The Pittsburgh Guzette. SATURDAY, SEPTEMBER 2, 1965. LATEST FROM OILDOM.

Oil at Pithole is held at \$3 00, but to make

sales \$2.75 is all that could be had; at Oil City \$5.50; up the Creck \$4,50. The Creek is very ow, almost "dried up "

Freights to Pittsburgh advanced to \$1 60 per barrel. Of is accumulating here rather than bay the features. Defrict. Uil is accumutating nere reason than pay the frights. Navigation on the river is almost closed. It is rating to day, and I hope it will continue long mough to raise the river, and supply the springs and wells, as some drillers have been stopped on account of the scarcity of water. We have had no rain of any account for some time.

time. The new well on Cherry Run is said to be pro-ducing 200 barrels. It is between the Reed Well and Rouseville.

No new strikes since No. 54, Holmden Farm. PTROLE,

NEWS ITEMS.

THE ruins of a very extensive aboriginal city have been discovered in the forest of Jicorumbo, in the province of Tlaxicala, Mexico. The temples are of immense size, some with valued roofs, and so well pre-served that ancient paintings appear fresh. The courts are filled with hideous and gro-tesque idols and pyramids surmounted by the same. The whole is enveloped in a dense forest of cedar and chony trees.

dense forest of cedar and ebony trees. THE London (C. W.) Free Frees, details the flogging of a private soldier of the British army, for getting drunk and insult-ing his superior officer. A court martial sentenced him to sixty lashes. After twenty-five lashes with the "cat," on his bare back, he was taken down and sent to the hespital, the 'surgeon testifying that he could not survive the full, punishment. THE commandant of the post at Bad and
