

UNION COUNTY TICKETS.

FOR DISTRICT ATTORNEY: LEVI B. DUFF, of Augustus.

THE DETROIT CONVENTION.

This body has adjourned, and its effect upon national sentiment is about the same as that of a steamer passing through the sea.

The British provinces were largely represented. Even small towns improved their boards of trade and delegates.

New York city was there in force with sundry very large aids to grand, some of which would draw heavily upon Uncle Sam's motive power.

Commerce, commerce, commerce was the whole cry, and facilities for carrying all the raw materials that the vast and teeming soil of the great central valley could produce.

THE RICHMOND WHIG.

The suppression of the Richmond Whig, for sedition, has been already announced by the Whig.

But while, in my judgment, the authors of our calamities deserve the severest punishment which it is in the power of a free-traded, outraged and suffering people to inflict.
