Post Office box 4568, 1612mdawT In Pursuit of the Fenians. The New correspondent of the Philadelphis Ledger, writing on Tuesday says : I spent several hours this morning in the endeavor to hunt up some facts concerning the Funians, and es-pecially about that expedition some of the over-credulous folks upon the other side have got it into their heads is about to sall from New York but it must be confessed, I had only my trouble for my pains. It was a pursuit of knowledge un-

for my pains. It was a pursuit of knowindge un-der difficulties. I was a pursuit of a shipping office, in Bouth street, which has been reported as char-tering a number of sizemahlps to the Liberators -but everybody there was an arran know noth-ing. To direct questions, it is true, rather eva-sive responses were refurned, but the general tenor of the little information derived was not confirmatory of the naval arrangements with which rumor has been so busy. Your correspondent next proceed to the Brock-iyn Navy Yard, to inquire in regard to the old gunsseald to have been sold to the Brotherhood; but the partices to whom I applied second to look THUTT, WE THE TOLE SOLUTION AND ALL AN

gunsaid to have been sold to the Britherhood, but the parties to whom I applied scened to look upon me as a victim of some practical joker, who had been sent over there on a fool's errand. They had sold no guns to the Fenlans; they had sold some a week or two ago to hardware mer-chants and ohiers interested in brass castings and ohiers, but no other persons had made ap-plication for anything of the kind. The same observations hold group in performant to had

plication for anything of the kind. The same observations hold good in reference to the al-leged transfer of Government musica. I next went down 15 Wall street, among the Bulls and Bears, in the expectation of at least forreting out the bank note engresters who are reported to be preparing the bonds for the en-tially, by one who professed to know all about it, to a second-story back room in a bullding there and starting my business, the only satis-

PERSONAL AND POLITICAL. William J. Dnane, Esq., died Wednesday in Philadelphia, at the advanced age of eighty-five His health had been feeble for some months past at death was owing solely to the desay of his odly powers, to be expected at his time of life.

Mr. Dnane was born in Clonmel, Ireland, an me to this country about the year 1795. He ma brought up to the printing business, the came a dealer in paper, and finally was admit ted to the Bar. He represented the city of Phil-adelphia repeatedly in the Legislature of Penn-

where a set of the set of the set of the second set of the set of the set of the set of the second set of the sylvania, and was the author of the resolution spivanus, and was the author of the resolutions against the admission of Missouri into the Union as a size State, unanimously adopted by both hences: Subsequently he sat in the Select Conn-cil of onr city, was an early director of the Pab-lle Schools, and for nine or ten years a Director of Girard Collogo. In 1833 he was a member of the Cabinet at Washington for a few months. His writings in favor of the Internal improve-ment of Pennsylvanis were very infineatial in arousing the public attention to that subject. As is well known, he was the tegal adviser of Stephen Girard, and one of the five executors of his will. The Territorial election in Idaho occurred on

A. MolLWAINE. Auct'r. acco A. Mollewalths, Audr. INFORT QUARTERGATE OFFICE, 1985. PITTENDER, PA., Soci. 23, 1985. SALE OF GOVERNMENT PROPER STY.-Will be sold at Pablic Auction at the Fair Grounds, in this city, on the 24 day of Octo-bit 1985, the following Government property,

Stephen Girard, and one of the bree executors of his will. The Territorial election in Idaho occurred on Monday, Argunt 14th, and resulted in favor of the Democratic party, who will have a majority in the new Legislature. Ada county, including Bolae City (the Territorial capital) gave 200 Democratic majority—Sil to 310. Idaho City went heavily the same way. The Boise City Stateman says all manner of villalay will now be attempted to effect the removal of the capital to Idaho City, and that although this may not be done except by a vote of the people, it is boasted that the Legislature shall be adjourned to Idaho City upon the first opportunity after its organization. There are mutterings for a vigilance committee at Idaho City, and indeed 12 : 4 Horses. 20 Six Mulo Wagons. 22 Single Sets Wheel Harness. 44 Lead 44 8 Wheel-barrows. 22 Riding Saddles.

not lar from the Costom house, but on going there and starting my business, the only satis-faction I was able to obtain, was a complimen-tary invitation that "I had better be off about my business, and not be prying into things that did not concern me." Of course, I did not say upon the order of my going, but went at once-though not without a corviction that the mo-chanlesi, eclentific and artistic resources of the establishment were not sufficiently exten-sive for the earraving of fore cet nosal cur-The friends of the rebel ex-General Jubal A Early, of Virginis-the oftenest and wors whipped officer of the war, and who knew better than any other man how fast Sheridan's troopers could ride, and and how hard they troopers could nice, and and how hard they could fight-are making vigorous jefforts to to-cure for him a pardon. He is now in Mexico swaiting the result of his application. Warns the inn-keeper at Neufchatel catches an Emperor, he makes the most of him. His bill for entertaining Napoleon and the Imperial suite thirly-six hours, was \$6000. He is almost up to the prices of American hotels. ve for the engraving of five cent postal cur-mey, much less the bonds for an Irish Repubrency, much less the bonds for an Irish Repub-lic. The various recruiting head-quarters were next visited, but if any preparations were ma-king there for the despatching of some thous-ands of atle-bodied pikemen to Ireland, they must be conducted on a system of profound secrety. I could not see anybody that was going, or who knew of anybody else that had engaged passage. And so I concluded, as you too will conclude, that the "Great Fennan expedition from New York to Ireland," which seems to haunt the brain of the folks over in Printing House equare, has no more real critence than had the Flying Dutchman. It was but the other day that we had a Megican furore has, and there was no end of the stories that were toid of the large number of recruits that had gone and were going but, as nobody ever went, the stories turned out all moonshine--but the currency that.is given to the Fenian expedition romance above that there is a little of the moon-shine still left. EFFORTS are being made to obtain the legal services of Hurschel V. Johnson in defense of the robel steamboat and bridge burners who are to betried at St. Louis. As Austrain count of the holy Roman empire, so Fink von Finkenstein, has been arrested in lungary for forgerics amounting to \$70,000 NEWS ITEMS.

BRADE are very numerous in parts of Aroos-took county, Maine. The woods near the set-lement are swarming with them, and the grain crops are suffering from their dopredations. Whole fields of oats are trodden down and strip-ed by them as if an invading army had passed through. The raspberry crop was short this sea-son, and it is supposed that has diven these animals into the clearings for food.

animates into the clearings for 1000. If has been reported to the general land office in Washington, that extensive gold discoveries have been made on the northern shores of the west end of Lake Superior, in the northwestern land district of Minnesota, which are attracting emersy a district of Minnesota, which are attracting

ex-Member of Congress. Mis Grant income of \$40,000 per annm.

A FRITE fight for one thousand dollars a side took place on Monday, near Ehiladelphia, be-treen James Turner, of that city, and John Turner, of New York, is which the former was declared the winner, in consequence of his op-ponent, as alleged, having struck a foul blow in the eitteenth round.

the sixteenth round. CHARLES SIXULE, a fad eight years of are, was arrested in Chicago isk; Tuesday, charged with robbing a eiger size, Young Single entered the store on Satirday afternoon, and after re-maining these about half an hour was seen to emerge with an armfull of eigen. Officer Pago testified that this boy was goilty of storling two homes and buggles within the past two months.

DAVIS AND TUNIS SMITH, the owners of the steamboat Arrow, of explosion notoriety, were in Naw Tork Weddweday indicted by the grand jury for manalaghike in the fourth de-gree. They were brought into court, pleaded not guilty, and admitted to ball in the sum of \$5,000 each. IF RUMATING after a woman be a sin, it is one that is very easily checked. All that is noces-sary is for the women to stop running away from the men.

This corn crop is so promising in South-western Virginis that farmers have engaged to sell it for twenty-five cents per bushel. Harvest-ing is now going on successfully.

A GENTLEMAN well experienced in the institer estimates that Sangamon, Ill., produces this year nearly 1,500,000 pounds of wool, and that about 500,000 pounds are in the market waiting sale. ANOTHER, valuable discovery of gray sulphare

of copper in the Huron Mountains is announ by the Lake Superior Mining Journal. The v has been traced over half a mile, COAL has advanced in Boston to \$14 per ton
