Els. Gazette: I would like to inquire, through your columns, whether there are, at present, a President, Directors or Manager of the Perryswille Flank Road Company I is o, it is high time that they were making the necessary repairs, especially on the first two miles of the road, adjoining Allegheny city. I presume they have a Treasurer, as there is a toil gate, and a person to take toll from those who travel over the road. If there is a Board of Managers, they should go to work at once and have the road repaired, and thus esve themselves the trouble and expense of a suit at the next term of the Quarter Sessions: If the matter is not attended to, it will be brought to the notice of the next Grand-Jury.
