembly of Wheeling, aking the Assembly to defaue the boundary of the tas the Assembly to fass further wither the obsendary. On motion, it was ordered that a session be held in the evening at half-peak seven by circle. The Assembly adourned with payet. XTENNG SESSION. The gristled oak and tall dark pine Sureth out their boughs from either bank A croas the stream, and many a vine Featocas them with luxurious rank.

The yellow janmine fills the shade With golden light, and downward shed From sleptder wresthe that lightly swayod Her Itagrant stars upon his head. But still the best from dawn to dark "Neath overhanging shrubs was drawn, And loosed at eve, the little bark Safe floated on from dark to dawn.

At length, in that mysterious hour That course before the break of day, The current gained a swither pow?, The boat began to rock and sway:

He felt the wave beneath him swell, Him nontrils drank a frosh sait breath, The boat of rushes ross and fell-"Lord i is it hie or is it death ?" He saw the eastern heat en spanned

With a slow spreading belt of gray, sents glimmered, ghost-like, on the sand And rhantom ships before him tay ; The sky grow bright, the day awaka
