SPECIAL NOTICES.

CLEANSE THE BLOOD.—With cor sicks it over. rupt, disordered and vitiated blood, you are It may burst out in Pimples or Sores or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as *Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Humors, Sore Eyes, Female Diseases*, such as *Retention, Irregularity, Suppression, Whites, Sterility*, also *Syphilis, or Venereal Diseases, Liver Complaints* and *Heart Diseases*. Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but also contain active properties whatever. Hence, bitter disappointment has followed the use of the various Extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla" and intend to supply such a remedy as shall rescue the good old-fashioned article from this load of obloquy which rests upon it. We think we have produced it. It has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, is by far the most effectual purifier of the blood yet discovered by any body.

AYER'S URINARY PECTORAL is so universally known to surpass every other remedy for the cure of *Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption*, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount its wonderful cures of its virtues. The world knows them.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by S. A. FAHNESTOCK & Son, and by all Druggists.

What Pennsylvania did to Crush Rebellion.

The Harrisburg *Telegraph* publishes statistics from which it appears that this State has furnished nearly a half million of men to end in crushing out the rebellion.

On inquiry in the office of the Adjutant General, A. L. Russell, for information relative to the full number of men furnished by the State of Pennsylvania, as recruits for the armies of the Republic, we were placed in possession of the following letter says the *Telegraph*:

WAR DEPARTMENT,
PRO. MAR. GENERAL'S OFFICE,
WASHINGTON, D. C., Sept. 2, 1865.

His Excellency, Al G. Curtin, Governor of Pennsylvania:

SIR.—I have the honor to inform you that the number of men furnished by the State of Pennsylvania, from April 17, 1861, to April 20, 1865, is three hundred and sixty-one thousand nine hundred and thirty-nine, (361,939,) without reference to periods of service, which varied from three months to three years.

Please acknowledge receipt.

I have the honor to be, sir,
Very respectfully, your ob't. servant,
JAMES B. FRY,
Provost Marshal General.

The number of men credited to Pennsylvania, in the foregoing official account, tallies so closely with the records of the State adjutant General's office that we were willing to accept it as correct. But there are other official records besides those kept at Washington, of men furnished by Pennsylvania, to aid in "crushing the rebellion," which greatly swell the aggregate "forces" sent into the field. These records show, that for State defence and in response to the demand for sudden emergencies, Pennsylvania put into the field at various times, a force of between 80 and 90,000 men. On several occasions we had a cordon of bayonets stretched along the entire southern border of the State. Then again the number of men who were induced to leave the State for enlistment in other States, was very large. The border counties of New York along the entire border line, were paying heavy bounties before the counties in this State along the same line offered paltry inducements for enlistments. The same was true of Maryland, Ohio, Indiana, Illinois and other States. Again, a regiment was raised in the western counties of Pennsylvania for West Virginia. In New Jersey, for a time enlistments were largely encouraged by the copperhead leaders, so that loyal men in districts in that State, anxious to fill up their quotas, were compelled to find substitutes through the influence of heavy bounties offered by the people of Pennsylvania. Nor was it only the States immediately on our border that thus filled their quotas from among our citizens. States on the Pacific coast did the same; New York and Illinois to the two regiments referred to in the letter of the Secretary of War, and Massachusetts and Maine, have on hand a variety of new patterns. Navy and plain, suitable for all purposes.
Particular attention paid to enclosing Grave Lots. Jobbing done at short notice.

Arrest of the Treasurer of Ohio.

In our issue of this morning we gave some particulars, from the Cincinnati papers, of the arrest of Mr. G. V. Dorsey, Treasurer of Ohio, last Monday, at Columbus. The examination of the books and records of the State Treasurer has been in process some time. Peter Odlin an accountant, and Mr. H. Smith Secretary of State were appointed a committee the 19th of last June, to make a thorough inspection of the condition of the Treasury &c.

The following are the specifications made in the warrant issued for the arrest of the Treasurer. After setting forth the law in the case, and the appointment of a committee to examine into the condition of the Treasury, the warrant sets forth: That heretofore, to-wit: on the 16th day of May, A. D. 1865, there was in the Treasury and in the safe keeping of the said Dorsey, as Treasurer of the State of Ohio, amongst other effects, the sum of $6,000 public money, which consisted of paper money, current as money, and commonly denominated as currency, of the value of $10,000, and that afterward, on the day and year aforesaid, at said county, the said Dorsey, unlawfully and without authority of law took from the said Treasury, and used and converted to his own use, said $10,000 of money and currency belonging to the State, and that heretofore, to-wit: on the 29th day of May, A. D. 1865, the said Dorsey then, and as Treasurer of said State, had in the Treasury of said State, for safe keeping, over $50,000 belonging to the State, and which consisted of paper money, commonly called currency, and of the value of $50,000; and afterward, to wit, on the same day and year, at said county, the said Dorsey, unlawfully and without authority of law, did pay over, deliver and loan, without interest, to Benjamin E. Smith and John T. Bartlit, a firm or company doing business as bankers, under the name and style of Bastlit & Smith, the said $50,000 above described, belonging to the State. And whereas, the said aforesaid donor and committed at Franklin county are, and each of them are, breaches of trust and embezzlement; and on receipt of said report said Charles Anderson, Governor of the State, submitted the same to James H. Goodman, Auditor of State, and Moses R. Baily, Comptroller, of the Treasury; and the said Governor, Auditor and Comptroller, finding the facts of the breach of trust and embezzlement herein above stated and reported to them, to be true, and they consulting in the order of arrest—now, therefore, I, Charles Anderson, Governor of the State of Ohio, in the name and by the authority of said State, do hereby order and command you to take and arrest the said Godwin Volney Dorsey, and him to safe confinement keep, and that you deal of said breach of trust and embezzlement above set forth, unless he gives bonds, with good security, in an amount at least equal to his official bond as State Treasurer, to abide his trial on the charges aforesaid made against him; and you will also make return of this order and your doings in the premises to the Court of Common Pleas of Franklin county, on the first day of the next term, and also make return to the office of the Governor of this State at the Capitol in Columbus, of your doings in the premises set forth.

Mr. Dorsey has been admitted to bail in the sum of six hundred thousand dollars. The terms of the law under which he will be tried are as follows:

"That if any officer or other person charged with the collection, receipt, safe-keeping, transfer or disbursement of the public money, or any part thereof, belonging to the State, or to any country or township, or organized city or village in this State, shall *convert to his own use*, or *to the use of any other person or persons*, body corporate, association or party whatever; in any way whatever, or shall use by way of investment in any kind of security, stock, loan, property, bank or merchandise, or in any other manner or form whatever, *or shall keep, without consent, interest, to any company, corporation, association or individual*, or shall deposit with any company, corporation or individual, any portion of the public money, or any other funds, property, bonds, securities, assets or effects of any kind, received, controlled or held by him for the keeping, transfer or disbursement, or in any other way or manner, or for any other purpose, or if any person shall advise, aid, or in any manner participate in such act, or if he shall *knowingly hold back and fail to pay over an embezzlement of or part of the said money or other property so aforesaid*, as shall be thus converted, used, invested, loaned, deposited or paid out as aforesaid, which is hereby declared to be a high crime and misdemeanor, and upon prosecution, trial by indictment, and conviction thereof before any Court of this State having competent jurisdiction, *such officer or person so offending shall be sentenced to imprisonment in the penitentiary, and kept at hard labor, for a term of not less than one year nor more than twenty-one years*," &c.
