"enpation. Remarking on this the Ost Deutche Postgarys: """If such a resolution should be come to, it-would be mischlevous in the highest degree, for, "spart allozether from the question of right, its effect, would be to enable France to get out of an embarraseing difficulty, and to escape from the danger of swar with America. Though Aus-tris might not fear on her own account theorem-tuality of such a war, alto could have to Derri the responsibility of the failure of the Mexican expedition, and what could Anstria gain from France in return for such a sartice? Perhaps to see employed against her. In Italy those same French troope whom her interference might be The announcement of Count de Sartines to the announcement of count de Sartines to Rally the System. After a discass has been conjured, there is still o weakness that it leaves behind it to be remor-elled and flacid muscles, the shaltered nerver, s thn and wstery blod could speak, they would for her to the server eaves much halt. As is y for help. In too many cases such halp as is yea them is not of the right kind, the fory sim-ants of commerce do harm. They kindle a tem-inary flame, which is a mockery. Their, effect unes, and the last state of him who uses them is

orse than the first. Not such is the effect of Hostetter's Stomach ers. There is no drawback to their toning ----- The announcement of Count de Sartiges to perties. Baisamie plants and barks and roots tribute their restorative juices to render this the Pope, that the evacuation of the Papal State by the French troops would begin on the first of November, at once developed a feeling of inse-curity and want of confidence in the power or othing and strengthening preparation a rot and remedial agent. Its basis is the only pur ant which has ever been produced co imulant which has ever both products the second product of the second product of the deleterious element. The second product them harmless, denote the second them harmless, denote the second the sec purposes of the Pope to maintain tranquility within his dominions. This announcement of the intended withdrawal of the French troops, to Bitters and promotions, but the testime. This is scientific testimony, but the testime. The bundreds of thousands who have experies the bundreds of the operation of the Gr has called forth a remarkable and significan f the sundreas of thousands who have of the Great of the Great of the Great surative effects of "proclamation" which has been posted on the episale Terio and Allerstive of modern lines is till more conclusive. In faver and aque, dyneth-is; billousness, hervous complaints, general de-tilty, and chronic complaints, it is as nearly inwalls and circulated among the people of Rome. We quale the essential part of It: "The French army of occupation has bern to leave ut; is leaving this land it has occupied for the last sixteen years, for the purpose of su-taining the temporal power of the Pope, ready at any moment to tamble to pleces. When the two years have expired slipulated in the conven-tion not a single French soldier will remain on our coil. The government of the church will be abandoned to itself and to la some proper forchs. A constant protector of briggands and assassing, is will reap the fruits of blindness. Romanis do not act inconsiderately—do not precipitate matewalls and circulated among the people of Roma.

allible as anything in this fallible world can old everywhere. Muslins,

#### leduced at 21 Fifth street.

Fall and Winter Goods. It is with great pleasure we call the attention of an reader to the superpation of Fall and Winter toods just received by Mr. John Weier Merchant Is will reap the finite of blindness. Romans do not act inconsiderately—do not precipitate mar-turs by any icolish demonstration. Let us arm ourselves, but only to defend our lives and prop-erty sgaint its brigation who will remain as the sole support, of the throne, and alter, . An ill, limed movappent would, compromise the failli-ment of, our desilules. We must not wait for, the signal from the italian-government to com-jiste our regeneration, we must work them out ourselves. Freed from the French troops and the Pagal crown, we built ask to be unled to the great italian family, and Europe will respect our voice. Vice l'Italia, one and independent!" siler. No. 12 Pederal streat, Allesheny, His Wasers some of the farest and most besutal Olotha, Ofarim dea, Urdenosticy and Yeting we brought to Abb Western market. members. His age was 73. Ho was a graduste of the Usiversity of Yermonf, supporting himself by his own labor during this collegites and professional studies. In 1837, 1833, 1837, he represented the town of Royalton in the General Assembly. In 1833 the was elected an Associate Justice of the Buprame Court, of Vermont and was continually on the bench axill 1843, he was chosen to represent the Second District in Conformation and the second labor of the Second District in Conformation and the caliform District in Conformation and the second restimate. In March 1849, he was chosen to represent the Second District in Conformation and the second restimate of the President is one start of the second restimate. The second second for the second restimate of the President for the second second restimate Judge of his own Sate, sholling that office until 1834, when he was chosen Ulited Bate Benzior; which office he silled up to the Hims of his death. sie of the University of Vermont, supporting

State Senator: which office he filled up to the line of his death. Mr. Collamer was a man of strong and enr-test convictions, of uncomfined independence in the formation and expression of his ophicidas; a sturdy advocate/of freedom and inman rights, and a devoted lover of the Federal Constitution. In the social visitions of life, he was a model of integrity, of singularly modest and kindly mannare, shough immorable in adhering to his own views of right, free from all guile and artifice, a man of few words and of no pre-tenses.

The Adams Senatorial District.

The Adams Senatorial District, The Copperheads are making a desperate at-tempt to establish the false claim of Duncar, the copperhead candidate for Senator in ithe Adams District. There is mothing .unusual in works a claim being setting up by: those tricks-ters, but it does not alter the actual result of the alection in that Senatorial District. Wilh-out a doubt and by's clear return, site. Mec-Consuppy, the Usion candidate, has a majori-ty, of the legal voice for Sanatori in that District, and if, the illogal voice accounted by Consultation of Sanatorial both that District, and if, the illogal voice

Countryby, the light could the his armitori-in the light voice for Smator in that District, and if the illoral voice accepted by Copyerhead election efficient had been rejected as was enjoined upon them by their calls, Miconaughy's majority would be four of itro lines larger than, if telly is. Tho-returns from the Pennsylvania soldiers who held an election in Terms, still, give Mr. MiC, forty majority. But even with this fast; in his faror, we trust this no softer with the sparsit to expose the traitorius and cowardly finade re-sorted to chary the Adams Bonatorial District-- Hortiber Zriegues.
