Recenters the simple inscription, "Abraham Lancon." age by Storm in Brooklyn-Gen. to Command 1h South Carolina. by Constitution of the Constantiation of the Consta Taxation of National Bonds-Decision of Chief Justice Chase. Bairmone, Nor., 22. -In the U.S. Circult Court for Maryland this morning. Chief Jas-luce Chase presiding, an important decision was given in the case of James Johnson, a subject of Great Britisin versus the Northern Central Railroad Company. The action was to recover the amount of 3.550 dollars'on Componsheld by him of the bonds of the Company. Tas Com-pany claimed the right to retain 5 per cont of the interest coupons to pay the income tar with and also three per cent on the Coupons nuder the law of Maryland. The Court decided that the Company must pay the tar and that the Coupons must be paid without deducting the tar. Chief Justice Chase inscription, "Abraham Lincoln." RICHMOND, Virginia, now has eight daily pa-pers, the White, Enquirer, Frammer, Republic, Dispatch, Times, Commwreist, Bulletia and Sentinel. The last named paper was Jeff. Davis' personal organ, and has just been revived. The Watern Firbhama is the title of a new weekly paper started in Chicago, devoted to the elevation of the Irishman and the depression of the neuro-thece two aims bring, in the es-timation of the editor, one and thosame thing. Mus. HLUBAR BURG. who dista recently a ays: The numerous (r)ors made by recently organ-lized balks in estimating their semi-annual du-ty, causes the supposition that the regulations respecting taidements furnished by the Treasu-respecting taidements. The method of making the siturmant, contained in the regulations, is legally correct, and the books is the Treasury office are so made as to acmit of their record is no other method. There must, therefore, be no siteration of the printed form, by interihing, eranne or otherwise. Statements will be re-turned to banks for correction, null they are made to conform to the method contained in the regulations and form. The Herald's Washington dipatch says it is un-derated Gen. Howard will demonstrate in his report the utility of the Feedmens' Barcan and the admissibility of continuing its existence not lits provisions are no longer needed by whites or blacks. American and English capitalists talk of or-ganizing a National Colon Growing Company in the South. The English attention for bor Fredmen, M. Conway, late of the Fredmens' fuerod Barcan of Louistana, will will theyrool shortly. There is scarcely any down that a bill will pass Congress providing the has of oilders who died in rebel prisons be privileged to collect commutation and Government rations for the time the deceased were prisoners of war. says: The numerous criors made by recently organ-MIS. HILDAR BUNCE, who died recently at Haritoid, Coub., left her whole estate of \$20, 000 to colored people. The African church on Taicot street, in that city, is benefitted about \$14,000, Cases of Frauds on the Government, Cases of Frauds on the Government. WASHINGTON, NOV. 22.-W. W. Rabe, a Claim agent, B. Dressen, law citrk in the sec-old Auditor's Office and Harmon Gosman, who were confederated for the purpose of defrauding the Government by the abstraction of papers in the cases of deceased and discharged solders, have been committed for trial in the default of the aggregate of thirty-five thousand dollars bail for their appearance. The second Auditor westifies that had the abstraction of the papers not been discovered for a few months, a million of dollars might have been thus frauduently collected from the Government. The partices involved in fraudulent transactions have made written confessions of their guilt, Afgatra in Matamoras-Methodist Church \$14,000, ONE of our exchances from the far west en-lightens its readers by informing them that "Mr Joseph Worcester, author of a large-sized dictionary and inventor of Worcesterahiro sauce, is dead." JACOB BAREER, who has been elected to Con-gress from the Second Louisians District, Le-cluding the largest portion of the city of New Orleans, is eighty-five years old. THE census of the blate of Minnesota has just been published. It shows a population of 250,000, an increase in five years of 80,000. written confessions of their guilt, Affairs in Matamoras-Methodist Church in the Bouth. New Oninaxs, Nov. 31-There is a doubtful rumor of Bagdad being besieged by the linerals. It is also stated the Frech adminst demanded of Gen. Weitzel the surronder of a sceanor required by the liberals which was refused. A rumor reached here that the recent andden disappearance of the liberals from bofore Mat-smons was their being suddenly luformed that s body of imperialists were marching from Moniterey to take them in the rear. Gen. Canby has issued an order restoring the Methodist Episcopal Church of the south. The Methodist Canference in Mississippi has just adjourned and adopted resolutions providing for the education of freedmen and their wives and churdre. THE New York Triburio on the ist inst. divi-ied among its stockbolders, \$50,000 as the worlds of four months' business. Crime in Tennessee-- A Narrative of Outrage. The Nashville papers confirm Governor Brownlow's account of the prevalence of crime in Tennessee. A single number of the Union Brownlow's account of the prevalence of crime in Tennessee. A single number of the Union of that city gives the particulars of a dozen out-rages and murders, and the eilitor remarks as follows: "The vicinity of this city is full of thieres, robbers and murderes. Crime in every grade is rampant—goes almost unchecked. The male-factors go in gangs and single; they are both black and while, and sometimes these two classes operate together. They hover afound, from two to five miles from the city, so they are cut of the jurisdicsion of the police, yet are near cough to waying and rob all parties ap-proaching or departing from the city, corry rilles, government muscles and platole; and are en-tirely recleas of human life, murdering as if it wers a delightful pastime. They appear to take so much pleasure in killing that they would rather strike down their vietim than to rob thin uscathed. "Who there min size, and whence they come, it is dimicul ito, say, but they conduct they com-that they are bygond all redemption; that there is but a single way of preventing their further, its of the awars no there. For them, pur-alities of the awars no there, because they constables and abseling are body down that they are bygond all redemption; that there is but a single way of preventing their further, in roads-by hasging them. The ordinary pen-alties of the law have no there. For them, pur-alties of the law have no there. For them, pur-alties of the law have no there is for drassing in-nuits by constables and shering are bygond at excellent practical jokes, and they have no dread of the walls of the jurisdices and in a single relation then gives a long int of assentis and the draft and a drassing the side. The Question as to the End of the War —The Ram Stonewall, etc. New YORK, Nov. 22.—The Parl's Washing-to a start will be the start of the start will be start will be start of the start will be start wi The Ham Bionewall, etc.
Nrw York, Nov. 22.—The Park's Washing-ton correspondent says Congress will act upon the theory that the war is not cuded. It is pre-cisely the ground occupied by the President and every one of the departments of the Gor-ernment.
The volunters not yet discharged have re-peatedly demanded their discharge, in compli-ance with their terms of enlistment, and the invariable reply is, "the war is not yet closed."
The Tressury Department also holds, in refer-ence to the payment of bounties, that the war still exists. The President will protect the freedmen with the bayonet. 'He does it under the theory that the war has not come to an end that time enough has uot yet closed to eatilefy the President and Congress that the 'South is acedingity loyal.
The commercial' Washington special says: Therebel ram Bionewall, forced by the gals to put fink becautor thator on Bonday, will arrive in time to be examined by the Coart Martial now typing Commodore Craven for not, attacking her at Ferral last March.
A merchant of Matamoras who left that place on the 32, has arrived at New Orleans, and re-ports that the city, was thee, inset. with no propuspect of its being taken unless by assis-tance form this side.
A Mobile diratich of the 20th, asys the ship Harry F. West; from New Orleans for Liver-pool, washmend as ea.
Lee's Virgenia' Campaigns-Ladles', Pecta-tion for a data the city. Released Damage by the Gale on Tuesday. Damage by the Gale on Tuesday. Pai.aneirphi, Nor. 21. - The United States supply stemmer Memphis arrived here this af-ternoon, having left New York on the 30th last. She reports experimenting a very heavy north-east gale and thick fogs, and was obliged to re-main hove to off a five fathom bank lightship fourteen hours. While hove to she foll in with quantities of drift matter, including several bales of cotton, supposed to be from some ves-sels which had lost their deck loads. The sea was running very high, and it was impossible to pick up the cotton. From New Orleans-Ship Burned at Sea-Alabama Legislature. Alabama Legislature. Nawa OnLEANS, Nov. 92.-The steamship Mercina serived at Mobile yesteriday. She brought in Capt. H. Atwood and part of the erew of the ship Harry, of. West Orienas for Liverpoool, burned oue handred milles from Boninwest Pass, with three thousand three hun-dred and forty-three bales of cotton. The ori-gin of the first is unknown. The balance of the erew were taken by the ship Ella, bound for Liverpool. Alongomery, Nov. 20.-Both houses of the Legislature are organized. The Governor's Message will be read on Wednesday. Murderer Hesnited. Alabama Legislature. The Union then gives a long list of assaults and attempted murders, and adds: and ascenarics murrurs, and adds: "No wonder that vegetables are high in the market, when gardeners only visit the city at the risk of their lives; no wonder farmors ro-fuse to platt and own, when there is no assur-ance that the proceeds of a year's labor will sold be snatched from them in a moment by robber landa." pool, was hirned at sea. Lee's Virginia Campaigns-Ladles, Petta-tion for Jest. Davis, Release. New York, Nov. 22.-The Richmond Whig esties that Gen. Lee has inlimited that he will write a history of the campaigns of Virginia. There are not a dozen isdles in Richmond who will refuse to sign the petition for the re-lease of Jeff, Davis. Murderer Respited. PODORKESISIE, N. Y., November 29.-+Wm. Welks, who was to have been executed at Kingston, N. Y., to-morrow, for the murder of Mrs. Rockwell, has received a respite from the GOVERNOT. Destinguing the accounting multiple The St. Louis papers complain of a similar Governor, postponing the execution until the ditcenth of December next.
