THE ATLANTIC CABLE.

REPORT OF THE OFFICERS.

CONFIDENCE IN ULTIMATE SUCCESS.

New York, August 19.—An abstract of a report of the officers of the telegraph cable expedition, is published, showing the following facts: That the cable, which was laid from the ship, was 2,000 yards deep, and was over 1,200 miles of cable had been laid on the bottom of the sea, and the cable was in good order, and the work was done in a most satisfactory manner. The cable was laid from the ship, and was over 1,200 miles of cable had been laid on the bottom of the sea, and the cable was in good order, and the work was done in a most satisfactory manner.
