Reception of Regimental Flags.

It being impossible for Governor Curtin to visit Gettysburgh on the Fourth of July, it is proposed that the flags of the Pennsylvania regiments which returned from the field and encamped at Philadelphia and Pittsburgh be received by his Excellency at Camp Curtin, Harrisburg, on Saturday, July 14, when Major General Meade and staff, besides numerous other prominent officers, will arrive there enroute for Gettysburg, at which place they design participating in the celebration of the "Glorious Fourth," upon the spot rendered sacred by the tombs of thousands of the brave men of the army. Regiments referred to are invited to appoint committees who shall depart, shall be to take their respective flags to Harrisburg, in order that they may be received by the Governor, in presence of his distinguished warrior who will be there on Saturday, the 21st of July.

Fines for the County.—We learn from Sheriff Stewart that the fines accruing to the County Treasury, during the present term of the Court, aggregate about $3,500. This is by no means a small item, especially when we remember that the Court has been in session less than one month. The principal portion of this money, of course, is from illegal liquor sellers, and 10 to 1 will always be made to pay something towards defraying the expenses of the county, which is largely enhanced by the business which they force upon it. In looking over the books of the Sheriff, we find that quite a number have been fined, but as yet the fines are not paid. The cases are all entered up promptly, and in the most systematic manner, so that no delay or confusion can result to any party having business to transact in the office.

Grand Entertainment.—The Joint Committee of Arrangements appointed at the Joint Committee meeting of the United Presbyterian Theological Seminary in Allegheny, will meet for the 4th of July, in this city, Rev. John Clark, D. D., the Corresponding Secretary, has issued a stirring appeal in behalf of its project, and it behooves all who are interested in the measure, to work in such manner as will render their efforts successful.

Council Coal near Beaver.

The Beaver Oil Company commenced boring a few days ago upon their lease on the lands of Captain D. M. Donehoo, on Two Mile Run, three-fourths of a mile from Beaver, and have already made a strike as important, and probably as remunerative as if they had found the oleaginous fluid of which they were in search. At fifteen feet below the surface they struck a deposit of Cannel Coal, and bored through coal continuously until they reached the depth of forty-two feet before they passed out of it into a bed of fire-clay. The first five feet of the coal bed is of an inferior quality, but below that depth eighteen feet of good Cannel, and beneath that from three to four feet of bituminous coal, also of a fine quality. The *Argus* says:

"The fragments brought up by the sand pump burn readily, and seem in every respect equal to the coal produced at the Darlington mines. The deposit is near the surface and readily reached by shaft or drifting, and on account of its location, if all of the quality of that presented to us, must prove of great value to the proprietor and lessees. Gentlemen of experience in the coal business, to whom we exhibited some of it, state that it resembles the Brownridge coal used in the manufacture of stoel. The Company will develop it immediately, and their stock is up for the present."

Heavy Land Sales.—A few days since we noticed the purchase, by parties residing in this city, of six hundred acres of land in Blair county, known as the Holliday tract, the price paid being $25,000. Since then, George Bingham, Esq., has sold 650 acres on Clearfield Creek, near Holliday's tract, for $40,000, and Mr. Jas. Condron, of Hollidaysburg, sold 600 acres to Mr. Joseph Irvin, on the same creek for $4,000. All these lands are coal and timber lands, which will be opened up by the "Allegheny Coal and Mining Company's" Railroad, which it is expected will soon be under way. Besides, oil has been struck by the Messrs. Collins, near these lands on the same creek.

Allegheny College.—The regular anniversary exercises of Allegheny College begin on Friday evening next, at Central Hall, the performance as that time being a contest between the students of the lower classes for a prize offered by the Rev. Scully for the best essay delivered. Saturday evening, the Biblical Society holds its anniversary at the same place, followed on Monday evening by the Philo Franklin, and Tuesday by the Adelphic. The commencement exercises of the college will be held at Central Hall, beginning on Wednesday morning, the 28th inst.

A New Ghost Sensation.—A southerner was arrested at Meckenridge, a few days ago, charged with robbing a farmer of $2,000 in that county. Since his arrest, the accused has made a confession; in which he states that an organized band of southerners, called the *White Ghost*, is scattered through Kentucky, for the purpose of robbing the people. Papers were found on his person giving the names and locations of different individuals in the valley, as well as a list of the towns and distances between them, from Williamsport to Lancaster.

Robbing Soldiers.—Scarcely a day passes that we do not see in our exchanges some case of robbing soldiers. The soldier seems to be food for sharpers in every direction. They take him into a groggery or saloon; ply him with drugged liquor and then rob him. If the returned soldier must get drunk, before doing so he should deposit his money with a banker, or what is better, leave it with his family. But what is far better he should not get drunk at all.

Horse Stolen.—Two four year old bay horses were stolen from the premises of Henry R. Chalfant, in Wilkins township, on the night of the 19th instant. The horses were insured in the Farmers' Valley Mutual Horse Thief Detecting and Insurance Company, of Kittanning, Pa., and are branded under the mane with the letter "C." The company offers a reward of $30 for each horse, which will be given for the arrest and conviction of the thief.

School-house Struck by Lightning.—During the storm on Wednesday last, the school-house in Kerrtown, Crawford county, was struck by lightning, tearing its stove and pipe to pieces, and very seriously injuring many of the scholars, shocking and burning a great many badly. Among others a little daughter of Mrs. Tobin was so badly burned on the arm and side that she will scarcely recover.

Released on Bail.—Wm. Rossman, charged with the murder of Louis Hellman, by pushing him out of his saloon in East Birmingham, was brought before Judge Stowe, this forenoon, on a writ of habeas corpus, and discharged on entering bail in the sum of $2,000. The Coroner's jury, it will be remembered, acquitted the accused of malice in this unfortunate affair.

The Criminal Court.—But little business was transacted in this Court on Wednesday afternoon. Aloise Kumpf and James Cox plead guilty to illegal liquor selling, and were sentenced to pay fines—the former $15 and the latter $20. Mrs. Maria Bowden was arraigned for the larceny of a shawl on oath of Mrs. Hunt. The case was still on trial at noon.

Northern Cotton Planters.—We learn from a letter of Rev. A. B. Bradford, to the New Castle Courier, that a number of gentlemen from New Castle and vicinity are now at Murfreesboro, Tenn., engaged in the cultivation of cotton on leased plantations. Among them are Major Johnston, of the New York Times, and Captain Clarke, and they are said to be meeting with excellent success.

Celebration.—The people of Meadville are making preparations for a grand celebration on the Fourth. Thomas M. Marshall, Esq., of this city, has been invited to deliver an address, and has assured the committee that he will be glad to be present on the occasion. The editor of the *Journal* expects something good from "Tom," and we are sure he will not be disappointed.

Important Discovery.—The Steuben Coal Company have struck a five and-a-half foot vein of coal, in their shaft near Steubenville, at a depth of sixty-three feet. The shaft is on the bank of the Ohio river, and the Cleveland and Pittsburgh Railroad passes through it. The Coal Company intend erecting a blast furnace and rolling mill on the premises.

Accidentally Shot.—Information has been received that Stephen S. Nordstrom, son of T. S. Northam, Esq., of this city, was accidentally shot a few days ago, near Sand Creek Church, Mississippi, and died on the morning following the accident. The deceased was a member of the Second Illinois cavalry.

Entered Upon His Duties.—Colonel Grier, of the First U. S. Cavalry, entered upon the duties assigned him as Assistant Provost Marshal of the Western District of Pennsylvania, Chief Mustering Officer and Commandant of the post at Harrisburg, in place of General Hinks, who resigned his commission and retired to private life in Massachusetts.

Soldier Dragged and Robbed.—On Wednesday a returned soldier was drugged and robbed in Harrisburg of seven hundred and sixty dollars, by some villain who left him lying on the street, after having taken his last cent.
