THE Dittsburgh Gazette. Meeting at Wilkins Hall-A Committee Appointed to Exrend to Gen. Graut an BATURDAY, BEPTEMBER 16, 1560. Bubject to the suggestion of Mayor Law V. a Westernay afternaon to take into any formation to meeting of chirens was soid as writing' Hall, yesterday afternoon, to take into consideration the propriety of extending to Gen. Grant an in-CITY AND SUBURBAN. the propriety of extending to Gen. Grant an in-the propriety of extending to Gen. Grant an in-titation to that Fitsburgh on his way from Ga-lens to Washington. On motion of Joseph Perbock, Esq., General The fullowing gentleme ware elected vice Predictaus Hon. A. W. Loomis, Hon. Geo. Wil-ber, Feq. James C. Craft, E-q., R. Art Ber, E-q., Sing Pennock, Esq., John McD. Cresser, E-q., Sing Pennock, Esq., John McD. Esq., E-q. John YeCCargo, E-q., W. W. Ward, Esq., and William M. Harsh, E. q. The leff wing gentlemen were elected Source-isnite: J. In YeCCargo, E-q., W. W. Ward, Esq., and Welliam M. Harsh, E. q. Mr. John Harper offered the following reso-leture, which was adopted: an J the Marors and Presidents of the Yen His et Hendred, That an executive committee of thirteen citizens, the chairman of this meeting., an J the Marors and Presidents of the Yen His et Endito Licenteant General (forst an invision) to Visit Plitsburgh, and make the necessary ar-rangements to receive and weakome that dis-ting hisbed soldier and patriot. The chairman then appointed the following Executive Committee in accordance with the terms of the resolution; General Wm. Robinson. Mayor Morrison, Allegheny, James Machale, Esq., President of Solect Connetl, Pitsburgh. vitation to visit Pittsburgh on his way from Ga-POISON: 5.5 Mrs. Guinder and Her Victims. A FEARFUL CHAPTER OF CRIME, Barne The Body of Samuel Grinder Fxhumed

Two Brothers Believed to Have Died from Poison !

ATTEMPTS TO POISON THE GRINDER FAMILY

The Buling Passion Avarice.

The disclosures already made in the case of Mrs. Martha Grinder, the poisoner, afford but a partial illustration of the utter fiendishness which seems to have possession of her soul. A fearful array of evidence is accumulating against her. From the moment when the Thomas Sizela, Eq., President of Common Council, Plitchurch. James Marshall, Eq., President of Saleci Council, Allegheny City. Simon Drum, President of the Common Council, Allegheny City. Hon. A. W. Loomita, James Parke, Jr., Eq. Hon. J. K. Hoomita, James Parke, Jr., Eq. Hon. Thomas Winnam, John D Bailey, Court Hon. Thomas Howam, John Bailey, Court, Ed. Hon. Thomas Howam, Wester, H. Dasiey, Court, Hon. Heary A. Weaver, W. S. Havar, Ed. John Harpy, Pag. W. S. Havar, Ed. John Harpy, Fag. W. S. Havar, Ed. John Harpy, Fag. W. S. Havar, Ed. ery was made that Mrs. Carothers had been foully poisoned by her, accere of living witacsa-es, neighbors of Mrs. Grinder, each of whom had as a ther table and bem poisoned, appeared t the Mayor's office and made their several statements, clearly demonstrating the fact that Mrs. Grinder had administered drugs or poison to them. Anon was developed the supposed murder of an infant belonging to a poor women, who had taken it into her house to warm it at Wao not taken it into her house to a stabilish the fire. The circumstances tend to establish the fact that the child died from poison at the

the set that the chind and from poison at the hands of Mirs. Grinder, but the case is over-abadowed by others, and no Judrelal investiga-tion has set been had. After this, came up the sad case of Miss Buchanan, whese body on

sad case of Miss Buchanah, whese body on "Deling exhumad was found to cuntain poison. An cramination will shorily be hold on the body of Mirs. Hall, believed to have been poisoned a; by this incernate demon. But the most astomating chaptor in the crim-inal history of this wicked woman remains to be told. If reveals nothing less than a southed determination concerved hiss than a southed determination concerved hiss than a southed determination concerved one of her hasanah's brothers, name Samuel, and it is also believed that one named Jeremiah was likewise one of her victims:

her victims: Coroner Clawson, in company with Dr. G.o. L'McCook, went to Leechburg, yesterday to ex-hume the body of Samuel Grader, for the pur-pose of accritising whether any pilson could be discovred in the stomach. The exbumi-tion tock place about eleven o'clock in the morning. The stomach of the exbumi-lest night, sud put in the hands of Dr. Otto Wuth for a chemical analysis. Dr. McCook expresses an cylnion that the stomach contains polson.

We visited the homestead of the Grinder We visited: the homesteal of the Grinder family yesterday, to company with the Corner. The farm is situated in Westmoreland county, a mile above Leechburg, but on the opp site side another nammers. The old, centions has another nammers, which, for the name of the investment, aff with him a handsome income. It is built with this Martha Grinder has been endergoring to kill of the heirs to this proper-gator iff order that her banband would fall heir to a larger amount of the proceeds when the oli comple should due

The order tist per smoand would tail helr to the information of the proceeds when the old the comple should die. The two troth rs who are believed to have the family burying ground. Samuel, the elder, about twenty free person of a get died by burying from the same try of the family and the same try of the family fa

of poison. The following facts, which we glean from members of the family in reference to the in members of the family in reference to the in-trigning designs of Martha Grinder, will, we doubt tot, if thoroughly established, serve to brand her as the most infamous woman that ever existed.

brand her as the most infamous woman that A few weeks before he died, Samuel Grinder arrived home from the army on a forloughl Ho this nite ball in the battle of the Wilderness, and grenced. After scenarios woman is that would became nearly healed, when he came to thad not became nearly healed, when he came to thad not became nearly healed, when he came to thad not became nearly healed, when he came to thad not became nearly healed, when he came to thad not became nearly healed, when he came to thad not became nearly healed, when he came to thad not became nearly healed, when he came to thad not became nearly healed, when he came to thad not be mained as a day or two when he became very Hi. He was attened by Dr. The Good latent Hose Company of Philatel-profing. He salt to his forthers as the mouth, womiting and proging. McCarthy, Eaq., on behalf of the company. A procession will then be formed on Penn street, near Marbury, and proceed over the following route: Water to Smithfield, to Flith, to Market, to St. Chird, to Smithfield, to Flith, to Market, to St. Chird, to Smithfield, to Flith, to Market, to St. Chird, to Smithfield, to Flith, to Market, to St. Chird, to Smithfield, to Flith, to Market, to St. Chird, to Smithfield, to Flith, to Market, to St. Chird, to Smithfield, to Fifth, to Market, to St. Chird, to Smithfield, to Fifth, to Market, to St. Chird, to Smithfield, to Fifth, to Market, to St. Chird, to School, to Federal, down Faddover Hand Street bridge, to Herein, down federal to St. Chird street bridge, and thence to place of starting. Chief Engineer Hamili and amistants will participate in the procession, the former setting as Markhal. At the conclusion of the proces-sion, the greats will proceed to the National Hucl, on Water street, which is to be the head-quarters during their visit, and to the evening a grand ball will be given in their honor at Wil-tims Haill. On Wednesday the Good Intent will be treated to a trip by water to yarings points of interest, and Thurday they will become the greats of the Eagle Engine Company. Ca Fil-day they will visit the Birmingham factories and other places. As the greats of the Daquesse Engine Company, depariting for Flitadelphis by the midnight train, after pariting of a bountifie apper. The Daquesse Engine Com-pany have engaged the Great Western Bad, st ad seme of our local and neighboring engine companies will participate in the affair. The Committee of the Daquesne Engine Company will meet their reusits as Greasmourg on the Fena-syivabia Hailroad. Tislied the house on Wednesday, and died on
 "Unefollowing Sunday moralog. Mrs. defider altended the funeral.
 "Charlotte Grinder, a sister of Samnel's, who was at Martha Grinder's when her borbter died, also became sick in her house, and was setzed "Inflike maner, with vonling' and parging and the stomach. These to burning' cenation at the stomach. These to be a burning' can be another disting a cap of of-fer altender disting a became sick in the stomach. These there after disting a became so isk i that the romains of her became so isk? Rev. 8. H. Nesbit, in the management of the Advocate, and tender their most condial thanks to Rev. W. H. Kincati, for this general interest in the success of the paper, and expectally for his essistance in its editorial management. Arrest of a Rowiny. A man named James Woods was arrested to-day, by the Mayor's police, on a charge of as-sault and battery with intent to kill Charles Mackey. The information was made by Michael Stochr, who alleges that Mackey was Michael Stochr, who alleges that Mackey was struck on the bead with a slung shot, and also with a stone, and that he was so badly injured as to be unable to appear and make the inform-alion. Woode was assisted in the assault by a man named Frederick Hommell, who has not yet been arrested. The difficulty occurred on Thursday, on Fennsylvania avenue. Wools was also charged with malicions mischlef, in breaking a glass in the window of Louis Burk-owitz, who keeps a saloon on Pennsylvania Av-enue. On the 24th of July a warrant was issued for this same defendant, charging him with as-santy, and battery on oath of Mark Kinney, at the corner of Ein and Wills streets. Hi was held for thial at Court. to schort the runal us to go nome without waiting becaute the runal us of her brither. Birs, Assbargh, one of the Grinder family, "while or a sist is to Martha Grinder's, bacame romewhat sick, but attributed it to the water Her babe also became with. On a second visit to the house, she started with her fatter to a store, leaving the child with Mrs. Grinder and sheraht. Upon returning, the child, which hand way is in its natural health, was onlie sick. "Her make schild the volution, was called its, which sheraht. Upon returning, the child, which hand was infine antural health, was follo sick. "Herron was called in, who gave it as his ophulon, its the child had heen drugged. It was feared it would the. it monid die. 11. Three of Adrew's children were similarly affected with sickness at different times while at flarths, Grinder's-one of them advected to Alartha, Grinder's-nos at alligrent times while at which was said to have dyphoning a daughter, stich through her torgue, but, her throat was throat wolling in the torgue, but, her throat was The Central Skating Park, Operations have already been commenced in repairing the ground for the Central Shating Old Mir. Grinder, while on a visit to the city, steelyed an argent in visition to tes at the house, but would not trust himself to the tender mer-cies of the field. Park, in the Niath ward, and the work will be pushed forward rapidly, so as to have every-A clis ou ins schal. "It was pictuit to the whole family that, during the illness of Samuel Grinder. Martha Grinder Would note allowany of his friedds to atterid to his wants, taking all the ministrations upon thing in readiness for the first ice which may be The Bewerage of Allegheny thing in readiness for the first ice which may be formed. The ground was formerly used as a Fair Ground, and more recently as a Stock De-pot by the Government, and its location is so well known to every citizen that if needs no de-scription. It will be suitably exclosed, and provided with all the necessary buildings--thd main building to front on Penn street, directly on the line of the Citizens' Passenger Railway. The genitemen having the matter in charge in-tend to make the Park complete in every re-spect, and conduct it in the best manner, so that-all may realize its benefits with comfort, safety, and picaure. The inflact of the store tamily that, during the inflact of the store of the sto The Councils of Allegheny met on Thursday afternoon, to consult in reference to a more afternoon, to conshil in reference to a more thorough system of sewerage. The recent rains have, demonstrated that the present sewerage-capacity is altogether inadequate; and a more comprehensive system must sconer or later be adopted. The main sewer leading from the West Common, and receiving the water from the rail-road, has been burst open at Ridge Street, and the washings and inundations in numerous sec-ilons of the city show the imperfect condition of the sawing and asthorized the Street Com-missioner to do what he can towards temporarily increasing the capacity of the severs on Baver, Federal and Company of the incapacity of their sever. The Recording Hegulator was also in-structed oprepare a general and compreheasive plan of sewerage, and report the same to Coun-cla. Dr. George L. McCook, Physician to the Board of Health, reports the following deaths in the eity, from September 8d to September 10th, 1865. Of the above there were: a) plan of severage, and report its same to Compreheasive cits. The subject of screerage is one of the most important which can engage the attention of the citizers, as insult and comfort depend in a great degree upon proper drainage. It is to be hoped, therefore, since Contails have antications the informative, that the work will be done well and therotory, since Contails also and the since of theoroughy. The Street Contails low and and therotory, who has spent may also for a system of attractive which is would be well to consider. His long asperience gives him prac-tical knowledge of great since, and any sugges-tions which he may make should need by sugges-tions which he may make should need by sugges-tions which he may make should receive caruful and respectful consideration. ¹⁰ 10 to 15...... 1 50 to 60..... 1 The discass in the show cases were: Delli iam Tremens, 1: Typhold Forer, 1; Gen-eral Deblitiv, 1; Chronie Dysentery, 1; Apoplaxy, 1; Typhold Fever, 1; Chronic Influenzion of the Bowels, 1; Diptheria, 3; Cholera Infantum, 1; Diptheretic Group, 2; Organic Dahlity, 1. ther 'ngb' and "dormal," has values and the series of constant of the series which is and the series of constant of ser Improvements in Allegheny. Heavy Larceny by Juveniles. On Thursday afternocp, three lads of respe Un i internorp, tarebisis of respec-izbie "parentago, whose iriends reside in the Fourth ward, Alleghery, left the city very un-cersmonicusity, under the following circumstan-ces, it appears that some of the boys of our dister city have organized themselves into a band under the old cognomien of the "Forty Thieves," and are continually committing all kinds of dep-redations. Three of the party referred to, on Thursday affering, skole from their respective places of melfecte over one hundred dollars. In stores, a gold watch walted a tover one hundred dollars, three blaukets, and other citability, bs-sides a quantity of catables. After thus provid-ing thermselves, they proceeded to the Allegheny river, stola skiff and went off, since, which no iddings have been had of them, though active efforts are being made to after, though active efforts are being made to after, thoir capture. Numerous petty thefts have been made, and too foreshe: facis attendamt upos them reached the polloe, the guilty parties (crecely the cases to forred to,) succeeded to covering their tracks so as to chain the guilty parties (crecely the cases to forred to,) succeeded to covering their tracks so as to chain the guilty parties (crecely the cases to forred to,) succeeded to covering their tracks so as to chain the guilty parties (crecely the cases to forred to,) succeeded to covering their tracks so inble parentage, whose friends reside in the such a person. We have given this much to indicate the art. The Large first hills much to indicate the arti-ind cumbing which inderlies this woman's neture, and to show that cupidity and avaries are her relarging views. Dr. G. La McGook states thit while practising his profersion. In has within a fow years had several patients coming: through the hands of Miss. Grinder, and recipients of her hospitality-among them were Mirs. McBride and her child, who lived in the same row with the murdress, Among them were Mrs. McBride and her child, who lived in the same row with the murderess, and a Mrs. Morningstar and Mrs. Berpolds. All were poisoned, but he succeeded in saving that lives. That her foisoning operations have "Seen carifed on for many years we have ho donbt. Perhaps no complete record of their ex-dent and fatally, will error he written, arcept upon the body of the Recording Angel "Dröwned. A few days since a miner named James Dodds, an Englishman by birth, and bus isly weeks in the country, while bathing in the Monorgatela: river, near Bainfa's coal works, yentured over head, and being mable to swim, was drowned.

The Running of Trate on Sunday. At the last meeting of Allephony Connells, a paper was adopted setting forth t ist some three years ago, owing to the necessities of the war, permission had been given by the city authorities to the Pittsburgh. Fort Wayne and Chicago Rallond Compare to run furght trains on San Railroad Company to run freight trains on Sun-day, but as that necessity no longer existed, and as several religious societies were very seand as screral religious societies whe very se-riously disturbed during worship hours, by the running of trains, the Mayor was instructed to "take such measures as he may deem best to prevent the running of cars on the Sabbath

Mayor Morrison accordingly called upon Mr. Shinn, the Superlatendent of the road, and laid their thim the action of the Councils. Mr. Shinn securit dibe Mayor that he would give a construct the immediate attention and milding the FINANCIAL AND COMMBBOIAL BROKERS AND BANKERS COARD. CORBECTSD BY ROBINSON, MOLEAN & CO.;
