Gunbasts at Portsmonth — Cattle for our Armies –Duff Green Alive-The Hus-sian-American Felgraph-Penitoniary Prisoners-Hebel Captured Draft.

NEW YORK, Nov. 17 .- The Tribuge's special New York, Noy. 17.—The Tribuse's special says the Government has decided to ap-point female detectives for the purpose of earching suspicions women who are extansive-ly engaged in smuggling silks, laces, furs, &c., between Canada and the United Statos. The chief operations are transacted by way of the Grand Trunk Railroad. It is believed Buffalo is the main depository for these goods.

a lew pours. He was trelve years old. The fourth victim was addam Marsatca, no over by a locomotive on the Galena Hailroad, where the Jefferson and Kinsle Stations Intersect. Both of his leys were severed above the knees, and he expired in a short time. Gypurston, Monrow's health is worze. He will turn over the Erecutive Department to Lieutenant Governor Baker and will leave in-disangolis on Monday aext for Washington, where he will remain sahort time. His physicians prescribe a sea voyage as absolutely nreysary for his reforming to health, and it is probable it at he will sail for Europe at no distant day. A such hes been introduced in the Missouri State Scrate, providing for the sale of the south west branch of the Missouri Tacific Railroad, it deciared he road forfeited to the State, with lis personal and real eatast. The Governor is directed to take possession of the road and turn it over to aboard of commissioners. Micruas, Chaio, the man who killed Mrs. Grand Trunk Railroad. It is believed Buffalo is the main depository for these goods, The rumor that the gunboats at the Ports-mouth Navy Yord are being fitted up for sea, is stated at the Navy Department to be un-

From this date the Government will cease purchasing cattle for our armies at the north. The World's special says General Duff Greene is act dead, as was reported, but silve and well in Washington.

is Eci dead, as was reported, but alvo and well in Washington. The Tim's special says an application to-day was made to the Navy Department by E. Allon, of New York. In behalf of the Russian Ameri-can and Overland Telegraph Company for naval weaks to aid in laying the cable across Bahr-ings Strait. The application was rofused by the Arisistant Scoretary of the Navy, on the ground that it was exclusively a private enterprise. The Tribure's Washington special says: The wincrease thus far examined in the Craven court martial case, pave given the weight of their testimony decidely in Javor of the Com-modore.

their testimony decidedly in favor of the Com-modere. The Heraid's Washington special says: A butch of sitteen prisoners, three-lourth of whom were colored, convicted of offences ranging from grand incremy upward in the catalogue, were in day forwarded to the Albany peniten-tisry.

were to day forwarded to the Albany penilen-tiery.
Brigadier General P. 8. Michie, the successor of General Weizel as Chief Engineer under General Butter, has been granted a year's leave of absence, which he will speed in Florida.
The Thurde Washington special says that smonths the projerty capitified by the Federal-forces just before the close of the rebellion, was a draft belonging to the rebell, dated Jannary, 18th, 1865; for three thousand pounds storling, drawn by the rebel government- on the keuso of Brown, Shipley & Co., Londou.
A abort time ago this draft, was sent to Now York for collection, and to day the Secretary of the Treasury received official Intelligence what is formation and the day the sum of \$14,630.

The Fenian Excitementat Toronto-Speech of Hon. D'Arcy M'Gee.

of Hon. D'Arcy Micles. NEW YOLK, November, 16, The excitement is contended and the troops are still under arms and the partols are out. Hon. The Micle and the troops are still Montreal lass night, denoanced, the Echians. The hats of Calu, and the cupidity of Judas, and the dust of Bellan would be the justifica-tion of the well-sorted allies for the the objects of both would be plunder and of all outrage.
