The Great Central Basin.

Mr. Bowles, of the Chicago Tribune, who is one of Speaker Colfar's party, now crossing the

Continent, writing from Aust in, Nevada, says :

Continent, writing from Austan, and the set of the country between this and Sait Lake is desolate enough. No one can understand how thierly worthless it is for all the uses of man, with the set of t a mejority of her plaaters are pursuing a humane and jadicious course towards the slaves. New Yonx, July 18.—The steamer Louisa Moore, brings Wilmington dates of the 1sth. The Herald asys that nearly a million of doi-lars have been paid to the soldiers there within the past few days. The Anierican Telegraph Company have tak-en charge of the Southern lines, and arpect soon to have communication through the interior, be-tween New York and New Orleans. The Luisa Moore left one day prior to the time advertized for her sailing, owing to the fact that her cargo, de., were fying on the dock before she arrived. There is more freight at Wilmington for the North than the present transportation can accommodate, and will be an increased demand, as there is a great amount of produce aboat Wilmington. The da Masachusetts Heavy Artillery have gone to Fort Fisher, to relieve the 16th New York, which is ordered to report to General Au-Kur at Washington. while it workless if is for all the uses of man, except where the mountains are filled with mis-raths, while he eees it. The exprissing sage brank, with s few stonde clears upon the moun-tains, and willows, and patchess of grans, and scattered flowers in the gorges scarcely redeen. The whole country from utter and hopeless steril-ity, The exceptions are scarcely worth maming, for affer itswing the Sail Lake Valley, the moun-lains are not so high at the Wintag on the East nor the Sterras on the West, and hence they do not the Sterras on the West, and hence they do not the Sterras on the West, and hence they do not the Sterras on the West, and hence they do not the Sterras on the West, and hence they do not the Sterras on the West, and hence they do not the Sterras on the West, and hence they do not the Sterras on the West, and hence they do not the Minter and the transport of the palls - United States greatly need revising. In all but the most grantal Lake will we reached the Bierras, at or near Virginia City, some two hundred miles west; while, h fact, he stage crosses thirteen distinct ranges in that distance. True they are not so bigh as the main divisions of the othey are not so bigh as the main divisions of the othey are not so bigh as the main divisions of the othey are not so bigh as the main divisions of the othey are not so bigh as the main divisions of the othey are disting traced. If while here would have bar

Monulais, but future maps ishould have them distinctly traced, if publishers would lay any just claim to accuracy. The valleys between these meantains are from five to/twenty-five miles wide, almost entirely barren of everything but sage brush. It should be noticed, however, that this universal stenility is due entirely to the wath of water: for it our indowner, the land

GAYLE SENT TO FORT PULASKI. wast of votice; for in our judgment the land wast of votice; for in our judgment the land here in most cases is just that proportion of filicious and calcarious ingredients that would make a most productive soil, could is be blessed with timely rains. It may be worth while to mention that our supportion as to the probabilities of a mute be-Application of Hunter for Pardon.

NEW YORK, July 18 .--- G. W. Gayle, the man who offered a million of dollars for the murder

"It may be worth while to mention that our "By may be worth while to mention that our "supportion as jointe probabilities of a route be-ing found a hundral miles could of Sait Lake. for the Pacifor nilway, has been changed by our ride of four hundred miles thom that city. It consequently cannot follow the stage route over the under langues of the mountains between Yinginia and Sait Lake, and soundains between Yinginia and Sait Lake, and soundains between Yinginia and Sait Lake, and soundains between the country south of the have assured us that on the route over barren ald broken than it is on the route over barren ald broken than it is for the oran who and the have passed. As Bankon once had is Courtes the buffuls ages for surveyed the route for the great highways of the country famore both of Sait Lake, and by the Humbolds and the Carron Yaleys, to: the best peaks, and that will be difficult enough to San Francisco. The route indicated site of California trail, still bared in one by majorints to the Facilic alope. These observations, at peaks provide the route indicated is the old california trails still have direvel of the market best Pass; and that will be difficult enough to San Francisco. The route indicated is the old california trail, still hargely in use by superimits to the Facilic alops. GREAT FOUR GARED BOAT BACE. The New Yorkers the Victors,

POUGHEERSIB, July 18.-The great four

Sincers, may be of some service to those ploneers time in which the five miles were made by the time in which the five miles were made by the the locure diverse of the service was thirty-seven minutes and twen-gonvinced us of their general accuracy, by seconds.

Butler and Moseby. New Yonk, July 18.—The Alexandrin Intel Regenerr says: General Buller and Moseby have entered into law partnership in New York. The Seven-Thirty Loan.

PHILADELFEIA, July 18.-Jay Cooke reports the subscriptions to the 7 30 loan at \$0,501,500.

T. P. ATTICUS BIBN, a prominent citizen of Kentucky, in a letter to the Louisville Journal, HOSTILE OPERATIONS IN SOUTH AMERICA thus frankly renounces his former notions on the

peculiar dogmes which led to sccession and reellion. We quote two paragraphs :

NEW YORK, July 18 .- The Herald's Buends

Area correspondent gives additional particulars regarding the hostile operations of Paraguay against Brazil, the Argentine Confederation, and

against Brazil, the Argentine Confederation, and Uraguay, under date of May 21st. No expres-ment had taken place, but could not much longer be delayed, as Paraguay was still path-ing jorward her two strong columns of troops into the territories of Brazil and the Confedera-tion respectively. It had also a powerfal fleet ready for action. The news of the triumph of the Union cause in this country, caused much and sincere rejoic-ing in Buenos Ayres among the natives, as well as among our own people. The Buenos Ayrean national holiday--the 25th of May, corresponding to our 6th of July--was celetrated this year as heretorior with a grand; milliary, civic, and pyrotechale demonstration.

ADVICES FROM NEWBERN.

Governor Holden's Administration. IRFLEX OF NORTHERN BUSINESS MEN.

NEW YORK, July 18 .- The steamer Ellen 8. Terry brings Newbern advices to the 15th. The Raleigh Progress says : There has not been a solitary case of Yellow Fever at Wil-

been a solitary case of Yellow Fever at Wil-mington. The Progress speaks in the highest terms of the administration of Gov. Holden. It also sets forth the yreat benefits Newbern has received by the itiliar of Morthern business men. In 1858 it was deemed impracticable to run line skemers to New York, but now there are two, and one or two to Baltimore.

From Fortress Monroe. FORTRESS MONROE, July 17.-The ship Mis-

Richmond. Colonel Blunt has been appointed Assistant Postmaster of this post, and Capt. Low, Jr., at

Norfolk. The new and beautiful chapel of the United Biates Hospital, is so far completed that servi-ces were held yesterday, Chaplain Roc and Rev. Mr. Tisdale, of the Christian Commission, con-Mr. Tisdale, of the Christian Commission, con-ducting the services. The steamer Edward Everett, with the 63d regiment Pernsylvania Volnuteers, bound for Baltimore, arrived from City Point. The steamer Fairbanks, with Lieulenant Joles, of the 923 New York Yoluniteers, with rebel prisoners, sailed for Savannah.

New-Jersey Conventions.

New Jersey Conventions. TRENTON, July 18,-The Republican Iron Convention; for the moderation of government taxes, took place on Thursday, Numerous cas-didates are named. It will be a very creiding Convention. The Anti Bailread men and the friends of negre suffrage will have noth-ing to say. A Convention of the War Democracy, signed by N. N. Holstead, of Hudson, is called for fo-morrow in this diy.

HON. J. A. BUTLER, who was President of the convention which framed the loyal State Con-titution of Arkapasa, has written a letter to 'resident Johnson advocating 'usero suffrage.''. Burglaries. Bostow, July 18.- The houses of Hon. W M'Gilvery and Captain P. Rudelton in Bearsport were broken into on Sanday night, and aliran ware, money, government bonds, and other val wables to the amount of several thousand taken. The burglars have been discovered. Trn Vermont State Democratic Convention met at Burlington yesterday, nominated a ticket, and indorsed President Johnson's reconstruction

A Convert to Right Principles. a dipth of three bundred and fifty feet. "Kinockdown" affair came off at the Depot.—A genaral "Knockdown" affair came off at the Central do-pot, yesterday alfair came off at the Central do-pot, yesterday alfair came off at the Central do-scondrel, for no other apparent reason that to exhibit his proficiency in the "imaniy art," de-liberative stepped up to an unoffending man-who was slitting cu the platform steps, and drawing off with his flat struck bim with such force as to make him measure his dimensions on the ground. At this functure, the pugulist re-ceived ablow from another party, who in turn was also the receptent of a sumilar favor. The sectue con began to assume the appearance of a riot, which was only quelidd by the timely inf-terforence of the police. Two of the combatants wete arrested, including the originator of the disturbance, and the parties were locked up for a having this morning. peculiar degines which led to seccesion and re-bellion. We quote two paragraphs: Bt. Paul was cured of his Tharizedism by being figlied to the earth and seeing a light from heaven. Bt. Peter could not understand that the **Daw Covenant** of Grace was intended for the Gentiles until God in the vision of the white eheet, kait at the four corners, let down from-keaven before him, full of all manuer of four-footed beasts, told him to slay and easi; that what God had "cleaned" was not "common" or "unclean." Without pretending to compare in the obstants persistence and enthusiasm to which i long adhered the great Aposites, except in the obstants persistence and enthusiasm to which i long adhered the great aposites, except in the obstants persistence and enthusiasm to which i long adhered to the great aposites, except in the obstants persistence and enthusiasm to which i long adhered to the great aposites, except in the obstants persistence of states, of my youth, I may be allowed to say that after four years of war, during all of which time I have been. In the South I am now thoroughly convinced that "seccasion," "Baste sourcelignty," " alarcery," "compacts of States," annillea-tion, especially and, particularly for the last thiriy years, that I now consider them all as finally and incover setted, and the sourcemerg of the National Government firmly established. Even the Southern Confederacy itself, by its near-script act, destroyed Biase rights, and before it finally greate up the ghoet, by its high and before it bill, virtually emanalished the margo, and said he was as good as a conscript. Thus alw was, both by the scient of the North

appraimer on Little Chamlers is de

Robbery and Attempted Murder.-- A few Robberry and Attempted Murder.—A few days ago a man named John Fletcher, of Green-field, was wajiald by two thivers, bouwcen Galion and Crestline. After knocking him down and Dealing him until he was insensible, they robbed him of his watch and chain, and between \$609 and \$600 in mosey; and then laid him across the railread track with the expectation that the train from Cleveland would kill him. Fortunately the train was behind time, and Mr. Fletcher recovered his somes in time to drag himself from it he track before the train came. Three men have be un arrested on suspicion, and the watch found on one of them.

Three men have be a arrested on suspicion, and the watch found on one of them. The Operetto.—The musical antertainment given last erening at Masonic Hall by a number of young ladies, for the benefit of the Subsistence Committee, under the direction of Professor Shryock, was really a very pretty af-fair, "preity to the eye and good for"—to hear. The piece performed was simple and touching, offering very variety of song, from the despest pathos to the most hillarions gayety. The young ladies—many of them very young—ac-quitted themselves admirably, Mayhem.—A disturbance originated in a tavern on the corner of Washington and Web-aler strocts yesterday afternoom, during which a man named Patrick Boyle and a large piece of an earb bitter off by ome John Brenner. The lat-ier made informations before Alderman Builer, who got officers culp and Willson, of the May-or's police, to arrest Boyle and also patrick Me-gord in the some of \$500, and Boyle was commit-ted to jall. Coal Exchange.—A meeting of the Coal Exchange will be held at their rooms, No. 136 Water street, at 11 ofclock fart Turaday. The primary object of the meeting in the price of di-gring coal to about four complex bunkd, which it is belleved ean be accomplished with the consent of the miners.

A nully gave up the ghost, by lis negro solidar bill, virtually emanalpated the negro, and solidar bill, virtually emanalpated the negro, and solidar bill, virtually emanalpated the negro, and solidar bill, wirtually emanalpated the negro, and solidar bill, wirtually emanalpated the negro, and solidar bill was a conscript. Thus the war, both by the action of the North ard South, has decred the overthrow of alavery, and the negro, throughout the whole conntry, and the negro, through the construction of the solution of the solution of the decision is against her, and the resulter of the war must be accepted as the inder over, from observation other than the war, thoroughly convinced that the dogmas of the South were wrong and impracticable, and that the Federal theory of the Royolution and the country. Supremacy must regide comerwhere, in the body police, as in the natural body, one head must control, and all the rest of the members must obey. It will not do for the eye or twelf, and thus counter and either whore 'traing police, as in the natural body, one head must control, and all the rest of the members in the body police, as in the natural body, one head must control, and all the rest of the members in the body nur, will it do for each State to as 't an asorenign.' Worther whole, from its rest of the solid the more head must control, and solid the rest of the members in the solid the whole 'trains' police together, and governed by one head, from the natural body.

A DISPATCH from New Westminster, the capi-A DEFAULTION NEW WESTENDARD, the capi-tal of British Columbia, says that the work of stringing the wires of the Russian Telegraph line has commenced in that city. There will soon be'telegraphic communication with the min-ing campa of Cariboo and the intermediate tewns.

Wile-beater Arrested John Reilly, hall-In from a locality in Union township bearing the exphonious name of "Builtown," was ar-rested yesterday, charged on oath of his wife with assault and byttery. She also brings an action against him for surety of the peace. Relly was locked up for a hearing,

Terrible Accident.—A man namod Rosm-steel, an operative is a staan tannery near Kbena-burg, met with a most terrible accident about three weeks ago, realing in his death on last Baturday. The unfortunate man was passing a rat filled with scalding hot liquid at the time, when by some unexplained means he fell therein.

Trotting Match-A grand trotting match will come off at Collins' Park to-morrow after-noon at half-past three o'clock. Tab Mary Aun, Bones and Joe Curry have been entered

The Charleston Courier complains of the fre-quent occurrence of riots and breaches of the peace, asying that people cannot walk the strets at night without fear of being robbed or killed. This Buffalo papers report that their city will soon become a grant sait emportum. They say that in all the wells bored there for oil, good yrins of sait water have been found.
