The Episcopal Convention.
The New York Correspondent of the Philadelphia *Ledger* writing last Saturday, says:
"As everything has now to do with the election that can throw any light on the course of action resolved upon by the Southern Bishops of the Episcopal Church, with reference to re-union with the Northern Dioceses, it may be stated that letters were received here to-day from Bishop Elliott, of the seceding States, who has had a free interchange of opinion with his brother Bishops at Augusta, the result of which was the appointment of three of their number to attend the General Convention about to assemble in your city, with full power to settle all pending questions, with a view to re-union. The Southern Diocese, he says, will meet *per forma*, at Mobile in November, at which time the committee of three will report. That report, Bishop Elliott does not doubt, will be satisfactory, and so that the Mobile Convention will adjourn without transacting any other business than ratifying the work of their representatives in Philadelphia."

JOHN NEAGLE, the son-in-law of the painter Sully, and himself an artist of high reputation, died in Philadelphia a day or two since, at the age of sixty-five years and ten months. He was a native of Boston, and commenced his professional career at Lexington, Ky., in 1813. His portraits always commanded a high price. His portrait of Henry Clay was among the most successful.

JOHN MINOR BOTTS has written another letter to Virginia, advising them to elect men to the next Congress who have not been inlured up in the late rebellion. Any others, he assures them, will not be admitted to the next Congress.

MEDICAL.

SUCCESSFUL TREATMENT
OF
Chronic Diseases, Consumption, Scrofula, Syphilis, Seminal Debility, and all Female Complaints,
BY
DRS. AMOS & JOHNSON,
143 Fourth Street,
PITTSBURGH, PA.

Testimonials from the Medical Profession and Others.

Mr. Editor: It is with pleasure I state known to my many friends, that the disease for which I was hitherto failed to obtain relief. As all exhausted means of medical aid, and was given up by the physicians as incurable, I was induced to try the skill of Drs. Amos & Johnson, who are truly gentlemen and scientific physicians, and by their kind attention and skillful treatment I am restored to perfect health, and can recommend them to the afflicted as worthy of confidence. Yours, respectfully,
(Signed) W. P. MERWIN. M. D.
Olentangy, Ohio, December 23, 1863.

CERTIFICATE FROM THE REV. DR. HAMILTON C. HEARTY, OF MONTREAL.

I certify that Drs. Amos & Johnson a confidence have cured my wife, who was under my care for many years. The medicines were used only two months.
REV. H. C. HEARTY, M. D.

Important to Ladies.
Our FEMININE DROPS will bring on the monthly sickness to regulate at any period. Price $1. N. B.—Ladies who are pregnant should not use them.
Tonic for Female Weakness, a certain cure. $2. Injection for the Whites or Leucorrhœa, $2.

DISEASES OF THE BLOOD, &c.
Amos & Johnson—Dear Sirs: I must again state that your remedies for scrofula and blood disease are really excellent. My scrofula, which was an impurity of the blood, I find they never failed to cure when nothing else would. I have succeeded in curing the worst cases of syphilis ever in our hospitals, in the short space of two months.
F. W. LESLIE, M. D.
Cincinnati, December 16th, 1863.

SEMINAL WEAKNESS
Drs. Amos & Johnson: I have cured, by the use of your remedies, several patients that had been in the states of the Lunatic Asylum from the evil effects of seminal weakness or solitary habits. For such cases I consider nothing can equal your medicines.
Albany N. Y., October 15th, 1864.
J. W. SALLINS, M. D.

Take Particular Notice.—Drs. Amos & Johnson address all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage. These are sad effects produced by early habits of youth, viz: Weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive function, general debility, symptoms of consumption, &c. Dr. Amos & Johnson have for many years exclusively devoted their attention to the treatise of the diseases referred to in these unfortunate cases.
