MEXICO'S BELATIONS WITH FRANCE

ferms of Napoleon's Assistance to Naximilian, Washington, Nov. 19.—As much importance is attached to the statement of the Indefendent Beige, that the exacuation of Mexico by the French may be looked upon as a thirg decided recur to the fact that about two years

recur to the fact that about two years ago Mi Drobyn the L'Hinys said to Ministe Dayton-that the dangers of the government of Maximitian would come principally from the United. States, and the cooner we showed ourselves satisfied, and munificated a willinguess to one throt peaceful relations with that Government, the knoner would France be ready to heave Mexico and the new towernment to take care of thomselves, which I rance would in any event do so soon as it with propriety could, but that it would not leave or tempt the Arch-Duke into a difficulty and

trance would, in any event do er stoon as it with propries? could, but thus it would not leave or tempt the Arch Duke into a difficulty and then desert him before his dovernment was settled. He added that France could not do that. Mr. Seward, in reply to this narration of Mr. Dayson, instructed him to inform the Freech Government that him to opinion of the Unite! States the permanent establishment of a toreign and modarchical government in Mexico would be found neither easy or desirable. The United States the permanent establishment of a toreign and modarchical government in Mexico would be found neither easy or desirable. The United States, consistently with their principles, cold do no otherwise than leave the destinies of Mexico in the keeping of her own people and recognize their covereignty and independence in what twee form they the meetives shall choose that this novereignty and independence shall be manifested.

It was previously decided by M. Drouyn de D'Buy's, that as to Mexico, the purpose of the French government was to give order to the condition of things there, to repay themselves for dettis, reprises, e.c., and then leave the country. He states the condition concluded between France and Mexico, to requisite the conditions of the stay of the French troops at Mexico, for the purpose of establishing the order and consolication of the new empire.

It provides that the French troops at Mexico, for the purpose of establishing the order and consolication of the new empire.

It provides that the French troops at Legion. This corps he order to safely guard the linterests when led to their introduction, shall remain tecaporarily in Mexico on certain conditions, among them that the French troops at larger of Mexico shall be reduced as soon as possible, to a corps of 32,000 men, inclading the French troops at larger of Mexico shall be able to organiza his troops necessary to replace them, The Foreign Legion in the keep shall repain tecaporarily in Mexico on certain conditions, among them that the French tro

New York Census."

New York Census.

New York, Nov. 18.—At a special meeting of the Board of Superplaors, yesterday, it appears from the minority report of the volunteer committee on the subject of paying State commens caumorators, that the committee have had three districts of the First Ward caumorated and found a deficiency in the State consus of 25,000. They state that if they were allowed to go on with the work, they would find the population of the city considerably over a minimor. The Board adjourned to Tuesday with out taking any action on the report.

Gen. Weitzel in Communication with the Events.

New Orleans. Nov. 17.—The Galvaston. Prench.

New Orldans, Nov. 17.—The Galvasion Dudgin of the 18th says: Thesteamer Alabama, from Breaton representations of the 18th says: Thesteamer Alabama, from Breaton, reports that as she was loading, Gen. Weltzel sent dispatches by eight officers belonging to the Federal service, to w Franch ship of war, the purport of which is unknown. It also reports that the Librails fired into a French ship, which returned the fire, killing one Liberal. The steamer Fatal was sunk in the battor on the 10th last. The crew were saved.

their failing cause, but the Union armies con-quered a peace, not by compromits or voluntary submitsion, but by the force of arms.

Some of these members of the so-called Con-federate Congress, who at our adjournment last March, were struggling to bot this nation from the map of the world, proposs, I buderstand, to enter Congress on the opening day hits ser-sion, next month, and require their former

Congress having passed no lawou reconstruction. President Johnson prescribed testain netion for these States, which he decemed indistruction for these States, which he decemed indistruction for the Newrick disaster is concluded. The various of the present entire to their restoration to their former relations to the government, which I think contributed in the second of second number of various ordinances of second number of various observed, the contributed of the good) cholera cleanliness

But there are other terms on which I think in diet and exercise

but time are other truis on which I think there is no division among the loyal men of the Union. First, that the declaration of independence must be recognized as the law of the land; alten and native, white and black protections. red in the inaliennia and ton-green rights of "life, liberty and the pursuit of happiness." Mr. Lincoln in that emancipation proclamation, which is the product-twearbin his chapter of famo, (cheers, not only gave freedom to the slave, but declared that the government would make the feedom. slave, but declared that the government would maintain that freedom. (Appliance.)

We cannot abandon them and leave our defectors to the mercy of steal former owners. They must be protected in their rights of person and property, and these froemes must have the right to sue in courts of justice for all just claims, and to tealify also so as to have seenly against ourage and wrong. I call them freemen, not freedomen. The last phrase might have asswered before their freedom was fally secured, but they should be regarded as freemen of the Republic. (Loud and enthusiance.)

shall remain temporarily in Martleo on contain conditions, among them tank the Fromt who conditions are the English treatment Merica in proportion as the English them to the Expedition of the

bers are admitted to a share in the government of their country, a clear majority of the people of each of the States should give evidence of their carnets and cheerful loyalty, not by such speches as are so common, that they submitted the issue to the arbitrament of wars-bur-that they are willing to stand by and fight for the flag of the country against its enemies at home as well as abroad.

The denormany is in too might mean.

wining to stand of and ugar for any large of the country against its enemies at home as well as a broad.

The danger new is in too much precipitation. Let us rather make haste slowing and them we can hope that the foundations of our government when thus precupitation of the rather than the state during the coming year.

Frigm California and the Facilic.

Ban Francisco, Nov. 13.—The weather is the stars. [Applanas.]

In Fresident Johnson I have unableen confidence. I cannot forget that in the Sentic at the opening of the rebellion, he was the only southern member who denounced it and its originators; and that he was faithful among the faithless. [Applanas.]

Nor as was I informed that when on his way from the Capital to his bome, insulted as he was at many radiusy stallors, he never faithered in his at Nashville, in which is delared that all men at Nashville, in which is delared that all men at Nashville, and the his speech, to a mass-meeting to the colored men Tennesson, to a which is delared that all men at Nashville, and an equal charge in should have a fair start and an equal charge in should have a fair start and an equal charge in the most verifies.

New York, Now.18.—The weather is the collect promise of the Pacific Capital to the Capital to his formed that all men at Nashville, in the Sentence of the safety of the article developed the article of the particle of

ADDRESS OF SPRAKES OF OLD ALL ADDRESS OF SPRAKES OF OLD ADDRES

The celebrated author. Don Andras Bello, died at Santiago on the 15th of October.

The news from Peru is of much interest, and leads to the belief that the next steamer will bring decided news of the success or failure of the revolution. The Revolutionists had arrived near Lina, and the government toops had marched out to give them battle.

There is nothing from Central America.

In Panana matters are quitet. Some actore against a panal and taken place in the State of Canea, in which the government forces were successful. The leads on both alters were three hundred. The revolution is settled for the present. A revolution has broken out in Cundimprea. No particulars were received.

slice, pext month, and re ums their former business of governing the country thus arrungled to reduce the country thus arrungled to reduce the country thus arrungled the reduced the soft of October J. B. Ritterborze, United States fleet paymater of the ships of our commerce in the ocean attaining our prisoners and raising armies to destroy the nation, would impair some of these rights. (Churs.) The Constitution, which ceems framed for cycly chargings, gives to each House the exclusive right to lying of the ships to the country to encourage the qualification of the elyclop returns of its members, and a spreaded no lawou reconstruction. President Johnson preserbed testain ac-

From California and Western Mexico—
Heavy Hobbery—Liberals Retaliating.

Ban Francisco, Nov. 16.—About three o'clock yesterday morning, two disquised men entered the office of the "What Cheer House," where only one cierk was in charge. They knocked him eerselers by a blow on the head, took a key from his pocket, opened the aafe and robbed it of £20,000 in gold. The robbers then encaped normalested, and no trace of them has yet been discovered.

Letters from Acapulco, to the 31 inst., state that the French garrisen there had been streegthened by the artival of 500 hundred men

Letters from Acapulco, to the 31 Inst., state that the French garrison there had been strengthened by the arrival of 500 hundred men from Masetlon. Lete news from Michoscan state that the French collected a considerable force, and scattered the Juarest forces, capturing the Liberal Generals Oricas, Pariparing the Liberal Generals Oricas, Pariparing, Dior, Salsar and Tronelsel, who were subsequently shot. This angered General Alvores, who proclaimed the life of every French or lunperial General forfeited.

NEW YORK, Nov. 18.—Governor Hamilton has displaced the city officers in San Antonio, fexas, and appointed others. The old Council protested the cance they deemed it a violation of the origanic law of the city and in derogation of the rights of the citizens who sught, to be their own municipal rulers, and who are alone to be conculted in the selection of their officers.

Gen. H. P. Bed is in Mexico City,
The Galveston Entitle's says that the old regular line of versels between that city and Bremen has been re-stablished. It, believes there will be a great flood of Germans into that State dering the coming year.

Customs Revenue Frauda.

New Yons, Nov. 18—G. W. C. Barney, charged with being implicated in a fraud to withdraw three hundred barrels of alcohol forms of the United States blonded stare house by means of factitions bonds, publishes a lengthy letter in the Engres. He stare that the charge is false in every particular. He says the alcohol was composed to take from the United States bonded warehouse, not seized on board a lighter, but was taken from a bonded warehouse in Broothyn out that the science was illegal, and the United States have most been defrauded, nor could the familiar that the science was illegal, and the United States have most been defrauded, nor could the familiar gives a statement of the taleguards placed around goods in bound. He says the alleged attempt to defraud the Government is abound. His explanation of the bonds and mode of receive in the security. The clerk was taken the familiars accurately. The clerk who takes the digitary in the green line, but they are gennine, but they are gennine of the families to relate the form of thousands of bonds, smonnting to hundreds of the bonds on the bonds of the worth a dollar. As to the particular Customs Revenue Frauds. colly known awing the names of parties assur-celly known awing then they signed the bonds, not to be worth a dollar. As to the particular, bonds for alcohol alleged fictitions, he says the person calling himselt Richard Clanity signed tiree entites and sower to them. If nicitions in the bond, they must also be neutrice, and the decuty collector who admitis-tered the cath to him allowed the fictitions name andgave his sanction to the signature. The proceeding, who identifies Richard Clanity as the party who signed the bonds, as witness says he prepared the entiries for Clanity and saw him sign the same and know of fraid. Mr. Barney concludes by agying the absordity of prosecution is apparent and says he can at the proper time make perfectly satisfactory expla-nations.

DIED: SNYDER-At the battle of Spotsgivants C. H., GEUPGE SNYDER, of Company M. 100 feel ment, Pa. Vets, (Old Thitmenth) agod 23 years.

The fureral will take place from the rendence of his brother, John F. Snyder, No. 25 Marbury street, on THE (Monday) AFFERNOON, at a O'clock, instead of Sunday afternoon, as previously ancounced. The friends of the family and his late comrades in arms are respectfully invited to attend.

Slorp on, sleep on, dear brother,
1. to a carthly cares thy significant the beson of thy mother,
Till the the beson of thy mother,
Till the trump thy slumoers wase.
Though in a distant i and it be,
Where from thy grave no prayer
is open a distant is not it be,
By social through the air.
Wrast in roses of wirgin-white,
The beson the significant is digital to be out wings its flight,
To be force thest.

On the Creator's breast,
In blirs which none can tell.
Let the pure soul rest
Where saints and angels dwell.

Whereashirs and sargeis dwell.

From that gentle repose,
Mayest thou with clory fire,
To dwell in that abode
Far beyond the skins.

GLYDE—At about 5 o'clocking Friday evening,
in Vincosnes, lad., of Typical F-ver. Mr. JOHN
illy DE, ton or the late Benjamin Glyde, in the
thy year of his age.

Isliy invited to attend.
