The Great Fire in Bussia. A paper of Bir Petersburg, in a sories of sri theles on the frightfal incendarism which for some time has been meridiate in Russia and pointd, offer a new explanation of the origin of the fires. It states that there is a great proha-bility that the fires were the work of a basic consisting almost exclusively of Jews, who: the assurance company. Their agents became in deceiving it as to the value of merchandle and other movable property assured. The principal members of the bank have been ar-

in deceiving it as to the value of instructure and other movable property assured. The principal members of the band have been ar-rested and await judgment. As to the somple-ity of the revolutionary party, it has been most indignantly denied by Alexander Horzen, the well-known chief of that party. Lake Schooner Aground. Picros, (C. W.) Sopt. 30.—The schooner Thisle from Wellington, Oswego, with a cargo of five hundred bushels Barler, is ashore at West Foint in a bad condition.

\_\_\_\_\_ A Actorious Burglar Arrested

NEW YORE, Sept. 30 .- The detectives of the

United States Treasury Department have enc-ceeded in effecting two important arreats of counterfeiters. The detectives were put on the track by the revelation of a counterfalter named Ecker, captured some weeks since, and so per-fect were the arrangements that the counterfelt-ors were arrested at different places in this city and Williamsburg while engaged in their nefa-rions work. The first of the two was taken on Monday last, and the second on the 37th inst. They proved to be two English engravers named

Monday last, and the second on the 37th inst. They proved to be two English engravers named Overton, who have been practicing their art in criminal ways for the last nine years. They were both committed for trial. The U. S. Gunboat Galais, third class, of eleven gans, has been sold by acting admiral C. H. Bell, the commander of the Brooklyn Navy Yard, to the Haylien Government for 855,000. The Galais will be equipped and receive her armament at this port. A portion of the crew of the Haylien government for 855,000. The Galais on her passage to Port an Prince. Major General O. O. Howard, Commissioner of Freedmen, has suthorized the establishment of a sort of court for cramination into the difficulties arising between the freedmen and the employers. The Assistant Superintondents of the barean with two citizens to be elec-ted by the white difficult the lease foldea-ied above, in furtherance of this plan General Howard has been making the tour of Virgiala. On the 29th Inst. be had an interesting interview with the officials of Portsmonth and Norfolk. Charles Jones, alias Chances Johnson, well known to the police as a notorious character, yes policed and the dama's limiting to the dama's Epress Company, and twen-ty five thomsand dollars from Belmout's limiting Howard badams's Epress Company, and twen-ty five thomsand dollars from Belmout's limiting there is a served and recourd generally. From California and Oregon.

From California and Oregon.

From California and Oregon. SAN FRANCISCO, Sept. 28.—The reduced rates of interest is teading to speculation in metrohan-dize. Nearly all articles of prime necessity are d much raised with an unueual small quantity on the way. There is more activity in the general markets than for many months. Bas Francisco, Sept. 29.—The Central Pacific Railroad has been for soveral months survey-ing the ground at the surmit of Sierra Nerada, preparatory to a fineal location of the routo across the mountains. They find that they are mable to continue, the road from the animuit west-ward to Tacker river, on a grade not exceeding 90 feet per mile, where they expected 105 feet grada. An Incendiary fire at Portland, Oregon, on the Stih, destroyed property rained at \$20,000. The recent heavy rains have greatly damaged the late harves in Oregon.

Extract of a Private Letter from General

Lee. BALTIMORE, September 29.-The Inder, of Pe-tersburg, publishes the subjoined extract from a letter from Lee: "It should be the object of all to avoid con-troversy, to aliay passion, give from scope to reason and every kindly feellug. By doing this add accouraging our citizens to cangare in the duties of infe with all their heart and mind, with the determination noi to be turned aside by thoughts of the past or fears for the future, our country will not only be restored in mater-ial prosperity but will be advanced in science, in virtue and in religion. Wishing you every success, I am most traly yours, R. E. LEE.

Alabama Convention. AUGUSTA, GA., Sept. 37 .- The Convention Monitomery to day voted, by 61 to 19, to repudiate all the debis contracted by the State, in ald of the lafe war. The Convention also result to aubmit the amendment of the Constitu-tion to a popular vote. The Convention ad-journed till Saturday.

journed (III Saturday. NEW York, Sept. 30.—The Time' Mont-Romery, Alabama. spocial asys the Convestion raseed the ordinance by a vote of 59 to 10, practically abolishing the right of nagroes to testify in Courts of Jostico, to continue until the conference makes here on the subtact

Tennessee, NASUVILLE, September 30.-W. J. Andrews, Mayor of Columbia, Tamessee, suspended soma months sirce by order of the milliary comman-der, General Johnson, resigned his civil func-tion on Monday last, thus affording the munici-pal Board an oppertunity to recognalize by the election of Mr. J. W. Waiker, as Mayor. The Board then elected W. J. Andrews to fill the va-carcy cansed by the election of Mr. Waiker. The General Assembly of Tennessee convenes on Mondar, the second of October. Many log-listors are aiready in the city.

The Alabama Stats Convention.

The Alabama Stats Convention. MONTGOMENT, ALA, Sepi. 30, — The Alabama State Convention adjourned to Aday. A memo-rial was adopted praying Precident Johnson to grants a general amnesty and pardon to the Southern neeple. A resolution was adopted grants scheral amnesty and pardon to the Southern people. A resolution was adopted declaring that, whereas, the people of Alabama have given numistathable ovidence of their loyal-iy, they therfore pray that Prevident Johnson will withdraw his troops from the State. The Con-stitution as amended was adopted. The resol-ution of adjournment provides that the Conven-tion may be called Logicher by the predident of the Convention on or before September 34, 1805.

Betarteacy, in two much torn or consecut for circinalization, are redeemable only by the Treas-urer of the United States, from whom funds for more may be sent to the Treasurer by mail without the prepayment of portage, and its val-ne will be returned by a treasury check or draft an either of the Asistant Treasuries of New York Beston or Philadelphis in sums of one thousand dollars or mure, to be transmitted an-def seat to the Treasurer of the United States, without charge to the owners of it. Circulating notes of National Backs in liquidation, are ro-deemable only by the Treasurer of the United States. Treasury notes bearing interest con-vertible, should be sent to the Beerstary of the Treasury for redemption. The place of pay-ment of interest on United States rogistured bends can only be changed by an application to the Begister of the Treasury who makes all changes in the registry of such bonds. The meeting of the Board of Commission-ure of the Fire Insurance Companies to-day de-cided by a two thirds vote to make the rate of insurance on exton and other goods in stores where cotion is stored, one dollar and thirty-five cents on each one bundred dollars. Large companies will adhere to this action, and the separate their cotion from their other mee-chandise. Treasury Decision-Alabama Convention. New YORK, Sept. 30.-The Tunes' Washing-ton special says: The Secretary of the Treasury has decided that in case of the loss of checks issued by Government officers or Assistant Trees surers of the cesismated depositories of the Uni ted States, they are not required to issue dupli

cates. The Post's special says a dispatch from Mont ino four's special says a displich from Moni-gemery states, that it is bollowed that the Alaba-ma Convention will adjourn to-day. The theatrical managers of this city have held a meeting and recoived to withdraw advertise-ments from the Herald.

St. Domingo Advices. Orening of the Missouri and Pacific Rali-road.

St. Domingo Advices. New York, October 1.- St. Domingo news to the 9th of September has been received. The Dominicans were celebrating the second anniversary of their restoration to independence by many rejolcings. Business was reviring, and notwikhstanding an ominous ramor that the Spaniards intanded to recapture Somans, the Gibraltar of the West Indies, the affairs of the little Republic are looking up.
