RATHER AWKWARD. Sells the best and cheapest The Chicago Republican says, "The Demo-tratic papers of Pennsylvania, Ohio, and Iowa, sacked by their associates all over the country. have insisted that the Republican party of those ates were committed to negro suffrage, and that the election of the Union candidates would be a triumph for negro suffrage. KENNETH RAYNER, of North Carolina, has

ublished a letter to show that the blacks and whites cannot live together, and that the whites ought to expatriate and colonize the blacks. Kenneth forgets, or has not learned, that the blacks are not only free, but citizens, and that in any scheme for colonizing they must be con-In North Carolina and various other Southern

States the blacks are a majority of the people.
What if they should take it into their heads to adopt Raynor's argument, and should say to the whites in those States-"We cannot live together; therefore you must go and be colonized THE STORY OF SHERMAN'S GREAT MARCH, How would Mr. Rayner like to be colonized outside of his native State! And yet, if the blacks should outnumber the whites, would they

not have as good a right to colonize him and

his white friends, as he and his white friends have to colonize them?

GOVENOR WISE AND THE CLERGY.—In the Episcopal Convention at Philadelphia an amusing incident occurred during the speech of Mr. William Welsh. He stated that so anxious was the church not to appear to connect itself in any way with the State, that during the seasion at Richmond, six years ago, the convention efused to memorialize the President of the United States, and yet inconsistently, a few days afterwards, called upon Governor Wise, about the period of the John Brown raid excitement. Several members loudly exclaimed, "I did not call on him—I did not call on him:" and Rev. Dr. dams said he could not suffer this to pass without explaining that the vote to visit Governo Wise did not pass the convention, but the mempers were allowed to visit him in their private

INTENSE ANXIETY.-We learn from a speech of Rev. Mr. Stone, of Kausas, in the Episcopal Convention at Philadelphia, that "the world is gazing upon our [their] action." Notwithstanding this intense anxiety on the part of the world, it still turns upon its axis, "has lunar nfinences, and comes divers games of tha ort," as Mr. Sampson Brass bath it. IOWA.—There are but a few scattering returns received from Iowa; but all that we have, indicated that the Republican State Ticket has been elected by an overwhelming majority. Governor Stone's majority is at least 20,000. The Auti-Negro Suffrage dodge of the Copperheads didn't win there, any more than here.
