Guerrilles still swarn around Matamoras, and the rebels from our Southern Blates continue to arrive in Merico in large numbers. The *Harali's* Galvesion correspondent gives some additional details of the the erodus of the rebels from Teras to Mexico. The rebel Gener-al Shelby Bnith with three thousand of his fol-lowers, and accompanied by ex-Governors Moore and Allan, of Louislans, and other ex-tinguished political luminaries of the late Con-federacy, were on the way. They had trans-portation and supplies for all months, and all were armed with the verspons which they had faithlessly failed to surrender to the National Government in accordance with the terms of Rirby Smith's capitulation. They professed, though, that they were marely going to Mexico as emigrants, and not to fight for either Repub-gans or Imperialists. Many of the Teras people who choose or are concelled to remove in their own Stato, are much embilitered agalest these fugilityes, and are pecally the leaders, who fas form the troubles into which they have succeeded in getting theso helpless duper. Those who stop behind are cesting about for the ways and means of sur-menuting the general prostration in which the war has left all manner of ludistry. It is estimated that there still remain in Toras from 100,000 to 150,000 bales of the old corp cot-ton, while owing to various unfavorable circum-stances it is though that this year's crop will not exceed fify thousand bales. It is also cal-tunated during the way, five millions punds of wool. The Tange' Mexico correspondent asys: The able planters are taking the oath of allegiance A small garrieon of Union troops occupy Hous ton, Wigfell's family had sreived at Marshal. A flotd in the Bio Grands had swept away 1,500 bales of colton stored on the Mexican side of the river. The graster portion of it will be cread. caved. National Burgingen Colone Comments. The Times' Mexico correspondent says: The Imperial Government has announced that it perterentered into any negotisticus with Dr. Guinn, making him duke, nor governor, not Stock and Money.

Stock and Money. Naw Yoar, July 15.—The Stock market was quiet this morning. At the first board there was a sliphi decilne. During the day there was considerable improvement, and at the inst board the market was strong with large purchases of Erie. The demand for Governments is not as large as that of yesterday, and there is a partial reaction. The shipments to-day where about two and a quarter millions. State bonds are generally dull but without material change. Coal shares are dull. Miscellaneous ahares are lower. Coal shares are duil. Miscellancous anarcs are lower. Gold was quiet to-day, and purchases were confined to the actual wants of merchants. The bull combination borrowed one hundred and fifty thousand dollars y-iterday in curricures, for thilty days, and retained one hundred thousand dollars from the market, but this had he offect upot the price. Money is in active demand, and quite firm. The prevailing rate is five per cent.
