SPECIAL NOTICES.

CLEANSE THE BLOOD.—With corrupt, disordered and vitiated blood, you are sick all over. It may burst out in Pimples or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as *Scrofula* or *King's Evil*, *Tumors*, *Ulcers*, *sores*, *Eruptions*, *Pimples*, *Blotches*, *Boils*, *St. Anthony's Fire*, *Rose or Erysipelas*, *Tetter or Salt Rheum*, *Scald Head*, *Ring Worm*, *Cancer or Cancerous Humors*, *Sore Eyes*, *Female Diseases*, such as *Retention*, *Irregularity*, *Suppression*, *Whites*, *Sterility*, also *Syphilis*, or *Venereal Diseases*, *Liver Complaints* and *Heart Diseases*. TRY AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla" and intend to supply such a remedy as shall prove the falsity of no object which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative in our power, and we know it produces, and we have reason to believe, it is far the most effectual purifier of the blood yet discovered by any body.

AYER'S CHERRY PECTORAL is so universally known to surpass all other remedy for the cure of *Coughs*, *Colds*, *Influenza*, *Hoarseness*, *Croup*, *Bronchitis*, *Incipient Consumption*, and for the relief of *Consumptive Patients* in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by B. A. FAHNESTOCK & SON, and by all Druggists.

CITY AND SUBURBAN.

(FROM YESTERDAY'S EVENING GAZETTE.)

Alleged Fraud.

Mayor Lowry had before him to-day a man named John Woodruff, a resident of Fallston, Beaver county, charged on information of Mr. Wm. Schaum, a well known resident of Mc-Keesport, with embezzlement. Messrs. Woodruff and Frederick Schaum, (a brother of the prosecutor) had entered into a co-partnership as Suttlers in the 101st Pennsylvania regiment, and had been transacting business for some considerable time. Wm. Schaum, the prosecutor, had made advances of money to the firm, and obtained for them credit for goods in Baltimore to a large amount, which was to be paid by Woodruff, under certain arrangements made between the parties. Woodruff returned home and took possession of some eight thousand dollars, being proceeds of the firm, and instead of paying off the Baltimore claims, as agreed upon, pocketed the money, leaving William Schaum, the only party of means, liable for the several amounts. Under these state of facts, the prosecution was entered, and Woodruff was arrested by officer Lowe, at his residence in Beaver, county. Mr. Wm. Schaum, if not protected by Woodruff, will be liable to the amount of over $4,000. A partial hearing was had in the case to-day, and the defendant was held in the sum of $5,000 to answer a further hearing on Friday, August 4th. Messrs. Thomas Howard and E. Snowden appeared for the prosecution, and Mr. Wilson, of Beaver, for the defendant. It is believed that an amicable settlement of the case can be effected.

Home for Disabled Soldiers.

An organization has been effected, with Ex-Governor James Pollock as President and a board of Managers composed of Mayor Henry, of Philadelphia, Judge Strong and others, to provide a home for our disabled soldiers and sailors. It contemplates the purchase of several hundred acres of land in some suitable locality, and the erection of buildings for workshops, and facilities for light agricultural pursuits, so that, once opened, it may be nearly as self-supporting as possible. It will not be a poor-house or an asylum, but—as the soldier richly deserves—a Home. The plan has met the approval of the best citizens of the State, who are giving it their means and warmest sympathies.

There are about fifty thousand of our army and navy, in all the States, who have been permanently disabled by the war. A large proportion belong to Pennsylvania. Unless some great central home is provided, our cities and towns will be full of men who, without occupation and the ability to provide for themselves, will be dependent on the charities of the public. Our soldiers should never be placed in such a position. The heroes who have been maimed in battling for the life of the Republic—those who have suffered at Belle Isle and Andersonville—should never be compelled to ask for the comforts of life in a country saved by their sacrifices and sufferings.

Alleged Nuisance.

For some time past considerable indignation has been expressed by residents of the Eighth Ward, in the vicinity of Sawyer's Chandlery, against Messrs. S. M. Kier and others, proprietors of an establishment for the manufacture of Silver Pearl Soap, which is located in the rear of the chandlery. The stench arising from the material used in the manufacture of the soap is said to be exceedingly offensive, almost intolerable and highly prejudicial to health. An information has been made before Mayor Lowry, charging the proprietors of the concern with maintaining a nuisance, and a "crowd of witnesses" stand ready to testify in the case. Mr. Kier is now absent from the city, and in order to give him an opportunity to be present, the hearing has been postponed until Friday. The people of the neighborhood are determined to submit to the annoyance no longer, and insist that the nuisance shall be abated. Operations have been suspended in the meantime, and as the parties complained of are not only good citizens, but reasonable men, they will probably accommodate the public by a removal of their manufactory, or by making such alterations as will effectually remedy the evil complained of. Mr. Kier is expected home by Friday next, when a hearing will take place.

Rowdyism in the Third Ward.

A serious disturbance was created on Tuesday night, at the corner of Fifth and Grant streets, by a party of drunken rowdies, prominent among whom was James O'Donnell, already well known to the police officers. Thomas Smith and Chas. Harris repaired to the spot, and took O'Donnell into custody, whereupon they were assaulted by the crowd, several of whom hurled brickbats at them, one of which struck Harris in the head, succeeded in conveying him to the lock-up. The other parties being unknown to the police, have therefore escaped arrest, excepting one Timothy Sullivan, who was arrested and committed to jail for ten days, in default of a fine of ten dollars. O'Donnell was fined twenty-five dollars for disorderly conduct, which he paid. He was also bound over in the sum of $500, to answer charges of assault and battery, preferred by officers Smith and Harris.

One of the officers, in the struggle to arrest O'Donnell, fired a pistol at one of their assailants, and Archy Lawson (one of the crowd) was seen to limp away, and is supposed to have received the shot.

Periodicals.

GODEY'S LADY'S BOOK, FOR AUGUST.—In addition to the usual fashion and pattern plates of the season, this number of Godey contains a number of interesting articles, among which are Mint, Anise and Cumin; Charlie, or How I Gained My Wish; Passion and Principle, (continued); You're Younger than I Am; which are interspersed with poetry and some interesting items from the Arm-chair.

The PHRENOLOGICAL JOURNAL, for August, is perhaps more than an average in point of interest. It contains a good likeness of General Sherman, accompanied with a biography.

All the above have been received, and are for sale by Frank Case, 74 Fifth st., whose counters are well filled with all the popular periodical literature of the day.

A Singular Proceeding.

John Snyder, proprietor of a tavern and boarding house, in the Diamond, took a queer notion on Tuesday to dispose of some real estate, at a price which the members of his family regarded as ruinously low. A man named Frank Snyder, (not a member of the family,) was anxious to purchase, and roughly resisted the interference of Mrs. Snyder and her daughter. Miss Snyder was assaulted by the would-be purchaser, was knocked about a good deal, and had the sleeve torn out of her dress. The police were summoned to quell the disturbance, and the old gentlemen, together with Frank Snyder, were arrested and conveyed to the lock-up. It appears on the hearing, that both men were considerably under the influence of liquor, and did not know exactly what they were about. Frank Snyder was fined ten dollars for disorderly conduct, while the old man was discharged.

Burglaries in Greensburg.—On Monday night of last week, the boot and shoe shops of Anthony Smith and John C. Bolz, and the cabinet and undertaking establishment of Conley & Hacke, were entered by burglars. From Smith they helped themselves to boots and shoes to the amount of about twenty dollars—Mr. Bolt was patronized to about the same amount. A number of coffin plates and coffin trimmings, and a hat were taken from Conley & Hacke's shop, amounting to twenty or twenty-five dollars worth. They effected an entrance to each shop by the windows. No suspicions, and consequently no arrests.

Messrs. R. Duncan, of Centre county, and Hugh Hamilton, of Huntingdon county, were chosen as delegated, and instructed to support Hon. John A. Hoiland, of Lancaster, for Auditor General, and Captain Brice X. Blair, of Huntingdon, for Surveyor General.

Rose and Adam Moses; Register and Recorder, Col. David M. Jones; County Commissioner, John G. Biddle; Auditor, James McKim; Surveyor, H. C. Nichodemus.

The Crops in Westmoreland.

The Greensburg *Republican and Democrat* says: If the weather had permitted, the farmers of Westmoreland county would have housed one of the finest harvests, except wheat, that has ever been cut in this county. The wheat was very light in some places, but the rye, grass, and oats crops were of the best kind. The continued rains, however, have greatly interfered with the progress of the harvest, and have done much damage, especially to the wheat and the grass. Some farmers anticipate heavy losses in their crops, and their countenances are as gloomy as the skies above them. We deeply regret this unfortunate state of the weather, for we had confidently looked forward to a rapid reduction in the price of farm produce.

Hugh McIntire, a well-known citizen of Westmoreland county, died a few days since at his residence in Jacksonville, in that county. For more than thirty years the deceased drove the mail coach or kept a tavern on the central turnpike between the Allegheny Mountains and this city.

Christian Emigh, of Hollidaysburg, a returned soldier of the 205th Pennsylvania Volunteers, was seriously injured a few days ago by the premature discharge of a pistol which he was handling—the ball passing through his right hand and lodging in his leg.

Held to Bail.—Charles Burtroff, charged with an aggravated assault and battery on Mrs. Christiana Donnelly, was held to bail in the sum of $500, to answer at court. The prosecutrix alleges that the defendant broke two of her ribs.
