CITY AND SUBURBAN.

Ililldale Cemetery. Reneath the surged clos, that yow tree's shale, There heaves the turf c'er many a mouldering

haan, Each in his fairnw cell forever laid, The sude forelathers of the hamlet sleep,

For them no more the blating hearth will burn, or bury housewite biy her evening care, or children run to live it their steir roturn, or climb his knocs the envied kiss to share.

On some foud breat the parting soul relies, Semé plous drops the closing eye require, E'en from the tomb the voice of nature cries, E'en in our athen live their wontod fires.

The practice of burying the dead within the limits of towrs and cities having by numerous Sanitary Boards and high medical authorities been very generally condemned, and going rap-ldly into disuse, it has become necessary to provide places of sepulture in subarban or ru -1 districts

ral districts. The citizens of Pittsburgh, following the ex-ample of New York, Boston and other cities,

The citizens of Pittsburgh, following the ex-ample of New York, Boston and other cities provided a noble cenciery on the south bank of the Alleghery rive, by the purchase, and el-exant and tasteful addrinnent of 100 acres, which has since; been enlarged to nearly, or the city of Alleghery and the adjacent bor-orgahs, computising adopulation of some forty thousand sonts, were without any but onein-burtan cemitery. Ithis, the "Allount Union," for isling in the original inprehase, of but we're acres, but since calarged to about two if, was ranking filtion up, when in September, if, was ranking filtion up, when in September, the the rest of the decision of a new can the commissing filtion and scene forty trustions in the since calarged to about two if we're acres, but since calarged to about two if, was ranking filtion up, when in September, if, was ranking filtion and scene to the in the simple, which renders is impossible due to the card and the fact that for each lot a deed is trusten on pew roads or bighways being remound from its MC Clare tow ship, as a succeon of a new can braced. They presented that project to the det incernent working and the set or incernent to the set in the two and the fact that for each lot a deed is that the rest of the decad shall ever be distarbed. C. MC and they, is as a succeon of a new can braced. They presented that project to the edu-ing and the is all or incorport with the set inter or the createry is required to ground, which are and y in portenes, the will desire the or the is all of the ord boly foround, a which boly ground, which is all the fact boly to an easy prade, is on the Brighton model and is distant from the citig time order incerdar, and is distant if and the filt in proved in the is distant.

BUTTER-Costinues exceedingly dull, and wild fair arisals and a light lienaud, prime foll may be quoted at 34,526, EGGS-Dull but unchaped at 40,6426. CHEESE-18 stordy with regular asless at 30,32 He for Hamburg and 24,525 of Conden. CHANBERRIES-Quide but steady with suice of prime fastern at 35,03 per bb. CHISTNUTS-Continue dull at 37,67,531 series. CTODEI-Is all the way from 510 to \$15 per bb. according to quality.

According to quality. HOMINY-Sales of 15 bbls. at 5e per pound. APPLES- Continue dull with a supply largely. if excess of the demand but prices remain un-charged. Begular sales from store at \$130 per barrel.

SEEDS-Clover Seed is quoted at \$5 p2r bush, and Fiax Seed at \$2,75. To demand and no sales I Timothy Seed. HA 1-1s selling from city scales at \$16,33) per-

LOD, As to quality. HIGH WINES-Firm and higher; sale of 50 bhis, . ALLEGENNY CATTLE MARKET.

ALLEGEHITY CATTLE MARKET. Reported for the Pfitsburgh Garette. Orrice of 7 and Prirsburgh (Garette. Pirraburnde, Nov. 14, 1985.) CATTLE-There was a very fall suppir of Cattle on sale this week; and, with only a limited demand, the market ruled dull and heavy, and ha-ferior and common grades have still furthed de-clined, while prime cattle were rather searce, and sold at pretty full prices. Stock cattle continue dull, the demand for this grade of stock being very much restricted, though god feeding cattle were in moderate faulty, and sold at fair prices. Up-methe whole, however, the market was regarded by directs as a link to he, and the ward regarded i compared with bits week pt the works price, was rate those few bought sparticly, bud the demand; therefore, was restricted mainly to supplying the refuture. We restricted mainly to supplying the Imbla is offered at 29, with 25 bid, and sate are ported at :0%. Fhilsdelphis, Lanaster & Cherry Run is in request, and we have of sales, bud the terms are private. Halton is wabted at 1%, none othering. Noss is innerunating between 40 and 45, and the demond appears to be subbiding. Cherry Run a Flitsburgh is offered at 20, without finding akers, and the same remarks will apply to Culberteen's Run. Capt. Stocktale received another relignan from Oil Gity to-day. reporting the Orchard Well, on the Partna Paran, as flowing forty barrels per der, and facerssing. The New York Petroleum board must have been totter to-day, as United States is reported as having sed up to 27. This stock, a day or two since, sold down to 21%@249, owing to a reported istiture of one of the Company's targest producing wolls. failure of one of the Company a largers provided wells. There is little or rothing doing in bank stocks. Inc. City is wanted at 75-none offering. Fourth National othered at 130. The First National (Allegheny) has derived a dividend of fire per

and those few bought sparthouter in a thread here therefore, was restricted mainly here in the draward, therefore, was restricted mainly here the there are retail trade. We refer the scader to the prince the safes from which here and form historeaness, as prices varied so that it is impossible to give correct quotations. HOGS-Costinue doll, and acgierted, and, as HOGS-Costinue doll, and acgierted, and, as decimed, while is week, prices have still further decimed, while is week, prices have still further decimed for the probackers in we bought a Hog refore down within reheat the further the head, averaging science in High Rever here the head averaging science in the form a corrun to Emerick without the science of the here the here the High A dispatch from Oil City this evening reports

A supprich from GRI City this creating reports that the new wrell on this Attender Farm, belong-ing to the Chefry Hun & Pittrburgh Company, is producing a very fine quality of lubricating dil. It is estimated that it will yield about twenty barrela per day, although, as yet, it has not been fully or fairly tested. The following stocks were sold on Tuchd by es-ning, November 7th, at Commercial Sales Boomia, No. 103, Smithfield strivet, by Alex. McLiwalne, auttioneer: 1134. SHEP-Market quiet and a little duil, but, prices are without quotable (change, good muittan Sheep retailing at irons 46004.
