BETCH BETWEEN PRINONER'S COENSEL

AND THE COMMISSION.

Testimony of Gen Wilson.

WASHINGTON, September 11 .- After thurscord

f Saturday had been read. Mr. Baker brought to the attention of the Commission a matter in relation to witnesses for the defense, which he

thought it would be better to attend to at this

time. The Judge Advocate here suggested to

him that it might be h subject outside of his cflicial authority; therefore properly belonging to the court. Some time before this trial com-

The Billsburgh Cusette. Hon. John Covade at the Wool Growers Association. At the meeting of the N Mional Wool Growers DY TELEGRAPH. Nore Befrn e Witnesses Wanted. CITY NOTICES. special while we have been a marks, said : We are now entering on a new circer as a people. We see not only our manufacturers, but other parties, equally concerned in protect-ing the intrasts of the country. Let me call your attention to this importaint fact: Unless the isamufacturers receive additional protection, and a bigh degree of meranille and coun arcital properity is maintained to this equaty, it will be a matter of impossibility for the Government to collect revenue chough to pay the interest on the public debt. (Appiance). According to the proximate the late meeting of the from and Steel Association, at Cleveland, by Mr. Mor-ell, it appears that the american new infections in paying more targets the Government, directly er some pre' minary remarks, said : Our Special Dispatches. THE GALIFORNIA SENATORSHIP

Letter from General Slocum BESTRICTIONS ON COTTON TO BE REMOTED.

Publication of United States Laws. and over a successful a curves and a part and end, it appears that the a merican us auticative erganed in the production of railroad iron is paying more taxes to the Government, directly and indirectly, than is paid by the importer of forcing iron. This will not do. (Applause.) It will certainly bring distress on the propio of Purhylyranta in a very short flue. More than one-half of the productice puwer in the iron making districts is now idle; and this, unfor-tunated, at a time shen our bare veterans harb just come home from the wars to seek in-flue, and the shen our bare veterans harb just come home from the wars to seek in-flue, and the wood growers in the United States. There scenes to be some little gonilits of inter-ests, apparently, between the woolen manufacta-rers and the wool growers in the United States. This is altigether amistake, and a mischlevons matrike, as the throwy of statiff in dil ages and in all countries will fully demonstrate, that when the manufacture is brist, the competition of is professor will always insure to the producer a good market and remonerative prices. The in-iterists of (165 Wood Growers directly to the advantage of a country to protect its lodastry. The matrix 'adductari and the properity of the one is the profesperity of the other. (Applause.) I is always entrare directly to the advantage of a country to protect its lodastry. The manu-'fature of clots ha all countries, as accumulated whith in whatever country has protected the explaind for scores of years had enjoyed, through the poley of George III, who strore by all mane ut of site the manufacturing luteres, almost a monopoly of nkosfrif; is all every all manes to the terropean States, waking from their ter-argy, here adopted the same poley, and their development in 'material wealth has been truly generality. The several gradience work their tation of it. But whith he has twen by years, other European States, waking from their left-argy, here adopted the same poley, and their development in 'material wealth ha VOLUNTEER GENERALS TO BE MUSTERED OUT. The Letter of Gen. Wise.

STORIES OF PREBIDENT JOBNSON'S IMPEACHMENT

to the cours. Some time bolter time that com-menced, the Replicance who, were that acting as the prisoner's counted, requested that's num-ber of winesses for the defense should be sont for. On their application, this was don's. Some of them could not be found; others who were found had not yst reported. Of this activet, the coupsed for the defense did not know, Bince the trial had been progressing instrers were developed which showed the necessity of other wincesses being summoned. In order to meet The South Carolina Election. pecial Dispatch to the Pittsburgh Gazette.

Bince the trial naf been progressing inneters were developed which showed the necessity of other wincesce being summoned, in order to meet new points brought out in the trial. These wit-reases were ceatered mostly in Georgia, and may be found in a fow days, but in some places they were to mails or other means of reaching them by written communication. Thursfore it was not probable that they could be reached by the time they were wanted to testify in this coupt. Under these circumsiances it was for the Government to say whether the defendant should have the fullities which the Governmant could afford, or whether he must be deprived entirely of these witnenses. It was an abacitte neces-sity that the defendants should have the witness in this way or not at all. The counsed official this dafendant could show an ample defence. This was their sincery belief, and it was for them to ask that the pris-our rhave then means of making his defence. If it was within the juriediction of this court, he akked that a meassager be dispatched with sub-PHILADELPHIA Sept. 11, 1865. It is thought Governor Lowe, of California, will occetd McDougall as Senator from that State. Gen. Slotum, in a letter dated .Vicksbur August 27th, to a gentleman of Syracuse, declin ed being a candidate for civil office under any circumstances. His nomination, therefore, the New Work Democratic Convention on the strength of an alleged letter from him, was un authorized. He is believed to be a Republican.

Restrictions on free transportation of cotton is Alabema will soon baresamed. Al New Qr. leans the receipts are falling off rapidly. The United States laws of the past four year

are to be officially published in the newspape each rebel State. It is expicted that soon after General Grant's naked that a messenger be dispatched with sub-penns, for such persons whom he felt at abits cturn to Washington a general order will b development in material wealth has been truty spionishing. 11 see before me several geutlemen worth their

I see before me several geuilemen worth thuir bundreds, of thousands, aye, their millions, Many of you are apparently mesters of the sjuation, and might for a long time withstand the effect of foreign competition. But is order to do so you would have to maintain a low shaderd of prices alike in the raw material and in the labor, as you would have to compete wit the inferior commodities fanded at your wharve

It is expected that soon alter General order will be account of the target of the targ clothes imported from abroad, little kiow the proportion of worn-out woollen rags that enter into the composition of these fashlonable faories. It is our fault, and only oars, if our intersist are not properly fostered and encouraged. Action. The presence of so many emhant and distinguished genithems representing such a large constituency, fully disapproved of the fact ard gave the lis to biell restinguish and malignent uttermores. He had coundence in the prof. 4. lyos of the people of the South and of their purpose to restore the Union upon the principles of the Constitution, and he boged and billeved they was ready to come up and raily round the Union and the Constitution. The fend cristing was a former quarted and the tires of triendship, now that it was ended, he trusted would be stronger and more endaring than ever. The mission of this great people was high and holy, and in usion only could the purposes of its pople and free governmenis be administered. The President 'referred to the gratifying and patholic evidences, presented to him of the carly restoration of fatismily be-tween the different sections of the Union, and the good to follow this peacerni state of things, and in conclusion expressed the hope that man thoroughly loyal would be deted to Congress, in order that the South may again be admitted to the concils of the nation. The sections of the parts and many could the good to follow this peacerni state of things, and he conclusion expressed the hope that man thoroughly loyal would be deted to Congress in order that the South may again be admitted to the concils of the nation. to the councils of the nation The remarks of President

dent Johnson ware fre

The remerks of President Johnson ware fre-quently interrupted by applause, and all secured highly gratified by the interview. The following is a correct versing of the vor-reprodemote hetween the President and Governor Bharkey, of Minaisalippi. On the 19th uit., Gov-ernor, Sharkey issued a proclamation calling on the people of the State to organize, under the militia laws of the State to organize, under the militia issue of the State to accounty, a force to detect and apprehend and protent crime. The President saw this proclamation, and it is suppored approved it, as he issued no order countermanding it. On the 8th of August, the President received a dispatch from the Hon. Carl Schurz, express-ing fears of the propriety of Gov. Sharkey's dersor ville. There were ample means of afori-ing comforts to the prison, which he examined about the first of July. If a set the primaris of only ten aboda, Bir-ricks for the trainer of the state of the state was plent of the Unite trainers, as there was plent of the trainer the state of the state about the trainer of the trainer of the state about the state troops would like to encamp for wood and water, if they wanted to writer. If would not have been necessary to transport timber more than a mile; there was pleaty of black labor in the country. The difficulty was in guiling rid of the nervoe: blirty man a dot s; thirty men a day

use boin the radical and conservative Republi-cans now here. The radicals, however, are do-termined to stand their ground. Senator Wulson will, on the first day of the reasion of Congress, introduce a bill for giving the elective franchise to the negross of this Dis-trict, which will bring the negross of this Dis-trict, which will bring the negross of frage ques-tion to an early test. course, and deprecating any action. by the President adverse to the order issued by Major General Stoeum, Department Commander. The President under date of August 50th, tele-President under date of August EUch, tele-graphed to General Schurs is follows: "I presume General Sioenna, will issue no order interfering with Governor Sharkey's efforts to restore the functions of the State without itrat consulting the Governor and giving reasons for such proposed interference." The balance of this letter has already been printed. By direction of the President, a copy of this was ordered to be given to Governor Barker. New York Stock and Money Matters. Nrw York, Sept. 11.—The stock market con-tinues dull, bui prices are rather firmer. The bear interest alowly gathers strength, and is about evenly distributed over the railread list. Eric was dull and pressed for sale; Reading is attive and stronger. All the last board, the market was generally steady ercept on Eric, which was beary and lower. The Eric combi-nation have add very largely, during the past for day; and the stret is now strongling with a heavy lead. Hence the weakness of the stock movement in Old Southern is based upon the fact that the leading director has changed from the built to the bear dide, and gold options on him at 65. The parties who bought these priv-ileges are engineering a rise. Rock laiand its advancing, under the expectation of a larger dividend in October. There was quite an effort ease, built it mits with poor success. The prin-cipal combination have go out of their stock, and left the smaller cliquesaddied with. s. larger, amount of stock, which the public do not seem, inclined to take at current quotations. There is but little movement ing verificati-tree tor old five-twenties. Base bonds were firm except Tennesses aires. Miscellanceus stocks steary. 'Gold is firm; there is still a good demand for duile, but little or nothing during for speculation 3t. There is considerable gold go. Noney continues casy. New York Stock and Money Matters.

ready with the list of the winches to morrow, in order that the messenger might leave at once. Judge Advocate Chéman replied that the Court were aware that from time to time be had urged that the rule be compiled with, namely, that a list of wincesser be furthelped. They handly, that a list of wincesser be furthelped. They had not be on fully dow, and this work the Court was called upon to meet the request of the counset. that another special measurer be sent footh. He said four weeks say, that one work the despatched to secure winsmass? Howe for the latter were mainly here at the time the bail with the the Old Capitol prison and after the disterbatt bat been furthaled with a copy of the charges and specifications against him, a list of withovers was made out by the prisoner and uncruised by Measra; Hurgting, Danging and eleck, at the time his counsel, to which was at-tached this endorsement by Capit. Wirz, ; "The above named witacsses are all i require in my case." "The above unneal with the set and a termine in my case." All of three with the set of the set of the set were here. Their absence was insolved for by the fact that several are in Europe and the oth-ers in Terras. He had only to say that if in the progress of this trial, it was believed by that counsel for the defense that additional with desses were necessary. It was only fair to the Gavern-

counsel for the defense that additional windexses were pectsary, it was only fair to the Gavera-ment that the counsel about give a list of the wintesses and where they could be found, and also what they crusted to prove by them. He extend that there be no delay, and no undoccusary expected to the presention in this matter. The Government was trying to do what was ince in-the matter.
