AUCTION SALES.

PUBLIC SALE OF
FIVE LARGE AND VALUABLE TRACTS OF
COAL LANDS,

On the Pittsburgh and Steubenville Railroad, in Washington and Allegheny Counties, Pa., and Brooke County, West Virginia.

ON MONDAY MORNING, July 17th, 1865, at 10 o'clock, will be sold in the City of Pittsburgh, at MELLOR & LINE'S AUCTION ROOMS, 184 Smithfield street, next to 120A street, opposite the Post Office, the following valuable Coal Tracts:

12 acres and 54 perches of land in Brooke county, West Virginia, adjoining Cross Creek Village. This tract is undesirable with, and commands to the opposite shore, the same strata of coal as is developed by a shaft in that about Steubenville, which can be regarded worth about $250 per acre. It has a front and backing of 20 rods on the Ohio river, bounding the only deep water in that vicinity, and located suitably and at proper distance from the bridge and wagon road to Wellsburg on the Pittsburgh, Steubenville Railroad, to afford sufficient room for erections for coal sales between said road and river. This point is the only one on either side of the river, within available distance of the railroad crossing, that for a long distance, and would afford a fine income, as a wharf or landing already for the shipment of coal by other parties.

112 acres and 69 perches of good farm land in Hanover, Smith, and Jefferson townships, Washington county, Pennsylvania, about 12 miles from Steubenville, about ten miles from Steubenville, on the Pittsburgh and Steubenville Railroad. Several pits have been worked here, near the railroad station, rendering part of it valuable for local trade, and about 90 acres of good coal (of the Pittsburgh vein) are in the south side of this tract, in good position for handling our large, commanding line, to another large body of coal.

113 acres and 115 perches of fine quality limestone land in Smith township, Washington county, Pa., near east end of the Chartiers Tunnel, on the Pittsburgh and Steubenville Railroad. This entire tract, underlaid with first-rate coal, of the Pittsburgh vein. In addition to its coal and superior soil, this tract possesses the advantages as a point for town lots.

The undivided one-half of 98 acres and 87 perches of excellent quality of coal land in Smith and Jefferson Townships, Allegheny Co., Pa., on the Pittsburgh and Steubenville Railroad, a short distance west of Noblestown. About one-half of this tract is underlaid with first-rate coal, and another large body of coal accessible in the immediate rear of it.

100 Acres first quality farm land in Robinson Township, Allegheny county, Pa., on the Pittsburgh and Steubenville Railroad, twenty miles from Pittsburgh. About one-half this tract is underlaid with first-rate coal, and another large body of coal accessible in the immediate rear of it.

This tract is further valuable for its fine Timber and Limestone.

THESE COAL TRACTS ARE OF A CHARACTER AND IN A POSITION TO AFFORD LARGE PROFITS THAN ANY OTHER COAL PROPERTY IN WESTERN PENNSYLVANIA.

They were early selected, with care and judgment, as choice points to be secured on the Pittsburgh and Steubenville Railroad, with special reference to the coal business; holding control of important positions, for the peculiar facility of supplying either or both of the Pittsburgh or the western markets. Beside the vast western consumption, destined to be jobbed of all materials for the coal trade, it is found already impossible to supply the demand for coal to ship on the lakes; making this the great advantage in position held by these tracts.

TERMS OF SALE.—One-third cash; balance in one and two years, with deferred payments secured by bond and mortgage on the property.

For examination of plans and title papers, inquire of W. F. Baum, Esq., No. 86 St. Clair street, Pittsburgh.

CITY AND SUBURBAN.

FROM YESTERDAY'S MORNING GAZETTE.)

Rowdies Punished.

Mayor Lowry had before him to-day two somewhat notorious men named Jim Whitaker and Bill Kane, charged with making a murderous attack upon a stranger at the tavern of Jim Williams, on Fifth street. The night police pounced upon them before they had done any material injury to the man, and secured from Whitaker a most murderous weapon known as a sling-shot—consisting of a heavy piece of lead neatly sewed up in a strip of leather, with a loop to place over the wrist, that the implement may be kept at hand when the owner is taking exercise. The weapon is so heavy that it would require but a slight tap to break a man's skull, and any one attempting to use such an implement deserves to be severely punished. The full extent of punishment had been prepared, the Mayor could only fine the parties for disorderly conduct, and he imposed a fine of twenty-five dollars, in default of which they were committed to jail for thirty days each.

It is proper to state that Mr. Williams, the proprietor of the house, did all in his power to prevent the disturbance, and kept the men from entering his house until the officers arrived.

Oil in Mahoning County, Ohio.

A well was struck in Newton Falls, on the East Mahoning, a few days since, and is now flowing daily over nine hundred bbls, and is now flowing daily over seventy-five barrels of the very best kind of illuminating oil.

The "Crowell well" at Frederick, on the West Mahoning, has a good show. The proprietors are enlarging their pumping facilities, and change of tubing, &c., said, in a few days, will be ready to commence pumping. The Crowell property is one of the fascinating kind, and said to be of the best quality.

Messrs. Benjamin and Calvert, of New York city, are now engaged in putting down operations for Mahoning, drilling another well near Frederick, where they have purchased five hundred acres.

Oil men from Pennsylvania and elsewhere are daily engaged in leasing and leasing lands on the Mahoning near Ohlton. The well on the latter place, struck several years since, and now owned by Messrs. Woodside, Sarvis & Co., will pump and flow within a few days. It seems that Mahoning county is bound to become an "Oil Dorado."

Mysterious Disappearance.

Wm. S. Tomble, a well-to-do farmer of Marion township, Richland county, Ohio, left home immediately after dinner, on the 12th of June last, taking his gun with him. Nothing unusual was noticed in his appearance and no further thought was taken of the matter. A the time he went away he wore an old pair vest, thus indicating this he had no intention of going away far. Since that time nothing has been seen or heard of the unfortunate man. His friends are left in great doubt and uncertainly as to his fate, it being impossible to determine whether he committed suicide, has been murdered, or left for parts unknown. He was about forty-six years of age, unmarried, and the owner of a fine farm near Mansfield. His friends offer a reward of two hundred dollars for information in regard to his whereabouts, or the recovery of his body if dead.

Lease of N. W. and M. C. R. R.

We understand that the Pittsburgh, Fort Wayne and Chicago Railway Company have leased the Beaver, Valley and New Castle Railroad for a long term of years. This is another manifestation of the enterprise of this now flourishing and prosperous company. The arrangement will be of great advantage to the traveling public, as it will save all the delay at Homewood, occasioned by the change of locomotives and the shifting of trains. We have ever found the conductors and officers on these trains polite and attentive to their business, and now under the new arrangement they will be able to discharge their duties with satisfaction to themselves and the public, who in these "fast days" can brook no delay. The arrangement will take effect on Monday next.

Killed by Lightning.

Mr. T. J. Haley, a respected farmer residing near New Philadelphia, Ohio, was killed by lightning a few days ago. He had taken refuge, with his horse, under a chestnut tree, which was struck and shattered by lightning. Haley and his horse were found both lying dead at the foot of the tree. The lightning had torn the shirt off his breast, upon a portion of the body of which it had ignited and tore open his boot. His skin was unbroken, but was of a much darker color than when living. Blood had oozed from Mr. Haley's nose and mouth after death. The horse is supposed he was standing against the tree holding his horse, when he was killed, as some of his hair and a small piece of his hat was found on one of the lower branches of the tree.

Paying Off the Troops.

The Post of this morning, in alluding to the delay in the payment of troops at this point, attributes it, "to a scarcity of clerks," or some other cause not easily ascertained, as no fault is found with the paymasters, and "yet the men are not paid." We have upon inquiry learned the reason in this matter, and find that there is no delay whatever in the payment of the men, when the muster-rolls are made out. There is considerable delay, however, in getting out the muster-rolls, and this arises from the fact that the clerks, as it is the business of the officers to furnish the rolls.

Girls' Fair.—There will be a fair held at City Hall, Allegheny, on Friday and Saturday evenings, gotten up by several little girls of the Second ward. The object of the fair is very creditable, being for the benefit of the Sabbatarian Committee, and we trust that it will meet with excellent success. Quite a number of articles will be on exhibition and for sale. Among the list are elegant vases, wax flowers and other articles, which will be raffled off. A very large cake, with an elegant chased ring, will be sold.

Dry Goods Cheap.—If any of our readers doubt that dry goods can be bought cheap, they have but to visit the establishment of Barker & Co., 59 Market street. They will find prints, muslins, linen goods, shawls, cloaks, silks and all kinds of dry goods; also greatly reduced and the prices made so near those which we used to call cheap years since, that all these doubts will be dispelled, and more that this they will find a magnificent stock from which to select.

Daring Robbery.—On Sunday night last the Court House at Mansfield, Ohio, was entered by burglars, and the outer door of the safe containing the county funds; blown open with gunpowder. The inner portion of the safe, in which the county funds were deposited, remained intact, and the robbers only obtained about five hundred dollars in revenue stamps, and postage currency.

Degrees Conferred.—At the annual commencement of Westminster College, on Thursday last, the honorary degree of Doctor of Divinity was conferred on the following gentlemen: Rev. Calvin Kistler, United Presbyterian Missionary at Cairo, Egypt; Rev. D. Goodwillie, Vermont, and Rev. F. M. Willson, Professor in the Reformed Presbyterian Seminary, Allegheny City.

Arrival of Hughes, the Murderer.—Officer Kemp arrived in the city on Friday morning, at five o'clock, from Philadelphia, having in custody Thomas Hughes, whose arrest for the murder of Miller we have already announced. Hughes does not seem to be particularly concerned as to his arrest, and talks as good humoredly as though he was charged with the smallest misdemeanor. His has not yet had a hearing.

Selling Whisky Unlawfully.—Mayor A. G. Riddle held a hard-to-digest examination, yesterday, relating to Richard Grant, charged with selling liquor on Sunday. The case was fully made out, and the Mayor fined the defendant the summary penalty of $50, which the defendant paid.

RELIGIOUS INTELLIGENCE.

The statistics of the United Presbyterian Church reported to the late General Assembly show the following: The Church is composed of 7 Synods, divided into 48 Presbyteries, with 3 Missionary Presbyteries additional, there being 49 Presbyteries altogether. The Missionary Presbyteries are Sealkote, Egypt and Oregon. There are in the Church 334 settled pastors, 152 ministers without charge, being a total of 516 ordained ministers. There are 50 licentiates, and 40 students of theology. There are 650 congregations under her care, with 24,921 families, and a membership of 58,265. She has had an
