KEYSER: I became smitted with FIRE AND INLAND NAVIGATION RIBER. No. 124 SOUTH WHARVES, PHILADELPHIA, P.A. DIRTHRIDGE'S PATÈNT PRIDAY, June 23, 1965, The market for both Crude and Befined, on the 27 Storage capacity (under cover.) for 15,000 barn is. Also excellent facilities for ahipping to Ame. can and Foreigh ports, at our what on the Schu ikill River, near the platform of the P. E. E. se2-ly Piles about twenty years ago, and every year they In mind.

The Minerva was advertised to leave Cincinnati for Pittsburgh on last Thursday morning.

Sibling of the Echo No. 2.—On Tuesday morning last, as the transport steamer Echo No. 2, from Johnsonville, Tennessee river, was rounding to, at Oairo, she came is contact with the sharp prov of the Monitor Oneits, which is anchored in the stream opposite the city, and sunk in a few moments. The market for both Grude and Refined, on the spot as well as for future delivery, continues moderately active and firm, although prices are not quetably higher. The stock of Grude is very much reduced, and with light receipts, holders are firm in their views and refuse to make concessions in order to effect sales. We note sales of 300 bbis and 135 bbis, at 21½, bbis re urned; 250 bbis at 25½, bbis included; and 1000 bbis—on Thursday—for July delivery, sellers option, at 21½. There is, also, a livery, sellers option, at 21½. There is, also, a when about twenty years ago, as to trouble me vary much o much so at times as to unit me for work. Some mes I was so bad that I could so to anything on account of them they came out on me as large as a hinkory nut. I had tried a great deal of medical for them. I used to buy and take whatever I could Oval Lamp Chimneys, STANDARD Commercial of Thursday.

The Kenton, from St. Louis, was full of people, and distance of the stores of Thursday.

The Kenton, from St. Louis, was full of people, and distance, and such as a few mentals. A. A. WILLIAM FISHER, Fifth Ward, between Mechanic and Harrison streets, de205m
Pittaburgh, Pa. From the Rock Island Union, 20th. The BAIR—No complaint is now heard on account of want of rain. Enough has fallen during the last week to answer all purposes. Vectation of all kinds have taken a new start, and the promise of a large yield of every description of farm produce is assisfactory. Corn, though for the past few weeks looked poorly, now shows signs of roomies and an abundant yield.

The Whest Grop.—Farmers inform us that the wheat circl prever gave there promise shan at present. It is pretty much all in head. Though much fear was expressed a few weeks ago that the shinch bug would take it, we learn that the appearance of the bug has not yet been discovered is numbers to give any alarm, and is believed will not an-Office at his Drug Sters, No. 149 WOOD ST sign of the Golden Morter. My stock embraces everything in the Shoe Line
from a TEN UENT TO A TEN DOLLAR PAIR.
All I ask is for everybody to call at The Chillicothe (O.) Gazette says: The Chillicothe (O.) Gazatte says:

"The weather for the part week could hardly have been more favorable for the growing crops. The sunshines and heat have been broken by frequent refreshing; showers, under the initiance of which all kinds of vegetation has made most rapid growth. There are various reports concerning the growth. In some places it has been blighted by rust; in others the dy has done considerable damage; but altogether we believe the crop in this county at present promises to be full an average gos." PORTI TEARS PRACTICA
