Though the majority of them are sound and serviceable, they are no longer required in the army, and must be sold.
Many of the mules were bought in the beginning of the war, when young, accompanied the armies in all their marches and camps, and are thoroughly broken, hardened by exercise, gentle and familiar, from being so long surrounded by the soldiers.
Though sound and serviceable, they are too large or too small for the army, and can be purchased at this sale at far less than their true value.
Mules sold singly.
Sales to commence at 10 a. m. each day.
Terms—Cash, in United States Currency.

SPECIAL NOTICES.

CLEANSE THE BLOOD.—When corrupt, discolored and vitiated blood, you are sick all over. It may burst out in Pimples or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as *Scrofula* or *King's Evil*, *Tumors*, *Ulcers*, *Sores*, *Eruptions*, *Pimples*, *Blotches*, *Boils*, *St. Anthony's Fire*, *Rose* or *Erysipelas*, *Tetter* or *Salt Rheum*, *Scald Head*, *Ring Worm*, *Cancer* or *Cancerous Tumors*, *Sore Eyes*, *Female Diseases*, such as *Retention*, *Irregularity*, *Suppression*, *Whites*, *Sterility*, also *Syphilis* or *Venereal Diseases*, *Liver Complaints* and *Heart Diseases*. Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.
During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla" and intend to supply such a remedy as shall rescue the land of obloquy which rests upon it. We think we have ground for believing it has virtues which are unrivalled by the ordinary run of the diseases it is intended to cure. We only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.
AYER'S CHERRY PECTORAL is so universally known to possess every other remedy for the cure of *Coughs*, *Colds*, *Influenza*, *Hoarseness*, *Croup*, *Bronchitis*, *Incipient Consumption*, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.
Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by R. A. FAHNESTOCK & SON, and by all Druggists.

A Bounty Jumper in Trouble

Mayor Lowry was called upon to-day by a fellow giving the name of Charles Williams, who asked his Honor if he did not recollect him as a witness in a case of robbery which occurred some time since at the railroad depot. The Mayor recalled the case to which he alluded, and in response to inquiries as to his present visit, Williams stated that he had enlisted in Meadville, in August last, and on reaching Camp Reynolds had deposited $600 of his bounty in the First National Bank of this city, through an agent of the Christian Commission. The depositor was made on the 1st of September, but he had lost his certificate, and his object was to get the Mayor to vouch for his identity, that he might draw his money. The Mayor suspected that there was something wrong about the fellow, but at the same time he informed him that if the money was his he should have it without either trouble or expense. Some time after he learned that Williams had offered a lawyer fifty dollars to get the money out of bank, and this at once confirmed the suspicions of the Mayor that there was something wrong. Further inquiry revealed the fact that Williams had deposited the money for one year, but it had not been in the bank two days until a woman presented a letter or order for the possession of it, but of course the bank officers could not let it go, as the body else have it until it was due. It further appeared that Williams had told the certificate to a party in Cleveland, on the 15th of September, and that he had no claim on the money whatever. He was then taken into custody and handed over to Provost Marshal Foster, who recognized him as an old bounty jumper, and as once placed him under guard. His object was to get the money before it was due, in order that he might swindle the party to whom he had sold the certificate. It was a sharp dodge, but it did n't win.

Accident on the Pennsylvania Railroad—Three Men Killed and one Fatally Injured.

We are indebted to Mr. J. McC. Creighton, Assistant Superintendent, for the following particulars of a fatal casualty on the Pennsylvania Railroad:

A freight train, western bound, met with an accident near Beatty's station, at half past ten o'clock Wednesday night. The train consisted of four cars, two of which were thrown from the track, from some cause not yet ascertained. The conductor, David White, of Greensburg, was fatally injured. Three brakesmen, Thompson Dick, residing near Indiana, Parker McDonald, near Ninevah, and Joseph Wood, of Greensburg, were killed. These unfortunate men were riding together on the same platform, between two cars. Never before did an accident so fatal to the crew of a train occur on this road.
The passenger train, due here at half-past one o'clock Thursday morning, was detained four hours in consequence of this accident.

Probable Homicide.

An affray occurred in the Diamond, about noon to-day, which it is feared will result fatally. Two men named Jerry Foley and James McLaughlin had been drinking together in Clinton's saloon, and after getting out on the street a difficulty occurred between them, when Foley struck McLaughlin a powerful blow which knocked him down, and in falling his head struck the pavement with such force as to fracture his skull. Drs. Dixon and Rogers were summoned, and found that the temporal bone had been badly fractured, and that his recovery is extremely doubtful. Foley cleared out after striking the blow, and has not yet been arrested. McLaughlin resides at No. 10 Diamond alley, and Foley we believe resides on Webster street.

Death Warrant Returned.—At the request of Governor Curtin, the death warrant in the case of William Hopkins, convicted at Philadelphia of the murder of Sergeant McMarity, on board the U. S. steamship Bermuda, has been returned to him. A writ of error had been granted in the case of Hopkins. No action has been taken in the case of Gregory, the time for whose execution is fixed for the 11th of next month.

The Presidency of Washington and Jefferson Colleges.—At a meeting of the Trustees, held on Wednesday evening, Rev. Robt. J. Breckinridge, D.D., of Kentucky, was elected to the Presidency of the United Colleges of Jefferson and Washington. It was understood by the Trustees that the distinguished Kentuckian would accept the position, if tendered him, and they unanimously elected him to the position.

Challenge Accepted.—The challenge of the Beaver Cricket Club has been accepted by the cricket players of Allegheny county, and a match fixed for the 10th of this month, on the West Common, Allegheny.

Statistics in Tennessee.

Advices from all parts of the State lead to the inevitable conclusion that Tennessee will be represented in the next Congress substantially as follows: 1st District, Col. N. Taylor, Union; 2nd District, Horace Maynard, Union; 3rd District, Col. W. B. Stokes, Union; 4th District, Edmund Cooper, Copperhead; 5th District, W. B. Campbell, Copperhead; 6th District, Dorsey B. Thomas, Copperhead; 7th District, Col. J. H. Hawkins, Union; 8th District, Wolfe Sanders, Copperhead. Maynard possibly might get beaten, but it is not probable that he will; he Stokes will defeat Hood by an overwhelming majority. Cooper has no positive opposition. The contest between Hawkins and Etheridge will be close, but Hawkins has the chances on his side. Etheridge is in the military prison at Columbus, and considers himself a great martyr. Campbell's position is very embarrassing to himself and his friends. He denounces State Government as unconstitutional, unwarranted and tyrannical, but has placed it in the hands of the Secretary of State an oath to uphold and defend it. Gideon Pillow is said to be making Union speeches.—*Cincinnati Gazette.*
